The Witherspoon Legacy G.K. Sutton, 2008-10-02 Amanda Childs, Attorney at Law, also moonlights as parish organist at St. Catherines Episcopal Church, Mainville. A widow, she lost her husband Andrew, an FBI agent, four years ago when he was mysteriously killed. The details of his death were never disclosed by the authorities. Amanda has never remarried. Instead, Amanda has thrown herself into her law practice, as well as immersed herself in the musical and church activities in the small town of Mainville. Her dear friend and constant companion is Marjorie Witherspoon, an older and wealthy woman who lost her husband and daughter, Amandas best friend, in an automobile accident fifteen years earlier. Together they are active in church and community activities. Amandas friend Marjy succumbs in a valiant fight against cancer. Amanda finds herself again alone and struggling with her grief and loneliness. In the aftermath of Marjys death, Amanda discovers herself suddenly named in Marjories new will as trustee for several large projects on behalf of the church, and as residuary legatee, the estate being in excess of fifty million dollars. The day of the memorial service, the Bishop, Stephen Marks, who is celebrating the Eucharist, is handed a letter from Marjorie Witherspoon, to whom he was engaged years ago. He staggers out of church during the service, and suffers a heart attack. Amanda finds him, and her intervention helps save his life. Later at the wake Amanda becomes violently ill and passes out. There are some rumblings in the community that she is actually a closet alcoholic and pill addict. The day after the memorial service, Amanda is visited by an auditor from the Presiding Bishop, who is investigating unexplained disappearances of monies from the diocese and church, the vehicle seemingly through the recital series fund she and Marjorie had set up. Suspicion turns to Amanda, as allegations are made that she has unduly influenced Marjorie Witherspoon in order to inherit, as well as that she has set up a corporation for the embezzlement of funds from the church. Amanda finds herself embroiled in possible scandal and criminal investigation, as Connor Thomson, the auditor retained by the Presiding Bishops office, continues to encounter and engage her in his search for evidence. Her close childhood friend Bill Barnes, another attorney from an old established family in town, a perennial playboy and recent widower, reappears at her side, trying to seduce her into marriage. Amanda is faced with a dilemma of who to trust as she is mired in suspicion and the evidence of fraud points to her. Mysterious incidents threaten her life and keep her on edge. In the meantime she must fend off the accusations of Connor Thomson and the advances of Bill Barnes, while making arrangements to get away to New York to see Malachi Feinstein, the attorney handling Marjories estate, who urges her to meet with him without delay. As Amanda is drawn more and more into danger, she is unaware that the small-town secrets regarding her and those she has loved, events about which she has been in the dark, are about to be revealed.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Althusser and Theology, 2016-09-07 Religion has always been an object of philosophical analysis, as well as a platform for political practice. One cannot imagine a form of philosophical thinking without its relation to a religion, whether it negates or affirms the latter. In different philosophical orientations, religion also serves as a condition for philosophy. Althusser and Theology intends not so much to fill a gap in Althusser scholarship as to make an important contribution to the contemporary radical left movement. In this regard, Althusser and Theology is of significant importance in the current debates on the Left concerning its relation to theology. It will also contribute to the ongoing debate on Althusser, as well as opening up a new perspective on his philosophical project. Contributors are: Roland Boer, Stanislas Breton, Isa Blumi, Geoff Pfeifer, Agon

Hamza, Warren Montag, Vittorio Morfino, Knox Peden, Panagiotis Sotiris, Ted Stolze, Jana Tsoneva, and Gabriel Tupinambá.

Robert Ludlum's (TM) The Bourne Initiative Eric Van Lustbader, 2017-06-13 Jason Bourne returns in this stunning new thriller from Eric Van Lustbader, continuing Robert Ludlum's classic series. General Boris Karpov, head of the feared Russian FSB, is dead. But Karpov has reached out from the grave with an unstoppable cyber operation he conceived before his murder, aimed at the heart of the United States--a way to steal the president's nuclear launch codes. Who has taken over the operation? Karpov trusted only one man: Jason Bourne. But can Bourne be working against his own country? The U.S. Government is convinced of his treason, and is doing everything in its power to kill him. Flushed from cover and gravely wounded, Bourne's only hope is to join forces with his bitterest enemy: a powerful Somali terrorist named Keyre, and his protégé, the Angelmaker. If he hopes to survive, Bourne has no choice but unravel the mystery of Karpov's last legacy--a weaponized code that may bring about the unthinkable: a violent end to America.

Rick Owens: Temple of Love Rick Owens, Miren Arzalluz, Alexandre Samson, 2025-07-08 With his provocative and subversive approach to design, Rick Owens has been a transformative force in fashion since he founded his label in 1994. This essential volume is the first critical appraisal of Owens's work, documenting the evolution of nearly three decades of the designer's inimitable worldview. Owens remains one of the most daring and influential fashion designers working today. Often described for his "a-grunge-meets-glamor" aesthetic, Owens has cultivated a devoted international following. In his creations, grace and grit are paired with an obsession with structural transformation and movement, where diaphanous, flowing shapes contrast with opaque forms and sharp edges, an approach to formal invention that is complemented by a mania for new and often exotic materials. Timed to coincide with the first comprehensive show of the designer's work taking place at the Palais Galliera in Paris in summer 2025, the scope and breadth of this exhibition promises to be a treat to both longtime fans and the uninitiated. Owens will reimagine the grand nineteenth-century palace housing the museum, with temporary installations that will serve as vitrines to his many creations. In effect dividing the book between the conception of showcases and the precious objects that they display within, the curatorial essays bookending this visual narrative will attempt to describe the multidisciplinary, even architectural approach Owens has to his creations.

Honorita: A Novel in Sonata Form Patrick Guderski, 2014-01-06 A story about classical music, painting, New Hollywood, music television, horticulture, joy, trauma, and a young girl's audition at Juilliard. It's 1993 in San Francisco and Honorita, the only child of a family of classical musicians, is the sole inheritor of a beautiful upper-middle-class home located in St. Francis Wood. Living alone after having been recently bereft of her godfather, she dwells in a state of despair while she aimlessly embarks on a college career. However, a visit by a person from her godfather's past, a new best friend at school, and the competing interests of two tumultuously enamored boys reignite her sense of direction, which culminates in a whirlpool of perseverance, euphoria, tragedy, and rage revolving around a life-changing audition at Juilliard. The novel itself is woven into a tapestry of allusions and asides to art history, cinema, pop culture, painting, music theory, and gardening. In-depth references to Baroque, Classical, Romantic, Impressionist, and Modernist periods of music along with their composers abound. The Zeitgeist of popular music in 1993, namely the catapulting alternative rock and grunge scenes, also figures significantly into the events that unfold.

Symphony for G Leslie Kent, 2018-07-04 What could be simpler than buying a house in the country? When Sol, a city financier, purchases Bothan Faobhar on a whim, he discovers a world where the neighbours are both distant and at odds with his urban ideals. With no mobile signal, no electricity, water that runs brown, it is an existence that he quickly realises he is ill-prepared for. Can someone like Sol survive here? And then there is the mysterious previous occupant, G, who seems not to have left. Who is G? Why does he stay in contact with Sol? And, why does everyone think that the house chose Sol and not the other way around? This is the story of Sol's introspective journey from self-obsessed investor to outwards-looking naturalist with a deepening knowledge and interest in the wild world just beyond his own doorstep, starting with the visitation of a Scottish wildcat. It is about the wildlife of Britain, rural communities and folk music, and the need to protect them all from certain extinction. It is also about a man who buys a house.
