Prayers and Fasts According to Bar Ebroyo (AD 1225/6-1286) Biji Markose Chirathilattu,2004 This work, a doctoral thesis accepted by the University of Marburg, Germany, offers an authoritative analysis of the prayers and fasts of the oriental orthodox churches. Fr. Biji, who is the vicar of the Malankara Syrian Orthodox Church in Vienna, Austria and a visiting faculty member at the Syrian Orthodox Seminary at Vettickal, India, goes beyond the age-old spiritual practises of his church based on the teachings of its canon giver Bar Ebroyo and delineates the formative influences as well as the present day significance of those teachings. The book is a pioneering attempt to develop a theology of prayers and fasts from the oriental perspective.

The God Who Hears James Merritt,2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as sharp reminders of our profound need for God's strength. From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

What Kind of Friendship? Tom Wilson,2015-09-23 We sometimes say that Muslims and Christians are part of Abraham's family, but while you can choose your friends, you cannot choose your family. In a world filled with conflict, can Christians be friends with Muslims? When it comes to medical ethics, the economy, the environment, media, the arts, the place of women in society, political engagement, do Christians and Muslims have any views in common? Utilizing the writings of respected Muslim reformer Tariq Ramadan, Tom Wilson asks questions about what kind of friendship Christians and Muslims might have. While we disagree as to who Jesus is or how we can be saved, can we agree in our concern for a fairer, more just society? Can we work together for the common good as friends who disagree but remain respectful?

Light to those in Darkness Charlie Bell,2023-06-28 Now widely recognised within palliative care, the concept of 'total pain' is an intensely theological one at heart. In *Light to those in Darkness* clinician and theologian Dr Charlie Bell holds up the concept to theological scrutiny. Bell reflects on the ways that the doctrine of 'the communion of saints', might be used to help the church understand how it can address "total pain" within individuals, and collective trauma within the wider community. As such the book offers both an important theological reflection for those in pastoral care roles and a broader challenge to the church to become a place of solidarity and accompaniment.

Mission Frontiers Volume 1 Ralph D. Winter,2004

A Sociology of Prayer Giuseppe Giordan,Linda Woodhead,2017-05-15 Prayer is a central aspect of religion. Even amongst

those who have abandoned organized religion levels of prayer remain high. Yet the most basic questions remain unaddressed: What exactly is prayer? How does it vary? Why do people pray and in what situations and settings? Does prayer imply a god, and if so, what sort? A Sociology of Prayer addresses these fundamental questions and opens up important new debates. Drawing from religion, sociology of religion, anthropology, and historical perspectives, the contributors focus on prayer as a social as well as a personal matter and situate prayer in the conditions of complex late modern societies worldwide. Presenting fresh empirical data in relation to original theorising, the volume also examines the material aspects of prayer, including the objects, bodies, symbols, and spaces with which it may be integrally connected.

Pray Fully Michele Faehnle, Emily Jaminet, 2020-02-21 “I feel silly trying to make up prayers myself.” “My mind starts to wander as I am speaking to God.” “I just don’t have time to pray.” Do you recognize yourself in any of these statements? Then *Pray Fully* is for you. Michele Faehnle and Emily Jaminet—bestselling authors of *Divine Mercy for Moms* and *The Friendship Project*—share the rewards and frustrations of their own prayer journeys to create a practical guide that combines testimonies, tips, and journaling space to help you spend quality time with God. Whether you want to learn how to pray aloud in a group or to stop your mind from wandering during prayer, Faehnle and Jaminet have practical advice and the real-life experience to help you overcome obstacles to everyday prayer. Both raised in Catholic families who spent time in prayer, Faehnle and Jaminet wanted to experience a relationship with God that consisted of more than Sunday Mass and an occasional panicked Rosary or a rushed cry for help. They each found that the noisy, self-centered monologue of their youth grew into a fuller, more mature dialogue of love when they gave time to God and began to truly listen to him. In *Pray Fully*, Faehnle and Jaminet share basic prayer principles that have helped them to become women of prayer: make time for personal, daily communication with Jesus spend time meditating and engaging in other spiritual practices such as adoration or the Examen recognize the critical times of each day when you need a “prayer boost” live deeply in the sacraments and enrich your life with sacramentals record your intentions and thank God for answered prayer Encouraging stories and practical advice—including tips from the lives and writings of the saints—questions for personal reflection and private meditation, and journaling space will help you develop a lifelong dialogue with God. The book is perfect for individual or group study.

The Badass Girl's Book of Prayers Maimah Karmo, Tania Koulakian, 2018-09-30 Life is a prayer, and how you express that prayer is an expression of your truth in all its beauty, its divinity, and its humanness. The purpose of life is to express all

that our souls desire within the time that we are here. One of the ways we can stay true to that expression is through alignment with Higher Power, and through communication with that “all there is” energy. When we pray, we are communicating our sacred truth from a spiritual place in all its raw beauty and strength.
