"Lush, ambitious and layered, Malinda Lo's sweeping historical novel is the queer romance we've been waiting for."—Ms. Magazine Seventeen-year-old Lily Hu can't remember exactly when the feeling took root—that desire to look, to move closer, to touch. Whenever it started growing, it definitely bloomed the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. Suddenly, everything seemed possible. But America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father—despite his hard-won citizenship—Lily and Kath risk everything to let their love see the light of day. Meticulously researched, emotionally stirring, and startlingly brave, *Last Night at the Telegraph Club* is a standout work of historical fiction that has taken the world by storm. Winner of the Asian/Pacific American Award for Literature • A Michael L. Printz Honor Book • A We Need Diverse Books Walter Dean Myers Honor Book • A Los Angeles Times Book Prize Finalist • A Kirkus Reviews Best Young Adult Book of the Century

Last Night at the Telegraph Club Malinda Lo, 2023-07-13 A story of love and duty set in San Francisco's Chinatown during the Red Scare. That book. It was about two women, and they fell in love with each other. And then Lily asked the question that had taken root in her, that was even now unfurling its leaves and demanding to be shown the sun: Have you ever heard of such a thing? Seventeen-year-old Lily Hu can't remember exactly when the question took root, but the answer was in full bloom the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. It was magic. In every world, it was a kind of magic. "No maids, no funny talking, no fainting flowers." Luli Wei is beautiful, talented, and desperate to be a star. Coming of age in pre-Code Hollywood, she knows how dangerous the movie business is and how limited the roles are for a Chinese American girl from Hungarian Hill—but she doesn't care. She'd rather play a monster than a maid. But in Luli's world, the worst monsters in Hollywood are not the ones on screen. The studios want to own everything from her face to her name to the women she loves, and they run on a system of bargains made in blood and ancient magic, powered by the endless sacrifice of unlucky starlets like her. For those who do survive to earn their fame, success comes with a steep price. Luli is willing to do whatever it takes—even if that means becoming the monster herself. *Siren Queen* offers up an enthralling exploration of an outsider achieving stardom on her own terms, in a fantastical Hollywood where the monsters are real and the magic of the silver screen illuminates every page. A Line in the Dark Malinda Lo, 2022-10-04 "A twisty, dark psychological thriller that will leave you guessing til the very end.—Teen Vogue "[A] riveting read...—NPR The line between best friend and something more is a line always crossed in the dark. Jess Wong is Angie Redmond's best friend. And that's the most important thing, even if Angie can't see how Jess truly feels. Being the girl no one quite notices is OK with Jess anyway. If nobody notices her, she's free to watch everyone else. But when Angie begins to fall for Margot Adams, a girl from the nearby boarding school, Jess can see it coming a mile away. Suddenly her powers of observation are more a curse than a gift. As Angie drags Jess further into Margot's circle, Jess discovers more than her friend's growing crush. Secrets and cruelty lie just beneath the carefree surface of this world of wealth and privilege, and when they come out, Jess knows Angie won't be able to handle the consequences. When the inevitable darkness finally descends, Angie will need her best friend. "It doesn't even matter that she probably doesn't understand how much she means to me. It's purer this way. She can take whatever she wants from me, whenever she wants

it, because I'm her best friend." A Line in the Dark is a story of love, loyalty, and murder. □ Mesmerizing.—Kirkus, starred review.

Young Adult Library Services Anthony Bernier, Shari Lee, 2024-04-26 Finally, a single volume that comprehensively introduces and addresses the most pressing issues and opportunities in young adult (teen) library services. Perpetually in the shadow of service to children, and historically riven by fractious relationships between public and school libraries, young adult services continue to suffer inadequacies and inequities of all kinds. Consequently, this area of specialization remains without the capacity to build the institutional, political, cultural, or professional influence needed to grow and develop beyond ritual and repetition. Young Adult Services: Challenges and Opportunities (COYAS) begins to address these inequities by preparing professionals. In COYAS, LIS youth services instructors, especially those in the United States and Canada, will find a single, broad, and diverse engagement with scholars and acknowledged experts on the most pressing issues confronting YA services today. Students at both graduate and undergraduate levels will benefit from the field-tested topics delivered through accessible treatments. Practicing YA (and youth) librarians will appreciate the support and evidence-based analysis they likely found lacking in their MLIS programs. Earnest youth advocates will value the pursuit of issues beyond cliché and perpetual “crash course” entry-level conversations. In addition, instructors and students will both value the brevity of concisely focused chapters, sectional introductions, as well as the study guide questions that conclude each chapter. Content areas include history and critical engagement with foundational concepts in YA services, current practices regarding challenges and opportunities, as well as forward leaning issues for future development of the field. COYAS will ultimately empower librarians in delivering professional-grade information services to improve the quality of young people's experience in this important cultural institution.

Teaching Reading and Literature with Classroom Talk Dawan Coombs, 2024-12-26 This book presents a framework for conceptualizing and enacting dialogic approaches to teaching literature and reading in your classroom. Dialogical approaches have often been used in secondary classrooms for teaching writing by incorporating students’ lives and experiences into the English Language Arts (ELA) curriculum. But what might it look like to create reading moments that bring texts to life by allowing students to use their own identities and experiences as the foundation for their interpretation? The most current research in reading, motivation, culturally responsive teaching, and even neuroscience points to the power of dialogical approaches to not only engage students in reading texts, but—when used consistently and repeatedly—help increase students’ reading growth and achievement. Dialogical approaches can be particularly helpful for struggling readers, English language learners (ELLs), and neurodivergent students. This book explores dialogical approaches to teaching reading and literature in secondary ELA classrooms with descriptions of hands-on activities, models of dialogical strategies, and real-time examples from ELA and reading classes. Each chapter includes motivating, accessible, and research-based

methods and tools that help students connect content to their lives and explore a diversity of perspectives. With resources such as assignment sheets and rubrics, this is an essential book for middle and high school ELA teachers, reading coaches and interventionists, teachers working with ELLs, and pre-service teachers who are looking to better understand and utilize dialogical approaches to support their students in transforming their reader identities.

Lesbian Love Story Amelia Possanza, 2024-05-28 For readers of Saidiya Hartman and Jeanette Winterson, *Lesbian Love Story* is an intimate journey into the archives—uncovering the romances and role models written out of history and what their stories can teach us all about how to love. When Amelia Possanza moved to Brooklyn to build a life of her own, she found herself surrounded by queer stories: she read them on landmark placards, overheard them on the pool deck when she joined the world’s largest LGBTQ swim team, and even watched them on TV in her cockroach-infested apartment. These stories inspired her to seek out lesbians throughout history who could become her role models, in romance and in life. Centered around seven love stories for the ages, this is Possanza’s journey into the archives to recover the personal histories of lesbians in the twentieth century: who they were, how they loved, why their stories were destroyed, and where their memories echo and live on. Possanza’s hunt takes readers from a drag king show in Bushwick to the home of activists in Harlem and then across the ocean to Hadrian’s Library, where she searches for traces of Sappho in the ruins. Along the way, she discovers her own love—for swimming, for community, for New York City—and adds her record to the archive. At the heart of this riveting, inventive history, Possanza asks: How could lesbian love help us reimagine care and community? What would our world look like if we replaced its foundation of misogyny with something new, with something distinctly lesbian?

The Hollywood Spy Susan Elia MacNeal, 2022-08-02 Maggie Hope is off to California to solve a crime that hits too close to home—and to confront the very evil she thought she had left behind in Europe—as the acclaimed World War II mystery series from New York Times bestselling author Susan Elia MacNeal continues. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE MILWAUKEE JOURNAL SENTINEL • “An absolute triumph . . . Maggie Hope is irresistible.”—Hilary Davidson, author of *Her Last Breath* Los Angeles, 1943. As the Allies beat back the Nazis in the Mediterranean and the United States military slowly closes in on Tokyo, Walt Disney cranks out wartime propaganda and the Cocoanut Grove is alive with jazz and swing every night. But behind this sunny façade lies a darker reality. Up in the lush foothills of Hollywood, a woman floats lifeless in the pool of one of California’s trendiest hotels. When American-born secret agent and British spy Maggie Hope learns that this woman was engaged to her former fiancée, John Sterling, and that he suspects her death was no accident, intuition tells her he’s right. Leaving London under siege is a lot to ask—but John was once the love of Maggie’s life . . . and she can’t say no. Maggie struggles with seeing her lost love again, but more shocking is the realization that her country is as divided and convulsed with hatred as Europe. The Zoot Suit Riots loom large in Los Angeles, and the Ku Klux Klan casts a long shadow everywhere. But there is little time to dwell on memories once she starts digging into the case. As she traces a web of deception from the infamous Garden of Allah to the iconic Carthay Circle Theater, she discovers things aren’t always

the way things appear in the movies—and the political situation in America is more complicated, and dangerous, than the newsreels would have them all believe.
