

Big Sister Little Sister Red Sister

N Colangelo

Big Sister, Little Sister, Red Sister Jung Chang, 2019 The most famous sisters in China, the three Soong sisters from Shanghai were at the center of power during a time of wars, revolutions and seismic transformations. Red Sister, Ching-ling married Sun Yat-sen; Little Sister, May-ling, became Madame Chiang Kai-shek; Big Sister, Ei-Ling, became Chiang's unofficial main adviser, and made herself one of China's richest women.

Heroines in History Katie Pickles, 2022-07-21 Heroines in History: A Thousand Faces moves beyond stories of individual heroines, taking a thematic, synthesising and global in scope approach to challenge previous understandings of heroines in history. Responding to Joseph Campbell's Hero with a Thousand Faces, Katie Pickles explores the idea of a transcultural heroine archetype that recurs through time. Each chapter addresses an archetypal theme important for heroines in history. The volume offers a new consideration of the often-awkward position of women in history and embeds heroines in the context of their times, as well as interpreting and analysing how their stories are told, re-told and represented at different moments. To do so it recovers and compares some women now forgotten, along with well-known recent heroines and brings together a diversity of women from around the world. Pickles looks at the interplay of gender, race, heredity status, class and politics in different ways and chronicles the emergence of heroines as historical subjects valued for their substance and achievements, rather than as objects valued for their image and celebrity. In an accessible and original way, the book builds upon developments in women's and gender history and is essential reading for anyone interested in this field.

Legends of Demon Supreme, Seven, 2019-11-23 As the first Demon Sovereign in the history of the demon beast world, he would go for the heavenly tribulation, and as long as he endured the ninth heavenly tribulation, he would ascend to the legendary Demon Ancestor. Unfortunately, standing on the flying platform, he had acted too arrogantly. His luck was poor when he encountered the talking Nine Layered Heavens, and he was chased for ninety-one days and eighty-one days before being chopped into an immortal demon essence. From then on, he was at odds with the Nine-Layered Heavens. He swore that he would find a suitable carrier and return to life. He would shatter this Nine-Layered Heavens and recover his lost face!
