The Unseen Realm Heiser, Michael S., 2015-09-01 In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the glorious ones that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches. --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement 'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book. --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.' --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Glass in the Old World Madeline Anne Wallace- Dunlop,1882

Revelation Mwaniki Karura,2024-10-24 This commentary helps the reader of the book of Revelation to navigate through the challenges that have so far complicated interpretation of the book. It walks the reader into the four vision halls, Patmos, symbolic heaven, symbolic wilderness, and the symbolic high mountain. Like a trained tour guide, it illuminates the nature and purpose of every symbol and simulation of the things that are and the things that are to come. It identifies strategic acts embedded in the visionary simulations as the major communicative devices that the divine author used to evoke the intended reader responses.

The Assassin and the Pirate Lord Sarah J. Maas,2012-01-13 Celaena Sardothien, feared assassin, has come for retribution. Celaena Sardothien has been sent by the Assassin's Guild to a remote island in a tropical sea in order to collect on a debt owed by the Lord of the Pirates. But when Celaena learns that the agreed payment is not in money, but in slaves,

her mission suddenly changes-and she will risk everything to right the wrong she's been sent to bring about.

The Assassin and the Desert Sarah J. Maas,2012-03-30 The world's most feared assassin hones her craft...and her blade. The Silent Assassins of the Red Desert aren't much for conversation, and Celestia Sardothien wouldn't have it any other way. She's not there to chatter, she's there to learn their ways. Quiet suits her just fine-until she begins to suspect there's a traitor in the fortress, and she must determine which of the mute and mysterious assassins is her deadly adversary.

The Assassin and the Empire Sarah J. Maas,2012-07-20 One final mission could be the beginning...or the end. Celestia Sardothien is the assassin with everything: a place to call her own, the love of handsome Sam, and, best of all, freedom. But Celestia won't be truly free until she is far away from her old master, Arobynn Hamel-so she and Sam decide to take a last daring assignment that will liberate them forever. And that's how Celestia learns that having everything means that everything can be taken away.

The Assassin and the Underworld Sarah J. Maas,2012-05-01 A look at Celestia Sardothien's life before the events of Throne of Glass. When the King of the Assassins gives Celestia Sardothien a special assignment that will help fight slavery in the kingdom, she jumps at the chance to strike a blow against an evil practice. The mission is a dark and deadly affair that takes Celestia from the rooftops of the city to the bottom of the sewer-and she doesn't like what she finds there.
