

Gabrielle Aplin The Power Of Love

Dylan Freeman

Gabrielle Aplin: English Rain (PVG) Gabrielle Aplin,2013-06-20 Gabrielle Aplin is the singer who sprung to fame with her chilled-out piano cover of the classic '80s power ballad, The Power of Love. Her début album, English Rain, includes that song plus three more singles: Please Don't Say You Love Me, Panic Cord and Home. This matching songbook contains all the songs from English Rain, presented in expert arrangements for Piano, Voice and Guitar.

Power to the People Dylan Freeman,2014-12-17 Who are you? Where have you been to? Where are you going? Do you have a concept you can be something better? Are you concerned by the present social-economic situation? Would you like to attain complete spiritual freedom, a state in which at any future time nobody can manipulate you, control you, or enslave you? Follow the path by the author, if you feel it necessary to attain power and control over your own life. May you never be the same again! Unless of course you prefer to remain on the treadmill that has been trundling for more years than you can get into an Earth calculator. In the ancient past societies believed men and women were gods: people who were highly developed spiritually. You too can be amongst those gods. You can because you have latent power completely unknown to you. I intend to help you achieve that power in your own life. It is time for you to have full control of your own destiny. It is time for your spiritual freedom to again be brought to the fore and all the misery, pain, and degradation to be dissolved. In this book, I will also be informing you of the true ruling classes of this planet, who have been conspiring against us, by implementing the imposition of a worldwide slave race. I personally don't believe that any person, no matter their creed or religion, should be enslaved, murdered, tortured, raped, or indeed any of the other despicable activities that seem to be running rampant at this time, and indeed throughout the whole history of Planet Earth. And so, I humbly offer up this possibly insignificant and meaningless work with a very simple comment: power to the people.

Antigone Hollie McNish,2021-10-07 A modern retelling of Sophocles' classic play, Antigone, by bestselling writer and poet Hollie McNish As the daughter of Oedipus, Antigone was dealt a cruel hand at birth - even within the bounds of Grecian tragedy. When her brothers are slain fighting for the throne of Thebes, Antigone finds herself pitted against her uncle, the newly crowned King Creon. In defiance of the king, Antigone buries her brother's body, a choice she may pay for dearly. In this new adaptation, we see Sophocles' play reignited by bestselling poet and writer Hollie McNish. Hollie's considered retelling brings Sophocles' original text to a modern-day audience, illuminating the remarkable resemblances between

ancient Greek thought and the society we grapple with today. '[Hollie McNish] writes with honesty, conviction, humour and love . . . She's always been one of my favourites' Kae Tempest

Subliminism Lee Richardson, 2023-09-22 Is it relevant to describe oneself as a middle-aged man from the cold yet temperate Northeast of England? Father of three and stepfather to one, all of whom keep his world spinning: will such a description win his work benefactors and a brownie point among the readerships - maybe even tempt open a pocket? The author sincerely hopes so because, as you will find in the pages of this volume, he owes his ex-wife a house. But their existence in his life is reward enough and keeps and maintains a heart beating and a gratitude, quite often unexpressed, except for in the ethereal notes you will find, at times, pouring from the pages of this book. SUBLIMINISM is the place where you will find that middle-aged man, dancing alone, loving life, hands to the sky, and just having a bit of moonshine. If you want to know a writer read their book. If you want to know their soul... read them all. According to a well-known theory, since the average age of a cell is about seven years, over that time, all the cells of the body would be regenerated, making each person a whole new individual. Lee Richardson was taught as a child to believe in 7-year cycles, and since then, has added to this theory his own astrological spin with unexpected biographical revelations. Baby Aries was born to grow into the boy who caught butterflies and hunted mice amongst the cornfields beyond his backyard; a young adventurer, always willing to try anything once. The schoolkid Taurus, crammed with the heaviness of curriculum education, first learnt the full weight of societal institutions. The shy teenager Gemini paved with stuttering communication the way for friendships that survived a lifetime - or didn't - as he suffered the loss of some of those most beloved to him. Adulthood would shine a stage light onto the meaning of everything, as in Cancer's cycle, his daughter was born in July, protected under the hard shell of his fatherhood, and held against the soft belly of his love. The grown man, a wandering Lion, found his Lioness, and within a few years with the birth of their children they had their Pride and basked in a warm and beautiful sunshine, preparing for marriage. Maturity came with Virgo's need to cross the i's and dot the t's. And then the wheels fell off, and the man lay in his cell, asking for judgement. It fell on the Libra to balance with feathers and lead as he finished his sentence and felt the bliss of release and the pain of a broken marriage. He wrote a book and then some, his tongue more barbed as he learned that

some things can't be swept under and left to fester. As his time approaches and breaches, the middle-aged Scorpio knows that passion and emotion need an outlet and welcomes his 7-year cycle as the most interesting yet.

Darkest Fears Trilogy: A Contemporary Romance Box Set/ Drama/ Suspense/ Thriller Clair Delaney, 2020-10-11

Fallen For Him (Book One) Life has seldom been kind to Coral Stevens. Yet after years of hard work, therapy and friends, she is standing on her own two feet, somewhat comfortable and in control of her own destiny...Or so she thinks. When her boss and good friend of fifteen years chooses to sell the company, it sets Coral's small world spinning, shattering her carefully constructed routine - and places her in the sights of business mogul Tristan Freeman, a man too handsome for his own good...And her new boss. But with the ghosts of the past still haunting her, can Coral finally exorcise these demons, face her darkest fears and allow the irresistible Tristan into her heart?

Freed By Him (Book Two) When the past felt too big to bear, Coral Stevens walked away from the burgeoning love between her and Tristan Freeman, handsome mogul - and her new boss. Heartbroken, yet resolute, she feels she has made the right choice...too bad Tristan doesn't. Trusting him may be the hardest thing that Coral has ever done, yet the love that has grown between them cannot be denied - nor can the flammable passion that explodes whenever they touch. Then just when Coral thinks that things can't get any better, danger weaves its way around them...With her happiness and their very lives on the line, how far can she go to protect the one she loves?

Forever With Him (Book Three) Coral Stevens had no idea that meeting Tristan Freeman would lead her to challenge every aspect of her life - Including her own mortality. As she begins to recover from her ordeal, she must learn to let go of her need to control, and allow Tristan to take care of her, for he is the one that managed to break down her walls, whilst patiently wearing down the barriers she threw between them - until Coral's heart was firmly caught in his grasp. Now together they must prove to each other, no matter how hard it gets, that they have become intrinsically woven into the web of each other's lives - Forever. Or will fate take over again and play a hand neither one of them can see?

CRACKED PORCELAIN SARAH RUTH SCOTT,2014 The original idea of writing cracked porcelain was to bring to you a message that life is not all about happiness, sometimes we have to experience sad moments. Cracked porcelain is about abuse and finding your own way of coping with the aftermath of such a vile act. It is also about finding your own comfort zone and living happily in a place that you feel safe in. It is about being comfortable with your own sexuality and gender many lives have been destroyed through someone else's ignorance. I aim to shock in some ways by being blunt and forth right in my writing I do not apologise for this as it is my way of getting my point of view across. May I suggest that if you have been abused in any way, that you seek help there are many people like Ruth who are willing to help you. Don't fight things on your own no one is an island and many people have been in situations like Pamela or Ruth.

Marketing Communications John Egan,2014-10-13 How many marketing messages do you think you see a day? Why do some stick with us more than others? Not a Complete Shambles Nikki Rollinson, 2013-03-17 Nikki Rollinson's life has often seemed to her, and possibly to others, to be a 'complete shambles', following a series of traumatic events which included years of domination and abuse by an evil cult leader and illness and loss, leading to a major breakdown. But through it all she has clung to the certainty that God has a purpose for her in life and that He is there constantly for her and for all of us. She believes He is continually communicating with us, but that many fail to recognise His voice. *Not a Complete Shambles* is a frank and honest account of Nikki's spiritual experiences and of her own very powerful relationship with God, highlighting God's humanity and announcing a wonderful celebration to come.
