## RC Schank

**Killers of a Certain Age** Deanna Raybourn, 2023-08-15 Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire—it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.

**Desperate Spies** Mark de Castrique, 2025-11-04 Badass 75-year-old retired FBI agent Ethel Fiona Crestwater is back—stalking mobsters, dodging bullets, and pulling off Bond-worthy moves as she tracks down missing state secrets in this fun and pacy new installment in the Secret Lives mystery series “Ethel’s adventures will appeal to fans of Richard Osman’s Thursday Murder Club series and Deanna Raybourn’s Killers of a Certain Age”—Library Journal Starred Review “Ethel looks like Marple but acts like Marlowe”—Kirkus Reviews “Plucky Ethel is an elderly Nancy Drew”—Publishers Weekly For seventy-five-year-old former FBI agent Ethel Fiona Crestwater, her age is nothing but an advantage when it comes to ferreting out secrets. Who's going to notice the little old woman in the corner? Besides, Ethel might be officially retired, but she knows everyone in DC law enforcement—and is smarter than all of them combined. When a former colleague asks Ethel for help, she agrees without a second thought. But the favor throws Ethel back eighteen years, to the botched sting operation that resulted in the murder of an innocent young woman by a Russian gangster—and nearly ended Ethel’s own life too. Soon, Ethel and her young tech-whizz sidekick Jesse, her double-first-cousin-twice-removed, find themselves in the crosshairs of some very bad—and very desperate—men who’ll do anything to get their hands on the state secrets they’re seeking. Ethel will have to use all the skills she’s learned during her long career if she’s to save the day, and keep both herself and her

beloved cousin alive.

**The New York Times Film Reviews ,1969**

Assassins Anonymous Rob Hart,2025-05-27 “The best kind of thriller. . . . Suspenseful, sentimental, and ultimately redemptive, Assassins Anonymous is a can’t-miss novel.” — S. A. Cosby, author of *All the Sinners Bleed* In this clever, surprising, page-turner, the world’s most lethal assassin gives up the violent life only to find himself under siege by mysterious assailants. What’s a reformed hit man to do? Mark was the most dangerous killer-for-hire in the world. But after learning the hard way that his life’s work made him more monster than man, he left all of that behind, and joined a twelve-step group for reformed killers. When Mark is viciously attacked by an unknown assailant, he is forced on the run. From New York to Singapore to London, he chases after clues while dodging attacks and trying to solve the puzzle of who’s after him. All without killing anyone. Or getting killed himself. For an assassin, Mark learns, nonviolence is a real hassle.

Dead Tired Kat Ailes,2024-06-04 The second in a charming and hilarious mystery series by Kat Ailes, *Dead Tired* follows a group of new moms who didn’t think their maternity leave would involve so much murder. Full of charming characters, including Alice’s goofy dog, this fast-paced, original cozy is great fun.—Publishers Weekly Being a new mom is murder. Alice didn’t think her maternity leave would involve so much, well, murder. Before becoming proud new moms, she and her friends bonded more than members of a prenatal group usually would, as they became accidental amateur sleuths and solved a crime together. Now, with all this behind them and Alice’s son Jack somehow already a year old, Alice is keen to finally catch up on some sleep. So when an opportunity presents itself in the unlikely form of an eco-protest, Alice and her friends willingly chain themselves to trees and settle in as an excuse to get some overdue rest. Not the most comfortable arrangement ever, but at this point, they’ll take what they can get. However, the next morning one of their fellow protesters is found strangled, and any hope of a peaceful interlude is suddenly swept away. Soon Alice and her friends become entangled in a plot involving rogue artists, an enigmatic local entrepreneur, and nude (optional) protesting, offering an unexpected—but not necessarily unwelcome—break from changing diapers and wrestling baby toys away from Helen the dog. Alice, whose success rate in solving countryside murder is at an all-time high (one out of one), cannot resist the chance to demonstrate her detective skills once more, and assembles her gang of new moms to investigate this latest mystery in their not-so-sleepy English countryside village.

**The New York Times Theater Reviews 1997-1998** Times Books,2014-10-13 From the musical hits *Lion King* and *Bring In da Noise*, *Bring In da Funk*, to important new off-Broadway plays such as *Beauty Queen of Leenane* and *Wit*, the latest volume in this popular series features a chronological collection of facsimiles of every theater review and awards article published in the *New York Times* between January 1997 and December 1998. Includes a full index of personal names, titles, and corporate names. Like its companion volume, the *New York Times Film Reviews 1997-1998*, this collection is an

invaluable resource for all libraries.

Reviews Young Adults Cooperative Book Review Group of Massachusetts,1972

**Critical Reviews of Oxidative Stress and Aging** Richard G. Cutler,2003 This two-volume reference examines the translational research field of oxidative stress and ageing. It focuses on understanding the molecular basis of oxidative stress and its associated age-related diseases, with the goal of developing new methods for treating the human ageing processes.

Questions and Answers in Lethal and Non-lethal Violence Homicide Research Working Group. Annual Workshop,1993

Block,1994-12 Includes: intervention strategies based on data analysis, spatial analysis, victim precipitation, how to manage large hierarchical databases for easy & efficient access to incident, victim & offender information, & much more. 29 presentations. 70 charts, tables & graphs.

**Serial Killers and the Media** Ian Cummins,Marian Foley,Martin King,2019-01-17 This book examines the media and cultural responses to the awful crimes of Brady and Hindley, whose murders provided a template for future media reporting on serial killers. It explores a wide variety of topics relating to the Moors Murders case including: the historical and geographical context of the murders, the reporting of the case and the unique features which have become standard for other murder cases e.g. nicknames for the serial killers, and it discusses the nature of evil and psychopaths and how they are represented in film, drama, novels and art. It also questions the ethics of the “serial killing industry” and how the modern cultural fixation on celebrity has extended to serial killers, and it explores the impact on the journalists and police officers from being involved in such cases including some interviews with them. The treatment of Brady and Hindley by the media also raises profound questions about the nature of punishment including the links between mental illness and crime and whether there is ever the prospect of redemption. This book draws on cultural studies, criminology, sociology and socio-legal studies to offers a multi-dimensional analysis of the impact of this case and then uses this as a basis for the analysis of more recent cases such as the crimes of Peter Sutcliffe and Harold Shipman.

**Questions and Answers in Lethal and Non-lethal Violence, 1993** Homicide Research Working Group. Workshop,1994

**Criminology** Anthony Walsh,Cody Jorgensen,2020-01-07 Anthony Walsh and Cody Jorgensen’s Criminology: The Essentials introduces students to major theoretical perspectives and topics in a concise, easy-to-read format. This straightforward overview of key subject areas in criminology thoroughly covers the most up-to-date advances in theory and research while challenging students to consider the applications of these theories and their policy implications. The Fourth Edition includes new topics, events, and developments in criminology.

*Nursing History Review, Volume 24* Patricia D'Antonio, PhD, RN, FAAN,2015-08-17 Nursing History Review, an annual

peer-reviewed publication of the American Association for the History of Nursing, is a showcase for the most significant current research on nursing history. Regular sections include scholarly articles, over a dozen book reviews of the best publications on nursing and health care history that have appeared in the past year, and a section abstracting new doctoral dissertations on nursing history. Historians, researchers, and individuals fascinated with the rich field of nursing will find this an important resource. Included in Volume 24... Beyond Versailles: Recovering the Voices of Nurses in Post-World War I U.S.-European Relations Midwife and Public Health Nurse Tatsuyo Amari and a State-Endorsed Birth Control Campaign in 1950s Japan Interdisciplinary Interprofessionalism at Mid-Century: Ancel Keys, Human Biology, and the Laboratory of Physiological Hygiene, 1940-1950 Meeting Rural Health Needs: Interprofessional Practice or Public Health? Clinical Pharmacy: An Example of Interprofessional Education in the Late 1960s and 1970s

The Linguist and Educational Review ,1874

**LBGTQ+ Crime and Victimization** Frances P. Bernat,2023-05-08 This book provides research and analysis on an understudied topic: the LBGTQ+ community as victims and offenders. Most publications focus on LBGTQ+ history and the community's movement towards equality and acceptance in society and in law. A focus on how the criminal justice system victimizes and marginalizes LBGTQ+ persons is needed. Consequently, this work includes chapters on members of the LBGTQ+ community who work in the criminal justice system, forced sexual orientation efforts, transgender legal concerns, LBGTQ+ persons who are arrested and imprisoned, and online dating hate crimes. International scholars provide their individual stories about being gay, bisexual or lesbian and working as a police or correctional officer. Other international contributors explain their research on crime and how the law and criminal justice community does not provide LBGTQ+ persons with protection or support as offenders or victims. This book will of interest to researchers and advanced students of Criminology, Sociology, Law, and Gender Studies. It was originally published as a special issue of the journal Women & Criminal Justice.

**The New York Times Film Reviews 1999-2000** New York Times Theater Reviews,2001-12 From the Oscar-winning blockbustersAmerican BeautyandShakespeare in Loveto Sundance oddities likeAmerican MovieandThe Tao of Steve, to foreign films such asAll About My Mother, the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published inThe New York Timesbetween January 1999 and December 2000. Includes a full index of personal names, titles, and corporate names. This collection is an invaluable resource for all libraries.

The New York Times Theater Reviews ,1997

The New York Times Book Review ,1994-04 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and

paperback).

**Murder, in Fact** Lana A. White, 2020-11-09 With the 1965 publication of *In Cold Blood*, Truman Capote declared he broke new literary ground. But Capote's nonfiction novel belongs to a long Naturalist tradition originating in the work of 19th-century French novelist Emile Zola. Naturalism offers a particular response to the increasing problem of violence in American life and its sociological implications. This book traces the origins of the fact-based homicide novel that emerged in the mainstream of American literature with works such as Frank Norris's *McTeague* and flourished in the twentieth century with works such as Theodore Dreiser's *An American Tragedy* and Richard Wright's *Native Son*. At their heart is a young man isolated from community who acts out in desperate circumstances against someone who reflects his isolation. A tension develops between how society views this killer and the way he is viewed by the novelist. The crimes central to these narratives epitomize the vast gap between those who can aspire to the so-called American dream and those with no realistic chance of achieving it.

### **Killers Of A Certain Age Reviews** Book Review: Unveiling the Power of Words

## Killers Of A Certain Age Reviews Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive

collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Killers Of A Certain Age Reviews PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding

relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Killers Of A Certain Age Reviews PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Killers Of A Certain Age Reviews free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals

waiting to be discovered right at your fingertips.

### FAQs About Killers Of A Certain Age Reviews Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
