African-American Proverbs in Context Anand Prahlad,1996-07 Such sayings as Hard times make a monkey eat red pepper when he don't care for black, The blacker the berry, the sweeter the juice, and Nothing ruins a duck but its bill convey not only axiomatic impact but also profound contextual meanings. This study of African-American proverbs is the first to probe deeply into these meanings and contexts. Sw. Anand Prahlad's interest in proverbs dates back to his own childhood in rural Virginia when he listened to his great-grandmother's stories. Very early he began collecting sayings. In researching this book, he spent five years listening for proverbs spoken in bars, clubs, churches, and retirement homes; on street corners, basketball courts, and public buses; at PTA meetings and bingo games. To discover the full context of a proverb, Prahlad considers four levels of meanings - grammatical, cultural, situational, and symbolic. All these operate simultaneously when a proverb is spoken. Part of the artistry in using proverbs comes from the complex interplay of the dimensions of their meanings. From WPA interviews with former slaves, from the lyrics of blues songs, from extensive field research, and from expressions of protest and cultural affirmation, the author reveals the myriad ways African-American proverbs thrive today.

Juliet, an Un-Popular Tiffany M. Bics Zwolakowski,2012-02

The Tao of Dad Taro Gold,2009-01-01 The Tao of Dad celebrates the nobility and courage of men-the leaders, the thinkers, the teachers, and the soldiers-who shape our world today. Real words about real life show us how we can be wiser and happier, when we open our hearts and minds. -Taro Gold, The Tao of Dad Author Taro Gold's life has been enriched by the guidance and comradeship of many great dads-from his father and stepfather to his grandpa-and great-grandpa. The Tao of Dad is a fountain of insightful gems inspired by these men and many more dads around the world and across the ages. Illustrated with bold and stunning watercolor art, this compendium of wise words offers important lessons and hope-filled visions from both Eastern and Westerndads. * Physical force is temporary, as the body is transitory. But spiritual power is permanent, as the spirit is everlasting. --Mahatma Gandhi * Peace, like charity, begins at home. --Franklin D. Roosevelt * A day without laughter is a day wasted. --Grandpa The Chinese word tao means way and implies teachings or wisdom, making The Tao of Dad the way to great, wise fathers. With more than 400 uplifting and thought-provoking quotes with Eastern sensibilities, The Tao of Dad will remind readers of the cherished moments, important lessons, and forward-looking visions that they have shared with the dads in their lives.

Trust Rules Linda K. Stroh,2015-09-09 Trust is at the root of all positive relationships. This accessible and empowering book teaches how to form an inner circle of trusted confidants in your workplace and at home that will allow you to live a more peaceful and more effective life, reduce stress, and better deal with negative emotions. Building trust is crucial for effective leadership, and trusting others is a necessary part of working with others. But knowing whom to trust—and whom not to trust—eludes many people. A surprising number of people report that being betrayed by someone in their inner circle either at work or in their personal lives is one of the most devastating things they have endured. Lack of trust is also expensive in that it costs companies money to surveil employees; and in our personal lives, if we live with people we cannot trust, we expend needless amounts of energy protecting ourselves from these untrustworthy people. How do we increase trust, bounce back from betrayal, and form alliances and positive relationships with those who ARE trustworthy? This book provides a unique examination of trust and its often-overlooked importance to our work and personal lives. It identifies the characteristics of a trusting relationship, considers the decision-making process that people should make before granting individuals admission to their own inner circle, and teaches how to tell the good guys from the bad guys in our work environments and life in general. This revised and updated edition contains new information on the negative mental and physical aspects of telling lies; how to better manage our emotions, which allows us to become better guys ourselves; strategies for building more trusting relationships in our families; and how trust works—and doesn't work—online in the Internet age. It also includes a useful Family Board Meeting tool for having family meetings in a way that encourages honest and open dialogue between family members regardless of age or family structure.

My Experiments with Stories Shivanand Pandey, 2025-03-10 “My Experiments with Stories” by Shivanand Pandey is a captivating collection that explores the enchanting world of storytelling. Blending creativity with deep literary expression, the book presents a kaleidoscope of short stories, imaginative narratives, and poetic reflections. Inspired by rich cultural experiences, the author crafts tales that evoke emotions, spark curiosity, and immerse readers in a world of wonder. A must-read for those who appreciate the art of storytelling and the beauty of language.

Romeo and Juliet Variations Yohanan Dark, The son of a Black American and a Russian woman travels to America to salute his American heritage. He meets a Black girl with Russian roots. Their relationship doesn't work out because of the American girl's distrust of the Russians, even after they rescue each other from the bandits. They part, but she finds him halfway around the world in Russia and makes him choose between her and his Russian girlfriends. Variations 1, 2, 3, 4, 5, and 6 can be read as stand-alone stories, but for a full understanding of the novel philosophy, the connecting thread that runs through the entire novel, the interweaving of characters and their situations, it's better to read the Variations in numbered sequence.

Social Inclusion Tony Geudens, 2003-01-01 This handbook is part of a series of thematic publications written by experienced youth workers for use in training and study sessions, produced under the Partnership Agreement on European Youth Worker Training run by the Council of Europe and the European Communities Commission. It focuses on issues of youth inclusion, participation and access, including definitions; barriers to youth participation; non-formal education methods compared to formal education and vocational training; inclusive youth work in practice including building trust and self-esteem; peer education, conflict management and a contractual approach; and practical exercises relating to these issues.

Truisms of Life Ray Claveran, The following is a guide to help you understand the value of your relationship with your spouse, your lover, your family, your friends, and all the people you care about. If you will work on your relationships, you may find your life less complicated and, for sure, much more pleasant in your day-to-day living.

The Family Guide to Preventing Elder Abuse Thomas Lee Wright, 2017-04-18 Practical Advice for Taking Care of Loved Ones as They Get Older The rapid aging of the American population and its accompanying epidemic of dementia and Alzheimer's disease has brought about an awareness of the increasing vulnerability of our elders. Taking care of our parents and protecting them from exploitation and abuse at the hands of others can evolve into a virtual full-time occupation, especially among today's baby boomers. The Family Guide to Preventing Elder Abuse provides a practical manual to help prepare the reader for the challenges that arise as our parents begin to lose their independence. In each chapter of this guide, a nationally recognized expert provides specific advice regarding effective actions that can be taken in order to protect loved ones in every area of their lives. They offer practical answers to such questions as: What qualities should you look for in a caretaker? What are the pros and cons of trusts and guardianships? Who do you go to if you suspect abuse of any

kind? How do you best protect your own rights so that you can preserve the rights of your loved one? What should you know about dealing with hospital staff when it comes to making end-of-life decisions? The Family Guide to Preventing Elder Abuse addresses every personal, medical, financial, and legal consideration that may arise for adult children of a senior citizen.

Easy English Exercises Ada Riddlesbarger, Edna Parker Cotner, 1926

The Christian Pioneer, 1744

The Salt Cellars Spurgeon, Charles H., 2015-08-11 The salt of proverbs is of great service if discreetly used in sermons and addresses; and I have hope that these SALT-CELLARS of mine may be resorted to by teachers and speakers, and that they may find them helpful. There are many proverb books, but none exactly like these. I have not followed any one of the other collections, although, of necessity, the most of the quaint sayings are the same as will be found in them. Some of my sentences are quite new, and more are put into a fresh form. The careful omission of all that are questionable as to purity has been my aim; but should any one of them, unknown to me, have another meaning than I have seen in it, I cannot help it, and must trust the reader to accept the best and purest sense which it bears; for that is what it meant to me. It is a pity that the sale of a proverb should ever be unsavory; but, beyond doubt, in several of the best collections, there are very questionable ones, which ought to be forgotten. It is better to select than indiscriminately to collect. An old saying which is not clean ought not to be preserved because of its age; but it should, for that reason, be the more readily dropped, since it must have done harm enough already, and the sooner the old, rottenness is buried the better. My homely notes are made up, as a rule, of other proverbial expressions. They are intended to give hints as to how the proverbs may be used by those who are willing to flavor their speech with them. I may not, in every case, have hit upon the first meaning of the maxims: possibly, in some instances, the sense which I have put upon them may not be the general one; but the meanings given are such as they may bear without a twist, and such as commended themselves to me for general usefulness. The antiquary has not been the guide in this case; but the moralist and the Christian. From what sources I have gleaned these proverbs it is impossible for me to tell. They have been jotted down as they were met with. Having become common property, it is not easy to find out their original proprietors. If I knew where I found a pithy sentence, I would acknowledge the source most freely; but the gleanings of years, in innumerable fields, cannot now be traced to this literary estate or to that. In the mass, I confess that almost everything in these books is borrowed — from cyclopedia's of proverbs, "garlands," almanacs, books, newspapers, magazines — from anywhere and everywhere. A few proverbs I may myself have made, though even this is difficult; but, from the necessity of the case, sentences which have become proverbs are things to be quoted, and not to be invented.

Shakespeare-characters; Chiefly Those Subordinate Charles Cowden Clarke, 1863

To Thine Own Self Be True Richo, David, 2023 Richo has chosen twenty-three components of humanness, each a topic of a chapter. He begins each chapter with a short section about the topic as it is described in psychology or spirituality. Then

he presents quotations from Shakespeare on that theme. Every passage walks us into who we are and can be, both psychologically and spiritually. The quotations are wonderfully imaginative kick-offs into it. After each Shakespeare quotation is a short re-phrase in modern English. After each set of quotations, he presents a paragraph or two, based on the points made in them, meant to show how they can be springboards into becoming more sensitive to the topic. The book is divided into three parts. In Part One, the author explores who we are. In Part Two, he looks at what happens to us during a lifetime. In Part Three, he presents specific suggestions found in Shakespeare about how to put these themes into practice.

Liam's List Haleigh Lovell, 2024-07-07 From the NEW YORK TIMES and USA TODAY bestselling author, Haleigh Lovell. A Contemporary Romance packed with Heat and Heart. Shortlisted for Goodreads List of Top Ten Romances of 2014. A hot, hot sexy read and a wonderful love story. It reached inside my heart, grabbed hold, and refused to let go. ~ Falling in Fall Books Get ready for the steamiest ride of your lives! ~ Renee Entress Book Blog Liam is on my top list of HOT BOOK BOYFRIENDS and this is a MUST READ! ~ Eb's Dirty Diary Wow! Words cannot express. The book captures the characters and bring them to life with love and passion, leaving you breathless and wanting more. ~ Cat Sat A must read. Brilliant dialogue and storyline. So realistic and beautiful, it struck a chord with me emotionally. ~ Amy Homes His best friend's sister. A list. A love story. NOTE: Liam's List is a deliciously sexy full-length novel. No cliffhanger.

A Few Stray Thoughts Upon Shakespeare Thomas Howell, 1867

The Shakespearean Quarterly, 1924
