Cinque Canti / Five Cantos Ludovico Ariosto, 2023-04-28 This new translation brings to English-speaking readers an intense and brooding work by the greatest poet of the Italian Renaissance, Ludovico Ariosto. Begun as a sequel to his epic masterpiece Orlando Furioso (1516), the unfinished Cinque Canti are a powerful poem in their own right. Tragic in tone, they depict the disintegration of the chivalric world of Charlemagne and his knights and give poetic expression to a sense of cultural, political, and religious crisis felt in Ariosto's Italy and in early sixteenth-century Europe more generally. David Quint's introduction freshly examines the literary sources and models of the Cinque Canti and discusses the cultural contexts and historical occasions of the poem. Printed with facing Italian text, this volume allows the modern reader to experience a work of Renaissance literature whose savage beauty still has the power to chill and fascinate. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1996. Orlando Furioso Ludovico Ariosto, 2011-01-01 The appearance of David R. Slavitt's translation of *Orlando Furioso* (Mad Orlando), one of the great literary achievements of the Italian Renaissance, is a publishing event. With this lively new verse translation, Slavitt introduces readers to Ariosto's now neglected masterpiece - a poem whose impact on Western literature can scarcely be exaggerated. Slavitt's translation captures the energy, comedy, and great fun of Ariosto's Italian.

Selected Poems and Translations Madeleine de l'Aubespine, 2008-09-15 Madeleine de l'Aubespine (1546-1596), the toast of courtly and literary circles in sixteenth-century Paris, penned beautiful love poems to famous women of her day. The well-connected daughter and wife of prominent French secretaries of state, l'Aubespine was celebrated by her male peers for her erotic lyricism and scathingly original voice. Rather than adopt the conventional self-effacement that defined female poets of the time, l'Aubespine's speakers are sexual, dominant, and defiant; and her subjects are women who are able to manipulate, rebuke, and even humiliate men. Unavailable in English until now and only recently identified from scattered and sometimes misattributed sources, l'Aubespine's poems and literary works are presented here in Anna Klosowska's vibrant translation. This collection, which features one of the first French lesbian sonnets as well as reproductions of l'Aubespine's poetic translations of Ovid and Ariosto, will be heralded by students and scholars in literature, history, and women's studies as an important addition to the Renaissance canon.

Orlando Furioso Volume II (Canto 29-46) (Dodo Press) Ludovico Ariosto, William Stewart Rose, 2006-08-01 Second volume of epic poem written in 1506 that attempts to expel the myth of chivalry and is seen by some as containing allegories and metaphors demonstrating the fallacy of human judgement.

The Mercat Anthology of Early Scottish Literature 1375-1707 R.D.S. Jack, P.A.T. Rozendaal, 2008-10-30 This large-scale anthology of early Scottish Literature, now revised, has been designed as a teaching text for use by school and university students. Longer works are either presented complete - e.g. James I, King is Quair; as long extracts with explanatory linking passages - e.g. Urquhart, The Jewel; or by sections which sum up the main themes and concerns of the text - e.g. Barbour's Bruce Book I. There are full critical and linguistic introductions; brief biographical and bibliographical introductions for each author or sub-section; the texts have all been re-edited; every difficult word is glossed, and full explanatory notes appear at

the foot of each page. A substantial Appendix presents texts in Latin, Scots, English and Gaelic from the seventeenth century, demonstrating the vitality and interaction of these voices within the Scottish tradition. A noteworthy feature of the book is Professor Jack's Critical Introduction, 'Where Stands Scottish Literature Now?' This challenges many widely-held assumptions about Scottish literature. In particular it seeks to explore the reasons behind the strange neglect of the writers of the seventeenth century. Basing its argument on the texts of the Anthology as a whole, it seeks to re-define the accepted canon and suggests an alternative way of approaching Scottish literary history.

Machiavelli in Love Haig Patapan, 2007-11-01 Haig Patapan argues that at the heart of 'modernity' is a new view of love that accounts for important aspects of modern politics and philosophy, including its conception of power, constitutionalism, and beauty. By examining Machiavelli's epistolary, poetical, and political works, Machiavelli in Love reveals his understanding of love and its theoretical foundations for a modern politics founded on fear.

The English Della Cruscan and Their Time, 1783-1828 W.N. Hargreaves-Mawdsley, 2012-12-06 The English Della Cruscan School, although its nucleus was formed in 1785 by the publication of The Florence Miscellany, existed neither in the consciousness of the group which formed it nor in that of the public until it was so dubbed as a term of reproach by William Gifford in his bitter satire The Baviad (1791). As has already been mentioned Merry, the leader of the group, claimed to be a member of the Real Accademia Fiorentina which had swallowed up the Crusca and the two other Florentine Academies in 1783; but it was not until the summer of 1787, when during his lingering voyage of return to England he began to send his contributions signed Della Crusca to the World, that the name became publicly known or even employed by his friends. Merry uses it of himself in a letter to Mrs. Piozzi after his arrival in England, on 27th February, 1788. 1 His public avowal of his romantic yearning after the suppressed Accademia della Crusca appears on the title-page of his Paulina (1787); for whereas on the title-page of Robert Manners (1785) he for the first time calls himself A Member of the Royal Academy of Florence, the author of Paulina, Robert Merry, Esq.

Redreaming the Renaissance Mary Lindemann, Deanna Shemek, 2024-05-17 Redreaming the Renaissance seeks to remedy the dearth of conversations between scholars of history and literary studies by building on the pathbreaking work of Guido

Ruggiero to explore the cross-fertilization between these two disciplines, using the textual world of the Italian Renaissance as proving ground. In this volume, these disciplines blur, as they did for early moderns, who did not always distinguish between the historical and literary significance of the texts they read and produced. Literature here is broadly conceived to include not only belles lettres, but also other forms of artful writing that flourished in the period, including philosophical writings on dreams and prophecy; life-writing; religious debates; menu descriptions and other food writing; diaries, news reports, ballads, and protest songs; and scientific discussions. The twelve essays in this collection examine the role that the volume's dedicatee has played in bringing the disciplines of history and literary studies into provocative conversation, as well as the methodology needed to sustain and enrich this conversation.
