Summary of Robert Henderson's Operating in the Courts of Heaven Everest Media,2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The place of the initial conflict is in a courtroom, not on a battlefield. Christians should first win their verdicts in the courtroom of Heaven before going out to win on the battlefield. #2 The first thing we must see is that Heaven is open. This means that there is revelation and things we need to discern in the Heavenly realm. Prayer and warfare should not be a shot in the dark. We should be able to pinpoint the things that need to be dealt with and touch them with accuracy. #3 When we pray, we are entering a courtroom. If the widow in Jesus' parable could get an answer and a verdict from an unjust judge through her persistent activity in a court, how much more can we gain answers as the elect of God before the Righteous Judge of all. #4 The widow in the parable of the courtroom was praying for a verdict from the court, not from the battlefield. She realized that she didn't need to march onto a battlefield and yell at her adversary. She just needed a verdict from the court.
