Surviving Beverly Gooden,2022-06-05 Library Journal Self-Help Bestseller Winner of the 2023 National Indie Excellence Award in African American Nonfiction Silver Winner of the 2023 Nautilus Book Award A revealing look at why domestic violence victims stay with their abusers...and how they can ultimately leave. And survive. One Saturday morning, Gooden is woken up by her husband shoving her off the bed for no discernible reason. Despite her quick thinking and even quicker footsteps, her husband catches her, his sudden anger inexplicable. No words are exchanged. He begins to strangle her as he has done many times before. With unflinching vulnerability, Gooden outlines in painstaking detail what she had to do to walk away and how others can use her experiences to escape their own abuse, from skimming the grocery money, to squirreling away personal belongings, to navigating a domestic violence shelter. She offers strategies for overcoming the barriers survivors often face, such as money, housing, overcritical social circles, or, most powerfully: love. Uniquely compassionate when it comes to the heartbreak of still loving one's abuser, Gooden shares how she transformed and extended this love outward, using her story to encourage others to choose themselves. The voice and fire behind #WhyIStayed, Bev Gooden is exceptionally positioned to explore the many reasons victims stay in abusive relationships, and how they can muster the resources and motivation to leave. *Surviving* is unlike any memoir of survivorship, given its nuance, compassion, and candor. Above all, it is an exquisitely powerful testament to Gooden's healing, survivorship, and dedication to helping others do the same.

2 Flawed Lawmen Wayne Meyer,2020-08-10 Two police officers that did stints in detectives decided they wanted to go back to a front line/first responder status in the department. There is a notable age difference between them but due to similar attitudes and motivations they became friends years ago. By choice they end up on the same patrol squad, with the

older as the others supervisor. The two no matter how hard they try and sometimes no matter how hard they try not to, get into very dangerous, frustrating and sometimes even comedic situations. Unfortunately being a police officer isn't very popular in current times. These officers were active in the mid 90's and the public was a little more supportive but police administrations weren't necessarily so. No matter what the era, persons in higher stations do not want to lose their positions due to the actions of over zealous underlings. These two keep trying to do things right and the right things, but due to some frail human qualities and a thing called Murphy's Law, things do not usually end very well for them. If you have any sense of right and wrong or what's fair and what isn't, you should find yourself cheering and hoping they will survive and over come all adversities. If not you may be more pragmatic and think they are morons and should have known better. Because, realistically they have no one else to blame but each other, for putting themselves in those positions. Judge for yourself.

There Are Rivers in the Sky Elif Shafak, 2025-07-01 From the Booker Prize finalist, author of *The Island of Missing Trees*, an enchanting new tale about three characters living along two great rivers, all connected by a single drop of water. • Make place for Elif Shafak on your bookshelf [and] in your heart. You won't regret it.—Arundhati Roy, winner of the Booker Prize In the ancient city of Nineveh, on the bank of the River Tigris, King Ashurbanipal of Mesopotamia, erudite but ruthless, built a great library that would crumble with the end of his reign. From its ruins, however, emerged a poem, the Epic of Gilgamesh, that would infuse the existence of two rivers and bind together three lives. In 1840 London, Arthur is born beside the stinking, sewage-filled River Thames. With an abusive, alcoholic father and a mentally ill mother, Arthur's only chance of escaping destitution is his brilliant memory. When his gift earns him a spot as an apprentice at a leading publisher, Arthur's world opens up far beyond the slums, and one book in particular catches his interest: *Nineveh and Its Remains*. In 2014 Turkey, Narin, a ten-year-old Yazidi girl, is diagnosed with a rare disorder that will soon cause her to go deaf. Before that happens, her grandmother is determined to baptize her in a sacred Iraqi temple. But with the rising presence of ISIS and the destruction of the family's ancestral lands along the Tigris, Narin is running out of time. In 2018 London, the newly divorced Zaleekah, a hydrologist, moves into a houseboat on the Thames to escape her husband. Orphaned and raised by her wealthy uncle, Zaleekah had made the decision to take her own life in one month, until a curious book about her homeland changes everything. A dazzling feat of storytelling, *There Are Rivers in the Sky* entwines these outsiders with a single drop of water, which remanifests across the centuries. A source of life and harbinger of death, rivers—the Tigris and the Thames—transcend history, transcend fate: “Water remembers. It is humans who forget.”

Love & Lexapro Emma Alexis Woodard, 2022-09-12 If your brain doesn't produce natural happy chemicals, store bought is fine! But the side-effects are abundant, and you'll probably never tell anyone how you feel to their face...A chronicle of one poet's time on the prescription anti-depressant Lexapro, including the ins and outs of all the things she wished she'd said. From falling in love to falling apart, from losing your mental stability to losing your religion, the struggles of complex human emotion are broken down into poetry and prose to give meaning to pain and make sense of it all. This book dives into the things the author could've said during her first real relationship, to the first woman she fell in love with, to all the men who let her down, and to the cult that held her and her happiness hostage for most of her early to mid-twenties. For every thorn, there's a rose - and an ode to the people loved, eternally, by the author. Lovers, survivors, and artists, this book is for you. People healing, people wanting, people needing, this book is for you too. This book is for the ones who feel everything, and say nothing.

A Rebellion of Care David Gate, 2025-07-15 A moving manifesto in poems and essays, inviting readers to embrace their humanity and live fully alive in our age of social change, hyper-capitalism, and pervasive loneliness yes, everyone is struggling right now so please be gracious be kind & patient, but subvert every institution that relies on our suffering. Something isn't right. Every generation thinks that, but we have more cause than most. The way our society has been constructed is just not good for our bodies, our minds, or our hearts. What possible chance do our souls have? In his debut

collection, popular Instagram poet David Gate inspires us to rally for what makes life worth living: creating art as a form of care, living beyond consumer impulse, loving our neighbors (even the odd ones), and more. With his signature snark, humor, and billowing hope, Gate invites readers to ponder the complexities of self, community, love, and resilience. Rejecting the notion that despair and positivity are our only available responses, Gate urges readers to foster deep friendships that challenge social orders and embrace questions of meaning and purpose. For, in his words, “Saying something true in a world awash with lies is the first act of rebellion.”

An Image in the Lake Gail Bowen, 2021-09-07 From Arthur Ellis Award-winning, Grand Master of Crime Writers, and “the queen of Canadian crime fiction” (Winnipeg Free Press) comes the newest installment in the Joanne Kilbourn series. A dark secret threatens the future of the Shreve family. It’s August 24 and Joanne Shreve and her husband, Zack, are savoring the last lazy days of summer and looking forward to the birth of a new grandchild; involvement in the campaign of Ali Janvier, a gifted politician with a solid chance of becoming the province’s next premier; and the debut of *Sisters and Strangers*, the six-part series Joanne co-wrote that focuses on her early life. The series is the flagship of a new slate of programming, and MediaNation is counting on a big return. Joanne and Zack’s stake in the series’s success is personal. Their daughter, Taylor, is in a relationship with one of the show’s stars, and Vale Frazier is already like family to them. It seems the “season of mist and mellow fruitfulness” will be a bountiful one for the Shreves. But when a charismatic young woman wearing a grief amulet that contains a lock of her dead brother’s hair and a dark secret becomes part of their lives, the success of *Sisters and Strangers* and the future of Taylor and Vale’s relationship are jeopardized, and only Joanne and Zack can put an end to the threat.

She moves through her world with grace, but beneath her stillness lies a fierce will?—shaped by grief, sharpened by betrayal, and driven by a quiet refusal to disappear. Told with haunting clarity and emotional precision, this is the story of a woman who begins to see what was never meant to be seen?—and to fight in the only way she can, by choosing herself.

Digital Literature and Critical Theory Annika Elstermann, 2022-12-27 The aim at the core of this book is a synthesis of increasingly popular and culturally significant forms of digital literature on the one hand, and established literary and critical theory on the other: reading digital texts through the lens of canonical theory, but also reading this more traditional theory through the lens of digital texts and related media. In a field which has often regarded the digital as apart from traditional literature and theory, this book highlights continuities in order to analyse digital literature as part of a longer literary tradition. Using examples from social media to video games and works particularly by postmodern and poststructuralist

theorists, Digital Literature and Critical Theory contextualises digital forms among their analogue precursors and traces ongoing social developments which find expression in these cultural phenomena, including power dynamics between authors and readers, the individual in (post-)modernity, consumerism, and the potential for intersubjective exchange. Chapter 1 and Chapter 3 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons [Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND)] 4.0 license.
