Parting of the Strangers and Other Stories Sattam Dasgupta,2018-09-17 As an engineer sits across from his wife, Akansha, at an elegant restaurant, he waits for their guest —her co-worker, Sinjan. The engineer, whose favorite pastime is to observe and analyze the world around him, has no idea that his entire life is about to be thrown into turmoil. In a collection of sixteen short stories primarily set against the backdrop of urban India, a diverse group of characters each face the impact of unique circumstances on their lives, thoughts, and actions. It has been almost a year since a commuter first saw a bright-red car caught behind a truck in heavy traffic and waved the driver ahead of him. Now the two drivers frequently see each other on the road, and it is a ritual he eagerly looks forward to every evening. But does she? When the paths of two men—one an attendant and the other a businessman—cross in a Bangalore restaurant, Venkat and Rahul are each propelled back into the past in unique ways. *Parting of the Strangers and Other Stories* is a collection of short tales about people, their realizations, and the games their minds play that invite all of us to discover the hidden angels and demons within.

Recontextualizing Indian Shakespeare Cinema in the West Varsha Panjwani,Koel Chatterjee,2023-01-26 Featuring case studies, essays, and conversation pieces by scholars and practitioners, this volume explores how Indian cinematic adaptations outside the geopolitical and cultural boundaries of India are revitalizing the broader landscape of Shakespeare research, performance, and pedagogy. Chapters in this volume address practical and thematic concerns and opportunities that are specific to studying Indian cinematic Shakespeares in the West. For instance, how have intercultural encounters between Indian Shakespeare films and American students inspired new pedagogic methodologies? How has the presence and popularity of Indian Shakespeare films affected policy change at British cultural institutions? How can disagreement between eastern and western perspectives on the politics of a Shakespeare film become the site for productive cross-cultural dialogue? This is the first book to explore such complex interactions between Indian Shakespeare films and Western audiences to contribute to the assessment of the new networks that have emerged as a result of Global Shakespeare studies and practices. The volume argues that by tracking critical currents from India towards the West new insights are afforded on the wider field of Shakespeare Studies - including feminist Shakespeares, translation in Shakespeare, or the study of music in

Shakespeare - and are shaping debates on the ownership and meaning of Shakespeare itself. Contributing to the current studies in Global Shakespeare, this book marks a discursive shift in the way Shakespeare on Indian screen is predominantly theorised and offers an alternative methodology for examining non-Anglophone cinematic Shakespeares as a whole.

Gandhi and the Psychology of Nonviolence, Volume 1 V. K. Kool, Rita Agrawal, 2020-11-06 The first of two volumes, this book examines Gandhi's contribution to an understanding of the scientific and evolutionary basis of the psychology of nonviolence, through the lens of contemporary researches on human cognition, empathy, morality and self-control. While, psychological science has focused on those participants that delivered electric shocks in Professor Stanley Milgram's famous experiments, these books begin from the premise that we have neglected to fully explore why the other participants walked away. Building on emergent research in the psychology of self control and wisdom, the authors illustrate what Gandhi's life and work offers to our understanding of these subjects who disobeyed and defied Milgram. The authors analyze Gandhi's actions and philosophy, as well as original interviews with his contemporaries, to elaborate a modern scientific psychology of nonviolence from the principles he enunciated and which were followed so successfully in his Satyagrahas. Gandhi, they argue, was a practical psychologist from whom we can derive a science of nonviolence which, as Volume 2 will illustrate, can be applied to almost every subfield of psychology, but particularly to those addressing the most urgent issues of the 21st century. This book is the result of four decades of collaborative work between the authors. It marks a unique contribution to studies of both Gandhi and the current trends in psychological research that will appeal in particular to scholars of social change, peace studies and peace psychology, and, serve as an exemplar in teaching one of modern psychology's hitherto neglected perspectives.

Incognito VK Powell, 2019-07-16 For Frankie Strong, results mean more than sticking to the rules, until she runs heart-first into Evan Spears. US Marshal Evan Spears commands a federal task force of seasoned agents who track and capture dangerous fugitives around the world. When Evan is forced to take on DEA Agent Frankie Strong, a free spirit with

unorthodox methods, she sees nothing but trouble for the team, the mission, and her future. Frankie just wants to locate the murder suspect and prove her worth, but Evan seems determined to block her. To catch the killer they must learn to work together, but their attraction blurs the lines between professional and personal.

Lone Ranger VK Powell,2016-11-15 Freelance reporter Emma Ferguson's assignment to write about a missing member of a local furniture royalty family turns into a murder when she talks to the only survivor of the founding family. While she tries to mine literary gold from the crumbs of a decades-old mystery, commitment-phobic Carter West seems more interested in maintaining the status quo, another puzzle Emma is eager to unravel. Park ranger Carter West has been dedicated to her family and their close-knit community all her life, so when Emma Ferguson starts poking around in the past, Carter does whatever is necessary to maintain the life they've established—including keeping deadly secrets.

The Stolen Necklace Shevlin Sebastian,V.K. Thajudheen,2023-05-17 When V.K. Thajudheen, a middle-aged man working in Doha, returned to his hometown, Kannur, after a few years, little did he know that instead of celebrating his daughter's summer wedding he would be put behind bars for stealing a gold necklace. The local police, smug at apprehending a criminal in record time, wanted a confession to lock it in. Horrified and bewildered, Thajudheen showed proof that he had been busy with the wedding at the time of the crime. But all proof he provided crumbled in the face of the CCTV footage from that day, for it showed clearly that it was Thajudheen on the scooter, riding away from the crime scene.

But how could he be in two places at the same time? And so started a cat-and-mouse game between Thajudheen and the police-the former trying to prove his innocence and the latter hell-bent on pinning the crime on Thajudheen. The media caught whiff of this case and the whole of Kannur was talking about it. The Stolen Necklace might seem to about a small crime in a small town, but with its incredible twists and turns, it is ultimately the story of a common man who fought the system and pulled off a miraculous victory.
