A Black Girl in the Middle Shenequa Golding,2024-05-07 A blazingly honest essay collection from a refreshing new voice exploring the in-between moments for Black women and girls, and what it means to simply exist “At thirty-seven years old I can say Shenequa is a big name and I’m a big, bold woman.” Shenequa Golding doesn’t aim to speak for all Black women. We’re too vast, too vibrant, and too complicated. As an adult, Golding begins to own her boldness, but growing up, she found herself “kind of in the middle,” fluctuating between not being the fly kid or the overachiever. Her debut collection of essays,

A Black Girl in the Middle, taps into life's wins and losses, representing the middle ground for Black girls and women. Golding packs humor, curiosity, honesty, anger, and ultimately acceptance in 12 essays spanning her life in Queens, NY, as a first-generation Jamaican American. She breaks down the 10 levels of Black Girl Math, from the hard glare to responses reserved for unfaithful boyfriends. She comes to terms with and heals from fraught relationships with her father, friends, and romantic partners. She takes the devastating news that she's a Black girl with a "flat ass" in stride, and adds squats to her routine, eventually. From a harrowing encounter in a hotel room leading her to explore celibacy (for now) to embracing rather than fearing the "Milli Vanilli" of emotions in hurt and anger, Golding embraces everything she's learned with wit, heart, and humility. A Black Girl in the Middle is both an acknowledgment of the complexity and pride of not always fitting in and validation of what Black girlhood and womanhood can be.

Aesthetics of Excess Jillian Hernandez, 2020-09-21 Heavy makeup, gaudy jewelry, dramatic hairstyles, and clothes that are considered cheap, fake, too short, too tight, or too masculine: working-class Black and Latina girls and women are often framed as embodying excessive styles that are presumed to indicate sexual deviance. In Aesthetics of Excess Jillian Hernandez examines how middle-class discourses of aesthetic value racialize the bodies of women and girls of color. At the same time, their style can be a source of cultural capital when appropriated by the contemporary art scene. Drawing on her community arts work with Black and Latina girls in Miami, Hernandez analyzes the art and self-image of these girls alongside works produced by contemporary artists and pop musicians such as Wangechi Mutu, Kara Walker, and Nicki Minaj. Through these relational readings, Hernandez shows how notions of high and low culture are complicated when women and girls of color engage in cultural production and how they challenge the policing of their bodies and sexualities through artistic authorship.

Hear Our Truths Ruth Nicole Brown, 2013-10-30 This volume examines how Saving Our Lives Hear Our Truths, or SOLHOT, a radical youth intervention, provides a space for the creative performance and expression of Black girlhood and how this creativity informs other realizations about Black girlhood and womanhood. Founded in 2006 and co-organized by the author, SOLHOT is an intergenerational collective organizing effort that celebrates and recognizes Black girls as producers of culture and knowledge. Girls discuss diverse expressions of Black girlhood, critique the issues that are important to them, and create art that keeps their lived experiences at its center. Drawing directly from her experiences in SOLHOT, Ruth Nicole Brown argues that when Black girls reflect on their own lives, they articulate radically unique ideas about their lived experiences. She documents the creative potential of Black girls and women who are working together to advance original theories, practices, and performances that affirm complexity, interrogate power, and produce humanizing representation of Black girls' lives. Emotionally and intellectually powerful, this book expands on the work of Black feminists and feminists of color and breaks intriguing new ground in Black feminist thought and methodology.

The Son of Mr. Suleman Eric Jerome Dickey, 2022-01-25 Named in USA Today's 5 books not to miss, and New York Post's The best new books to read From New York Times bestselling author Eric Jerome Dickey—named one of USA Today's 100 Black Novelists and Fiction Authors You Should Read—comes his final work: an unflinchingly timely novel about history, hearts, and family. It's the summer of 2019, and Professor Pi Suleman is a Black man from Memphis with a lot to endure—not only as a Black man in Trump's America but in his hard-earned career as an adjunct professor. Pi is constantly forced to bite his tongue in the face of one of his tenured colleague's prejudices and microaggressions. At the same time, he's being blackmailed by a powerful professor who threatens to claim he has assaulted her, when in fact the truth is just the opposite,

trapping him in a he-said-she-said with a white woman that, in this society, Pi knows he will never win. When he meets Gemma Buckingham, a sophisticated entrepreneur who has just moved to Memphis from London to escape a deep heartbreak, things begin to look up. Though Gemma and Pi hail from separate cultures, their differences fuel a fiery and passionate connection that just may consume them both. But Pi's whirlwind romance is interrupted when his absentee father, a celebrated writer, passes away and Pi is called to Los Angeles to both collect his inheritance and learn about the man who never acknowledged him. With the complicated legacy of his famous father to make sense of, Gemma's visa expiration date looming, and the threats of his colleague becoming increasingly intense, Pi must figure out who he is and what kind of man he will become in his father's shadow. In *The Son of Mr. Suleman*, Eric Jerome Dickey takes readers on a powerful journey exploring racism, colorism, life as a mixed-race person, sexual assault, microaggressions, truth and lies, cultural differences, politics, family legacies, perceptions, the impact of enslavement and Jim Crow, code-switching, the power of death, and the weight of love. It is an extraordinary story, page-turning and intense, and a book only Dickey could write.

Black Feminist Thought Patricia Hill Collins, 2002-06-01 In spite of the double burden of racial and gender discrimination, African-American women have developed a rich intellectual tradition that is not widely known. In *Black Feminist Thought*, Patricia Hill Collins explores the words and ideas of Black feminist intellectuals as well as those African-American women outside academe. She provides an interpretive framework for the work of such prominent Black feminist thinkers as Angela Davis, bell hooks, Alice Walker, and Audre Lorde. The result is a superbly crafted book that provides the first synthetic overview of Black feminist thought.

Pushout Monique W. Morris, 2016-03-29 Fifteen-year-old Diamond stopped going to school the day she was expelled for lashing out at peers who constantly harassed and teased her for something everyone on the staff had missed: she was being trafficked for sex. After months on the run, she was arrested and sent to a detention center for violating a court order to attend school. Just 16 percent of female students, Black girls make up more than one-third of all girls with a school-related arrest. The first trade book to tell these untold stories, *Pushout* exposes a world of confined potential and supports the growing movement to address the policies, practices, and cultural illiteracy that push countless students out of school and into unhealthy, unstable, and often unsafe futures. For four years Monique W. Morris, author of *Black Stats*, chronicled the experiences of black girls across the country whose intricate lives are misunderstood, highly judged—by teachers, administrators, and the justice system—and degraded by the very institutions charged with helping them flourish. Morris shows how, despite obstacles, stigmas, stereotypes, and despair, black girls still find ways to breathe remarkable dignity into their lives in classrooms, juvenile facilities, and beyond.

Don't Bring Home A White Girl ! Teejay LeCapois, 2011-01-25 A Haitian-American businessman living in the City of Montreal, Quebec, must choose between a gorgeous Haitian policewoman and a sexy and delightfully curvy

Quebecoise...both of whom love him. A bossy European lady shows a young black man that stereotypes were meant to be shattered. Scorching interracial romance and erotica featuring good-looking, university-educated and adventurous young Black men and the classy, beautiful White ladies who love them.

Pushout Monique Couvson, 2018-01-16 The “powerful” (Michelle Alexander) exploration of the harsh and harmful experiences confronting Black girls in schools, and how we can instead orient schools toward their flourishing On the day fifteen-year-old Diamond from the Bay Area stopped going to school, she was expelled for lashing out at peers who constantly harassed and teased her for something everyone on the staff had missed: she was being trafficked for sex. After months on the run, she was arrested and sent to a detention center for violating a court order to attend school. In a work that Lisa Delpit calls “imperative reading,” Monique W. Morris chronicles the experiences of Black girls across the country whose complex lives are misunderstood, highly judged—by teachers, administrators, and the justice system—and degraded by the very institutions charged with helping them flourish. Painting “a chilling picture of the plight of black girls and women today” (The Atlantic), Morris exposes a world of confined potential and supports the rising movement to challenge the policies, practices, and cultural illiteracy that push countless students out of school and into unhealthy, unstable, and often unsafe futures. At a moment when Black girls are the fastest growing population in the juvenile justice system, *Pushout* is truly a book “for everyone who cares about children” (Washington Post). Now you will be able to break through stereotypes to better understand and relate to African-American consumers. Other ethnic marketing books may include a general chapter or two on Black consumers. *What's Black About It?* focuses on African-American consumers and engages you with bold graphics, pop-culture sidebars, insights from focus groups, and examples from current advertising and marketing campaigns.

The Kite Documents E.B. Williams, 2021-12-02 Sheyla Daus was an alien bee colony birthing queen who initially was highly motivated to provide healthy children for the perpetuation of her colony. But a potent drink she had imbibed on Earth made her possessor of the human emotion of love, thus rendering her desirous for the affection of wonderful human males as well as her initial Daus paramour, Chipale Jackson. But the government agency of Earth was aware of the power and potential of the Daus folk’s abilities and wanted to try, by hook or crook, to strip the abilities from them, even if it meant

destroying all of them by experimentation. The problem was, Sheyla wasn't the only powerful Daus female that was aware of the royal position to be obtained by acquiring Chipale as their mate. For there was a multitude of powerful female queen initiates who were aware of the dispossessed, Earthbound Daus paramour Chip Jackson and were willing to combat to the death for his attention. Would Queen Sheyla Daus be able to satisfy her longing for human companionship and yet keep her Chipale from the clutches of the queen initiates? And would the mindful Daus paramour Chip have time to move the stranded Earth clanoly to a safer domain away from Mother Earth?

Venus in the Dark Janell Hobson, 2018-02-01 In this second edition of the remarkable, and now classic, cultural history of black women's beauty, *Venus in the Dark*, Janell Hobson explores the enduring figure of the Hottentot Venus and the history of critical and artistic responses to her by black women in contemporary photography, film, literature, music, and dance. In 1810, Sara Baartman was taken from South Africa to Europe, where she was put on display at circuses, salons, museums, and universities as the Hottentot Venus. The subsequent legacy of representations of black women's sexuality—from Josephine Baker to Serena Williams to hip-hop and dancehall videos—refer back to her iconic image. Via a new preface, Hobson argues for the continuing influence of Baartman's legacy, as her image still reverberates through the contemporary marketization of black women's bodies, from popular music and pornography to advertising. A brand new chapter explores how historical echoes from previous eras map onto highly visible bodies in the twenty-first century. It analyzes fetishistic spectacles of the black booty, with particular emphasis on the role of Beyoncé Knowles in the popularization of the bootylicious body, and the counter-aesthetic the singer has gone on to advance for black women's bodies and beauty politics. By studying the imagery of the Hottentot Venus, from the nineteenth century to now, readers are invited to confront the racial and sexual objectification and embodied resistance that make up a significant part of black women's experience.

From Self to Selfie Angus Kennedy, James Panton, 2019-08-14 This edited collection charts the rise and the fall of the self, from its emergence as an autonomous agent during the Enlightenment, to the modern-day selfie self, whose existence is realised only through continuous external validation. Tracing the trajectory of selfhood in its historical development - from the Reformation onwards - the authors introduce the classic liberal account of the self, based on ideas of freedom and autonomy, that dominated Enlightenment discourse. Subsequent chapters explore whether this traditional notion has been eclipsed by new, more rigid, categories of identity, that alienate the self from itself and its possibilities: what I am, it seems, has become more important than what I might make of myself. These changing dynamics of selfhood - the transition From Self to Selfie - reveal not only the peculiar ways in which selfhood is problematized in contemporary society, but equally the tragic fragility of the selfie, in the absence of any social authority that could give it some security.

Speaking in Tongues and Dancing Diaspora Mae G. Henderson, 2014-05-07 The oral tradition has always played an important role in African American literature, ranging from works such as Zora Neale Hurston's *Their Eyes Were Watching*

God to Toni Morrison's *Beloved*. These and countless other novels affirm the power of sonance and sound in the African American literary canon. Considering the wide swath of work in this powerful lineage -- in addition to its shared heritage with performance -- Mae G. Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women's literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually. The first half of the book is devoted to influential works of fiction, as Henderson offers a series of spirited, attentive readings of works by Zora Neale Hurston, Alice Walker, Sherley Anne Williams, Toni Morrison, Gayl Jones, and Nella Larsen. The second half shifts gears to consider the world of female African American performance, most notably in the figures of Josephine Baker and the video dancer. Drawing on the trope of dancing diaspora, Henderson proposes a model of theorizing based on performing testimony and critical witnessing. Throughout the book, Henderson draws on a history of black women not only in the Pentecostal Holiness Church, but also within the traditions of classical, Christian, African, and black diasporic spirituality and performance. Ultimately, *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker/listener and audience/performer.
