The Dead Book Club Richard Horchler, 2021-10-12 I would like for the reader to know where the idea came from to write this novel. I have been writing and painting all my life. It is and has always been a passion. My experience over the years has been this. When people found out that I was an artist, they would say, "Oh, my sister is an artist." Or when they found out I was an author, they would say something similar. I am just a little selfish about the words writer and artist. I viewed those comments as insulting. Not long ago, I had this experience happen again, and I had an epiphany. I was wrong! What I failed to understand is that, yes, people do have a story to tell. Maybe not a novel, or even a short story, perhaps a very private experience, or a secret, that is special to them, and it should be. What bothers me is most die with their books. I decided to write a romance/mystery novel and encourage people to share their books and not die with them. So here it is, The Dead Club. Enjoy and start your own dead book club. This novel was done with love.

Hello Beautiful On a secluded bluff overlooking the ocean sits a Victorian house, lavender with gingerbread trim, a home that contains a century's worth of secrets. By the time Jane Flanagan discovers the house as a teenager, it has long been abandoned. The place is an irresistible mystery to Jane. There are still clothes in the closets, marbles rolling across the floors, and dishes in the cupboards, even though no one has set foot there in decades. The house becomes a hideaway for Jane, a place to escape her volatile mother. Twenty years later, now a Harvard archivist, she returns home to Maine following a terrible mistake that threatens both her career and her marriage. Jane is horrified to find the Victorian is now barely recognizable. The new owner, Genevieve, a summer person from Beacon Hill, has gutted it, transforming the house into a glossy white monstrosity straight out of a shelter magazine. Strangely, Genevieve is convinced that the house is haunted—perhaps the product of something troubling Genevieve herself has done. She hires Jane to research the history of the place and the women who lived there. The story Jane uncovers—of lovers lost at sea, romantic longing, shattering loss, artistic awakening, historical artifacts stolen and sold, and the long shadow of colonialism—is even older than Maine itself. Enthralling, richly imagined, filled with psychic mediums and charlatans, spirits and past lives, mothers, marriage, and the legacy of alcoholism, this is a deeply moving novel about the land we inhabit, the women who came before us, and the ways in which none of us will ever truly leave this earth.

Murder Mystery, Graphic Novels, and More Thane Benson, 2019-06-20 This book offers step-by-step details on how to plan and execute library workshops and programs to inspire creativity in teens. Music, movies, graphic novels, and magazines for teens are now commonplace in libraries, and librarians are in a unique position to go beyond simply providing teens with access to them; they can engage teens in creating and sharing their own original content. Written in a light, accessible manner, this book empowers youth services librarians to do just that. Murder Mystery, Graphic Novels, and More provides instruction on hosting creative workshops dedicated to creating and publishing graphic novels; writing and performing interactive murder mystery events; creating animation films; and more—all within a reasonable budget. The chapter on creating graphic novels is itself an original graphic novel drawn by the author, who is also a comic book artist, and a portion of the book lists and explains different creativity games both short and long that may be used as everything from icebreakers to exercises to programs in their own right.

The Book Club Murders Leslie Nagel, 2016-09-27 USA TODAY BESTSELLER • In a charming cozy mystery series debut, Leslie Nagel's irrepressible small-town heroine finds that her fellow book club members may be taking their Agatha Christie a bit too literally—and murder a bit too lightly. Charley Carpenter has poured heart and soul into her clothing store, Old Hat Vintage Fashions. She'll do anything to make it a success—even join the stuffy Agathas Book Club in order to cultivate customers among the wealthy elite of Oakwood, Ohio. Although mixing with the most influential women in town has its advantages, Charley finds the endless gossip a high price to pay. But after two women with close ties to the Agathas are brutally murdered, everyone falls under threat—and suspicion. When key evidence indicates that both murders are the work of the same hand, Charley realizes that the killer has arranged each corpse in perfect imitation of crime scenes from the Club's murder mystery reading list. She uses her membership in the Club to convince Detective Marcus Trenault to use her as an inside informant. Not that he could stop her anyway. Intelligent, fearless, and every bit as stubborn as Marc is, Charley soon learns the Agathas aren't the only ones with secrets to protect. Passions explode as she and Marc must race against time to prevent another murder. And if Charley's not careful, she may find herself becoming the killer's next plot twist. Praise for *Book Club Murders* "A home-run debut . . . With action, adventure and murders involving mystery books, it is sure to please every cozy mystery fan! I highly recommend adding *The Book Club Murders* to your Fall reading list."—*The Cozy Mystery Journal* "Charley Carpenter is my kind of woman—smart, strong, and independent. She makes an engaging and

utterly appealing new detective. Book some time with Charley today!"—Michael Lister, New York Times bestselling author of Blood Oath "A super-paced good read, perfect for a bibliophile and a mystery lover! . . . Charley is a fun, slightly sarcastic character. She's smart, brave and passionate. . . . And the mystery . . . that was plain wicked!"—Nadaness in Motion "A good mystery with a solid dose of romance."—The Ninja Librarian "I found the book to have an interesting pace; it was like an adventure ride. Twists and turns, sometimes a quick chapter. other times the chapters are full and winding. . . . This book is a great start to a new and exciting series."—Bibliophile Reviews "The premise for this story is great, the plot is well developed, and I can't wait to get to know the characters better as the series continues. I had no idea who the murderer was until the moment of the reveal, which is just the way I love it."—Book Babble "Tuck into this well-written and endearing cozy murder mystery, set in an upper-class suburban community where the veneer of civility is thin and verbal encounters are often knife-edged."—Mallory Heart's Cozies "I always enjoy getting in on the ground floor of a new series and this one gets off to a great start. As soon as I saw this series involved a mystery book club, I knew I would have fun with it and I did."—Socrates' Book Reviews

The Jack-o-Lantern Box Karen Joan Kohoutek, 2013-07-30 Did a killer named Johnny the Hangman once lurk in the cemetery? Do cultists plan to sacrifice a trick-or-treater on Halloween night? Are their parents witches? It's all pretty unlikely, but between the kids at the playground, and her cynical big sister's way with a scary story, Jessy doesn't know what to believe. Fortunately, it's the spookier the better for her and her best friend Karma, as they get ready for their favorite night of the year, in this nostalgic but clear-eyed look at a small-town Halloween. This Halloween stocking stuffer is about kids, but suitable for adults.
