What Happens in Vegas Jackie Paxson, 2024-09-22 What's that saying? Oh yeah...what happens in Vegas stays in Vegas. Well, that's a damn lie, especially if you married the very man you've been trying to avoid for almost a year. He's an amazing guy who ticks off all the boxes a woman could ever want in a man. Only I'm not just any woman. I'm a career-driven journalist about to hit the big time with her newest scoop: an expose about a dating app. The only thing standing in the way of that is he wants anything but a divorce. To get where I want to be, I have to stretch the truth and agree to date my husband while pretending to be single on a dating site. It's just a little white lie, but when my lies start getting entangled, it becomes a problem when I can't remember who I told what. Mix all that with a demon cat, meddling grannies, football players, and old friends and I get a complicated life I didn't sign up for. The more I try to escape the storm, the more comfortable it becomes. That is especially true since I can't seem to keep my hands off my husband and realize I only want to spend more time with

him. Can a happy ending begin with a trip down the aisle in Vegas?

What Happens in Vegas Will Not Stay in Vegas Zsazsa K. Louis, 2016-09-29 Yet I believe that it does not matter where we come from; it only matters where we are headed and whether we have a clear eye along the way no matter what adventure or misadventure we face. In the end, we will always prevail with love, determination, and good will to others no matter the odds. To that end, I hope that these essays and short stories will not only prove to be a fascinating look behind the curtain but will also share some helpful information about life in Las Vegas or anywhere where humans may be engaged in some folly.

Vegas Rich Fern Michaels, 2014-05-20 What happens in Vegas stays in the family. Two dynasties merge in this trilogy debut from the #1 New York Times bestselling author of the Texas series. When Sallie Coleman abandons Texas to follow her dreams in Las Vegas, she never imagines she'll win so soon—and so big. But a stroke of luck makes her the richest, most powerful businesswoman in Nevada, and in no time at all her transformation is complete—when she marries Philip Thornton and becomes Vegas's most elegant first lady. Like her future mother-in-law before her, Pennsylvania beauty Fanny Logan makes her fortune in Vegas, building one of the city's most successful clothing empires. Her wedding to Ash Thornton, the visionary behind the magnificent Babylon casino, is like a happy ending to their fairytale lives. But Ash's greatest triumph may be his ultimate downfall . . . “[A] sweeping family saga reminiscent of her Texas series.” —Booklist “Through it all, Sallie remains a matriarch to be reckoned with, but her twin grandsons, Sage and Birch, appear to be the future of Vegas . . . for better or worse . . . if history doesn't lie, Michaels won't disappoint her fans.” —Kirkus Reviews “Her characters are well constructed.” —Publishers Weekly

Love in Las Vegas Ivy PRESTON, 1994

Lady Luck's Map of Vegas Barbara Samuel, 2008-12-18 A successful Web designer, forty-year-old India has a fabulously hip life in Denver and a sexy Irish lover in New York who jets out to see her on bi-weekly visits. The long-distance romance suits India just fine: Though Jack is the only man who has ever made India feel truly alive, she doesn't want things to get too serious. But then her father passes away, and India must honor the promise she made to him: to look after her mother when he's gone. Suddenly India finds herself back in Colorado Springs with the woman who both intrigues and infuriates her. Eldora is sixty something and exquisitely gorgeous, but her larger-than-life personality can suck the air out of a room. True to form, Eldora throws India a curveball, insisting that they hit the road to look for India's twin, Gypsy, a brilliant artist who lives a vagabond's existence in the remote mountain towns of New Mexico. It looks like India can't avoid her mother's intensity any longer, especially after she discovers stunning secrets from Eldora's past. Thirty years ago, Eldora regaled her twin girls with glamorous stories about her days as a Las Vegas showgirl— stories of martinis and music at the Sahara, back

when Frank and Sammy ruled the town. But the story of how she really ended up in Sin City, and the unsavory life she'd run from with her daughters in tow, is full of details she's never seen fit to share-until now. As mother and daughter sail down Route 66, the very road Eldora drove those many years ago, looking for Gypsy, while passing motels, diners, and souvenir shops, Eldora must relive a lifetime of memories that have tormented her before she can put them to rest once and for all. . . . Award-winning author Barbara Samuel brings us a heartfelt story of second chances and unexpected detours. As two women come to terms with themselves and each other, the past unravels and the future spreads out before them like the open road. From the Hardcover edition.

What Happens in Vegas Makenzie Kathryn Street, 2025-03-26 James Cooper was a man who planned everything-his career as a high-powered attorney, his five-year goals, even his grocery lists. Nothing in his life was left to chance. That is, until a business trip to Las Vegas led him straight into the whirlwind that was Lillith Monroe. Lillith, a free-spirited artist with a love for impulsive decisions, had never believed in soulmates or settling down. But after one too many shots, a wild night of laughter, and a neon-lit chapel with an Elvis impersonator, she and James woke up with matching gold bands and a legally binding marriage certificate. What was supposed to be an easy annulment turned complicated when they realized walking away wasn't as simple as they thought. James's rigid world was turned upside down by Lillith's spontaneous nature, while she found unexpected comfort in his steady presence. As they navigated the aftermath of their accidental wedding-

dealing with nosy friends, meddling family, and their own growing attraction-they started questioning whether their drunken mistake was really a mistake at all. Because sometimes, the best things in life aren't planned.
