*Archangel's Kiss* Nalini Singh,2010-02-02 In this Guild Hunter novel, New York Times bestselling author Nalini Singh returns to her world of angelic rulers, vampiric servants, and the woman thrust into their darkly seductive world... Vampire hunter Elena Deveraux wakes from a year-long coma to find herself changed—an angel with wings of midnight and dawn—but her fragile body needs time to heal before she can take flight. Her lover, the stunningly dangerous archangel Raphael, is used to being in control—especially when it comes to the woman he considers his own. But Elena has never done well with authority... They've barely begun to learn each other when Raphael receives an invitation to a ball from the archangel Lijuan. To refuse would be a sign of fatal weakness, so Raphael must ready Elena for the flight to Beijing—and to the nightmare that awaits. **Journey to the City** Steve Tinney,Karen Sonik,2019-05-17 The Penn Museum has a long and storied history of research and archaeological exploration in the ancient Middle East. This book highlights this rich depth of knowledge while also serving as a companion volume to the Museum's signature Middle East Galleries opening in April 2018. This edited volume includes chapters and integrated short, focused pieces from Museum curators and staff actively involved in the detailed planning of the new galleries. In addition to highlighting the most remarkable and interesting objects in the Museum's extraordinary Middle East collections, this volume illuminates the primary themes within these galleries (make, settle, connect, organize, and believe) and provides a larger context within which to understand them. The ancient Middle East is home to the first urban settlements in human history, dating to the fourth millennium BCE; therefore, tracing this move toward city life figures prominently in the book. The topic of urbanization, how it came about and how these early steps still impact our daily lives, is explored from regional and localized perspectives, bringing us from Mesopotamia (Ur, Uruk, and Nippur) to Islamic and Persianate cites (Rayy and Isfahan) and, finally, connecting back to life in modern Philadelphia. Through examination of topics such as landscape, resources, trade, religious belief and burial practices, daily life, and nomads, this very important human journey is investigated both broadly and with specific case studies.
