*El extraño mundo de los cuerdos* Elena Arroyo,2020-12-29 Amelia es una joven de clase alta que debe ingresar en un centro psiquiátrico. Ella esconde un secreto que ha provocado su desestabilización emocional. En el centro conoce el respeto, la dignidad y la comprensión, algo que no ha encontrado en el mundo de los cuerdos. Allí también vivirá una tierna historia de amor. El libro reflexiona sobre la condición humana de los pacientes con trastornos mentales y pone sobre la mesa los prejuicios que se tiene de estos seres humanos.

**Los Crímenes del Club de Lectura** Sonja MenRod,2025-04-20 Los crímenes del Club de Lectura Un thriller psicológico de Sonja MenRod Cada muerte viene con un libro. Cada página, con una pista. Pero algunos secretos no deberían leerse jamás... Veinte años después de la disolución del Club de Lectura de Ventoraz, sus antiguos miembros comienzan a morir en circunstancias inquietantes. En cada escena del crimen, un libro cuidadosamente elegido acompaña al cadáver, como si las páginas guardaran un mensaje secreto. Los inspectores Vera Cuadrado y Leo Redondo, opuestos en todo salvo en su obsesión por la verdad, se ven arrastrados a una investigación donde cada pista es un clásico literario... y cada paso, un eco del pasado. Cuando las muertes empiezan a rozar la historia personal de Vera, los fantasmas de una desaparición jamás resuelta regresan para susurrar una verdad más inquietante que cualquier ficción. Un rompecabezas literario, un misterio familiar y un final imposible de olvidar. Perfecta para fans de thrillers psicológicos, secretos enterrados y crímenes con aroma a tinta y

papel.

Toda la vida por delante Sylvia Alonso Salterain,2018-12-19 Una noche de mayo, Julia toma la decisión que debía haber tomado hace tiempo. Sin saber muy bien qué le espera, y a pesar de la educación que lleva a sus espaldas, decide apostar por su dignidad y su felicidad. Así emprende un viaje a otra vida no prevista. Un viaje emocional que le lleva a un mundo para ella desconocido, que se mueve por unos parámetros diferentes a los que ella recordaba. Julia aprende a ver y vivir la vida intensamente en sus distintas tonalidades de grises. También aprende a dejarse ayudar. En este viaje le acompañan su familia, sus amigas y amigos. Y con humor y profundo sentimiento, Julia nos deja acompañarle a lo largo de su historia, en los momentos de las difíciles decisiones, los momentos de pánico, sus increíbles situaciones y sus historias del corazón.

Los tulipanes de Ana Rosa Cruz Marcos,2024-11-22 Nacida en el madrileño barrio de Argüelles en plena posguerra, Ana crece entre las cicatrices de un tiempo marcado por los desafíos políticos y luchas para conseguir libertad e igualdad. Su vida adulta la conducirá a Francia, donde experimentará emociones que darán un gran sentido a su vida, aunque bracee entre las aguas de un pasado difícil de entender y un futuro incierto. Conocerá personajes distintos en su travesía emocional, llena de desafíos y sueños, y vivirá subida en un tiovivo de luces y sombras. La autora, entrelaza la realidad con la fantasía, consiguiendo trasladar al lector a épocas que no debemos olvidar, aunque para que la evocación no resulte amarga, la adorne con aventuras, amores e intensas sensaciones.

Delirio A. Fuentegrís,2018-03-15 En un edificio sin ascensor de un barrio humilde sus vecinos escuchan unos extraños sonidos que les despiertan de madrugada. Unos dicen que parece un barco que llega a puerto, pese a que la costa está a varios kilómetros, otros auguran que es como la campana del fin del mundo. Al sonido le acompañan inexplicables acontecimientos: amnesias, desapariciones, violencia, fenómenos que desconciertan a personas normales que simplemente tratan de sobrellevar sus vidas y ser felices. Una niña con discapacidad, una viuda que devora las cenizas de su esposo, unos parados que malviven del trapicheo y un niño que se enamora por primera vez. Las fuerzas de la naturaleza a menudo nos superan, si intentamos entenderlas podemos incluso enloquecer, si somos conscientes de nuestra insignificancia y observamos, como mucho podemos apartarnos de su camino y sobrevivir.

**Los renglones torcidos del periodismo** José Manuel Burgueño Muñoz,2009 El objetivo de este libro es estudiar y clarificar las prácticas, fórmulas y procedimientos de transmitir contenidos periodísticos no ajustados a la realidad y de usar la mentira en el ejercicio de la profesión. Sólo conociendo mejor esos renglones torcidos de la prensa podrán aportarse herramientas para enderezarlos.

**Trilogía amnesia** Silvia Caballol Clemente,2016-12-13 Lógico vs ilógico, moral vs amoral, racional vs irracional, bien vs mal y locura vs cordura. El presente libro, que consta de dos partes claramente diferenciadas, pondrá en jaque todas estas dicotomías, pues las fronteras entre tales conceptos aparentemente antagónicos entre sí, son más difusas de lo que cabría

esperar a nivel teórico. ¿Es correcto que un psiquiatra se enamore de su paciente adolescente afectada por un severo cuadro de amnesia global? ¿Qué sucede cuando la atracción es más fuerte que cualquier código deontológico o presión social? ¿Es lógico que el máximo capo de la tríada de trata de blancas y blanqueo de dinero y una de sus vírgenes en venta, se vinculen emocionalmente? ¿Se puede amar a un asesino? ¿Y a tu verdugo? ¿Sucumbirán los protagonistas de esta desgarradora historia a las pulsiones más aberrantes de sus subconscientes o, por el contrario, el sentido de la ética y la moral se impondrá? ¿Qué sucede cuando todos los esquemas aprendidos desde la infancia dejan de ser operativos y debes, por lo tanto, fiarte únicamente de tu instinto para subsistir? Abrir la mente al máximo, pues lo que en las posteriores páginas se relatará, es un desafío directo a cualquier mente racional. ¡Abrochar bien los cinturones de vuestros egos que este relato es para ellos!

**Ya lo pensaré mañana** Desirée Baudel,2025-01-16 Con una voz delicada y honesta, Desirée Baudel nos recuerda que en la vida, como en las mudanzas, solo merece la pena quedarnos con aquello que nos hace felices. El resto es mejor dejarlo atrás. Todas las mañanas, Lola se levanta, sale del piso al que acaba de mudarse —el mejor que ha podido alquilar en Barcelona— y acude al instituto donde trabaja. Durante esas horas de intensa actividad, ella consigue olvidarse de los problemas, de las obsesiones y de ese exmarido al que, en cierto modo, aún sigue queriendo. Incluso consigue dejar atrás el misterio que envuelve a su familia, acostumbrada, como tantas otras, a cubrir el pasado con un manto de silencio. Pero el conflicto con un alumno que atraviesa un momento difícil y un inesperado hallazgo sobre ese secreto familiar que ella se ha empeñado en desentrañar llevan a Lola al límite de sus fuerzas... ¿Dejaremos alguna vez de callar las cosas que nos duelen y de fingir que no existen? ¿Aceptaremos algún día que siempre hay más preguntas que respuestas?

Hispano americano ,1982

De Azorín a Umbral José Bernardo San Juan,Ana Cuquerella Jiménez-Díaz,Javier Gutiérrez Palacio,Montserrat Mera Fernández,Daniel Vela Valldecabres,2009-11-02 Recorrido por la historia del periodismo literario en España a lo largo del siglo XX. Análisis de cada uno de los períodos y ejemplos sobre cómo se ejerció ese periodismo.

**Mi mente es mi enemigo** David Ruipérez Serrano,Lorena López Lobo,2008-04-09 Testimonios sobre trastornos de personalidad

Nosotros somos infinitos. La novela romántica revelación del año. Un ex, una boda y una proposición descabellada. María Sotelo,2024-03-08 LA NOVELA ROMÁNTICA DEL AÑO: EMOCIONANTE, DESHINIBIDA Y DIVERTIDÍSIMA Un ex, una boda y una proposición descabellada En ocasiones, orbitamos el planeta equivocado. Yo lo descubrí cuando encontré a mi recién estrenado marido acostándose con otra mujer el día de mi boda, mientras los amigos y la familia disfrutaban del banquete. Abrí los ojos, aunque quizás no fuera la mejor manera de hacerlo. Ni el mejor momento. El día que me enteré de que mi ex se iba a casar con la mujer con la que me engañó, mi mundo se rompió en mil pedazos. Culpé al cosmos de todos mis males.

Pero parece que el universo tiene sus propios planes... Puede que quizás, en el fondo, nunca haya dejado de creer en el amor. «Divertida y sorprendente.» @gabi.weiss «Tan reconfortante como una quedada entre amigas.» @letrasdecoloresoficial «Una novela que te sacará una sonrisa de principio a fin.» @xtawie «¡Bianca y Hugo me han enamorado!» @onaspell «Te reirás y te emocionarás con sus personajes.» @vivirmilvidas «Una novela romántica que te llenará de amor.» @bookeandoenlasnubes «Tiene todo lo que buscas en una comedia romántica.» @enelrincondemimi
