About the Novel: *The Absolutely True Diary of a Part-Time Indian* follows Arnold Spirit Jr. as he balances life within two worlds. Arnold lives on the Spokane Reservation with his family, where everyone calls him Junior. Life on the Reservation is constrained. People don't leave the Reservation. They live their entire lives there and amount to working at the casino. Junior is different. He is smart and has dreams. He decides to go to high school in a nearby town that will grant him bigger opportunities. There, everyone calls him Arnold. On the Reservation, everyone hates him for abandoning them. He is commonly referred to as a traitor. At his new school, everyone hates him for being different. Junior feels stuck between two worlds, not really belonging to either one of them. As the story

unfolds, Junior struggles with being an adolescent, on top of trying to fit in. These struggles eventually lead him to discovering who he is and where he truly belongs.

Silenced in the Library Zeke Jarvis,2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free. This examination of banned books across U.S. history examines the motivations and effects of censorship, shows us how our view of right and wrong has evolved over the years, and helps readers to understand the tremendous importance of books and films in our society. Books ranging from classics such as *A Farewell to Arms*, *Lord of the Rings*, *The Catcher in the Rye*, and *The Color Purple* as well as best-selling books such as *Are You There, God? It's Me Margaret*, titles in the Harry Potter series, and various books by bestselling novelist Stephen King have all been on the banned books list. What was the content that got them banned, who wanted them banned, and did the ban have the desired effect of minimizing the number of people who read the title-or did it have the opposite effect, inadvertently creating an even larger readership for the book? *Silenced in the Library: Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption. Included in its discussion are explanations of the true nature of the objections along with the motives of the authors, publishers, and major proponents of the books. Content is organized based on why the books were banned, such as sexual content, drug use, or religious objections. This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years. Readers will come away with a fuller appreciation of the immense power of words on a page-or an eReader device-to inflame and outrage, influence opinion, incite thought, and even change the course of history.

The Absolutely True Diary of a Part-time Indian Sherman Alexie,2009 Junior, who is already beaten up regularly for being a skinny kid in glasses, goes to the rich white school miles away. Now he's a target there as well. How he survives all this is an absolute shining must-read and a triumph of the human spirit.

Sherman Alexie Liz Sonneborn,2012-07-15 Sherman Alexie won the 2007 National Book Award for young people's literature with his acclaimed novel *The Absolutely True Diary of a Part-Time Indian*. The novel was inspired by the problems, struggles, and occasional triumphs he experienced as a teenager. Alexie had a long career before writing a YA novel. He has

been a poet, a short story writer, a novelist, a screenwriter, a comedian, and a musician. No matter what medium he works in, Alexie attracts fans that love exploring the gorgeous, lonely, magical, and terrifying worlds he creates. This enthralling narrative gives teen readers an intimate portrait of Alexie, from his birth, when he was diagnosed with hydrocephalus, and youth on the Spokane Indian Reservation to his establishment as a rising star in American literature. Among his acclaimed books are *Lone Ranger and Tonto Fistfight in Heaven*, *Reservation Blues*, and *Indian Killer*, and his screenplay *Smoke Signals*. He also wrote and directed the film *The Business of Fancydancing*. He won the PEN/Faulkner Award for Fiction in 2010 with *War Dances*, a collection of short stories interspersed with poems. Also included are fact sheets on Alexie and his writing, critical reviews of his works, and a timeline.

HandiLand Elizabeth A. Wheeler, 2019-08-21 *HandiLand* looks at young adult novels, fantasy series, graphic memoirs, and picture books of the last 25 years in which characters with disabilities take center stage for the first time. These books take what others regard as weaknesses—for instance, Harry Potter’s headaches or Hazel Lancaster’s oxygen tank—and redefine them as part of the hero’s journey. *HandiLand* places this movement from sidekick to hero in the political contexts of disability rights movements in the United States, the United Kingdom, and Ghana. Elizabeth A. Wheeler invokes the fantasy of *HandiLand*, an ideal society ready for young people with disabilities before they get there, as a yardstick to measure how far we’ve come and how far we still need to go toward the goal of total inclusion. The book moves through the public spaces young people with disabilities have entered, including schools, nature, and online communities. As a disabled person and parent of children with disabilities, Wheeler offers an inside look into families who collude with their kids in shaping a better world. Moving, funny, and beautifully written, *HandiLand: The Crippest Place on Earth* is the definitive study of disability in contemporary literature for young readers.

Creating Critical Classrooms Mitzi Lewison, Christine Leland, Jerome C. Harste, 2014-08-07 This popular text articulates a powerful theory of critical literacy—in all its complexity. Critical literacy practices encourage students to use language to question the everyday world, interrogate the relationship between language and power, analyze popular culture and media, understand how power relationships are socially constructed, and consider actions that can be taken to promote social justice. By providing both a model for critical literacy instruction and many examples of how critical practices can be enacted in daily school life in elementary and middle school classrooms, *Creating Critical Classrooms* meets a huge need for a practical, theoretically based text on this topic. Pedagogical features in each chapter • Teacher-researcher Vignette • Theories that Inform Practice • Critical Literacy Chart • Thought Piece • Invitations for Disruption • Lingering Questions New in the Second Edition • End-of-chapter Voices from the Field • More upper elementary-grade examples • New text sets drawn from Classroom Resources • Streamlined, restructured, revised, and updated throughout • Expanded Companion Website now includes annotated Classroom Resources; Text Sets; Resources by Chapter; Invitations for Students; Literacy

Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others, especially their peers. For some of these individuals, the arts can help them cope with adolescent turmoil, allowing them to express their emotions in poems, stories, painting, songs, and other creative outlets. Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world. It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others. In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature*, Lois Thomas Stover and Connie S. Zitlow examine books in which the coming-of-age for young adults is influenced by the arts. Stover and Zitlow consider the connection between the arts and a young person's developing sense of self, the use of art to cope with loss and grief, and how young adults can use art to foster catharsis and healing. The young people in these books either identify as artists or use the arts in intentional ways to explore their identities. They often have artistic gifts that make them stand outside the norms of teenage life, yet those gifts also help them find a sense of community. Artists considered in this book include painters, photographers, sculptors, actors, directors, choreographers, dancers, composers, musicians, graffiti artists, and others. The books discussed also explore the ways adults can nurture the artist's development and understand the way young people sometimes use the arts to form their unique identity. Included is an annotated bibliography organized by art discipline, as well as an appendix about using the arts pedagogically, making *Portrait of the Artist as a Young Adult* a valuable resource for educators, parents, librarians, and young adults.

Young Adult Valerie Bodden, 2016-12-15 This title examines the genre of young adult literature in *The Absolutely True Diary of a Part-Time Indian*, *Speak*, *We Were Liars*, *Between Shades of Gray*, and *The Maze Runner*. It features four analysis papers that consider young adult literature, each using different critical lenses, writing techniques, or aspects of the genre. Critical thinking questions, sidebars highlighting and explaining each thesis and argument, and other possible approaches for analysis help students understand the mechanics of essay writing. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. The Cambridge History of Native American Literature Melanie Benson Taylor, 2020-09-17 Native American literature has always been uniquely embattled. It is marked by divergent opinions about what constitutes authenticity, sovereignty, and even literature. It announces a culture beset by paradox: simultaneously primordial and postmodern; oral and inscribed; outmoded and novel. Its texts are a site of political struggle, shifting to meet external and internal expectations. This Cambridge History endeavors to capture and question the contested character of Indigenous texts and the way they are

evaluated. It delineates significant periods of literary and cultural development in four sections: “Traces & Removals” (pre-1870s); “Assimilation and Modernity” (1879-1967); “Native American Renaissance” (post-1960s); and “Visions & Revisions” (21st century). These rubrics highlight how Native literatures have evolved alongside major transitions in federal policy toward the Indian, and via contact with broader cultural phenomena such, as the American Civil Rights movement. There is a balance between a history of canonical authors and traditions, introducing less-studied works and themes, and foregrounding critical discussions, approaches, and controversies.

Adolescent Literature as a Complement to the Content Areas Paula Greathouse,Joan F. Kaywell,Brooke Eisenbach,2017-10-05 This text offers 6th - 12th grade educators guided instructional approaches for including young adult (YA) literature in the social sciences and humanities classroom in order to promote literacy development while learning content. Chapters are co-authored, pairing content experts with literacy experts, to ensure that both content and literacy standards are met in each approach. Each chapter spotlights the reading of one YA novel, and offer pre-, during-, and after reading activities that guide students to a deeper understanding of the content while increasing their literacy practices. While each chapter focuses on a specific content topic, readers will discover the many opportunities reading YA literature in the content area has in encouraging cross-disciplinary study.

The American Indian Experience Liz Sonneborn,2010-08-01 Supplemented with quotes and engaging articles from USA TODAY, the Nation’s No. 1 Newspaper, The American Indian Experience shines a spotlight on American Indians and their many exciting contributions to American society. From artists and athletes to religious leaders and chefs, American Indians enrich American life. Novelists such as Louise Erdrich and Sherman Alexie offer enlightening and often humorous glimpses into their life experiences and tribal traditions. Super athlete Jim Thorpe excelled in track-and-field as well as numerous other sports, breaking down cultural barriers to earn gold medals in the pentathlon and the decathlon at the 1912 Olympics in Stockholm, Sweden. SuAnne Big Crow displayed amazing skills as a basketball player for the Lady Thorpes, her South Dakota high school’s team. She became a legend in 1988, when she performed the Lakota Sioux shawl dance on the court in Lead, South Dakota, silencing the crowd who had been shouting anti-American Indian slurs. Buffy Sainte-Marie became one of the nation’s best known folksingers, while actor-musician Floyd Westerman captivated audiences in the groundbreaking 1990 film *Dances with Wolves*. Read this informative title to learn more about how American Indians contribute to the United States’ cultural mosaic, enriching our nation with a wide range of traditions, customs, and life experiences.

Challenges in the Construction of an Inclusive Society António Lopes,Merja de Mattos-Parreira,2018-01-23 In

contemporary societies, identities are believed to be more fluid, less easily definable, demanding new articulations and new dialogues. However, some communities seem unable to engage in a dialogue traversing cultural borders and fostering the appreciation of diversity as the cornerstone of a more just and humane world. Is intercultural exchange truly possible in societies riddled with tensions of every sort? Multicultural and intercultural interactions may have given us the opportunity to enrich our understanding of the other, but they have also posed new challenges for education practices and educational politics. This collection of studies addresses some of the challenges posed by diversity and inequality in the construction of inclusive societies.

Identity-Focused ELA Teaching Richard Beach, Anthony Johnston, Amanda Haertling Thein, 2015-03-05 Countering the increased standardization of English language arts instruction requires recognizing and fostering students' unique identity construction across different social and cultural contexts. Drawing on current sociocultural theories of identity construction, this book posits that students construct multiple identities through use of five identity practices: adopting alternative perspectives, exploring connections across people and texts, negotiating identities across social worlds, developing agency through critical analysis, and reflecting on long-term identity trajectories. Identity-Focused ELA Teaching features classroom activities teachers can use to put these practices into action in ways that re-center implementing the Common Core State Standards; case-study profiles of students and classrooms from urban, suburban, and rural schools adopting these practices; and descriptions of how teachers both support students with this instructional approach and share their own identity-construction experiences with their students. It demonstrates how, as students acquire identity-focused practices through engagements with literature, writing, drama, and digital texts, they gain awareness of the ways exposure to different narratives, beliefs, and perspectives serves to mediate their own and others' identities, leading to different ways of being and becoming over time.
