August and Everything After Jennifer Doktorski,2018-05-01 One last summer to escape, to find herself, to figure out what comes next. Fans of Sarah Dessen and Jenny Han will love this contemporary, coming-of-age romance. Graduation was supposed to be a relief. Except Quinn can't avoid the rumors that plagued her throughout high school or the barrage of well-intentioned questions about her college plans. How is she supposed to know what she wants to do for the next four years, let alone the rest of her life? And why does no one understand that it's hard for her to think about the future—or feel as if she even deserves one—when her best friend is dead? Spending the summer with her aunt on the Jersey shore may just be the fresh start Quinn so desperately needs. And when she meets Malcolm, a musician with his own haunted past, she starts to believe in second chances. Can Quinn find love while finding herself?

Mabel and Everything After Hannah Safren,2022-11-01 It's four innings into an Orioles victory when Emma meets Mabel. Their flirty first encounter kicks off the sweetest of summers. One of Blue Ridge Mountain hiking, river floating, and steamy, coffee-fueled mornings. But as the summer closes, Mabel's insecurities about her same-sex attraction emerge. She heads back to college. Without Emma. Over the next four years, Emma juggles temporary loves, a big move, and new jobs, all while trying to shove down an imagined fairytale outcome with Mabel. Despite distance, Mabel keeps finding her way back into Emma's life, forcing Emma to consider whether it's some grand design bringing the two of them back together.

Stuck Moving Peter Benson,2023-04-11 AUTHOR'S NOTE: This book is unconventional. A self-conscious experiment in form that draws together two vernaculars: anthropological thought and the pop culture of my youth. It is a fraught exercise. I write as a White guy about angst and alienation in the privileged spaces of anthropology and higher education. I appreciate the irony. I hope nonetheless that my experiences with and critical perspectives on social conventions, the culture of liberalism, and ableism in academia might be useful. I seek to expand possibilities of anthropological representation while

challenging epistemological, aesthetic, and professional norms in my discipline. It bothers me that anthropology can be so sanctimonious. I take aim at the ableist conceit that anthropologists are non-characters studying a messy world. Much of my life has been a mess. My work has been undertaken amid struggles with pregnancy loss, bipolar disorder, and drug addiction. I have deep regrets about my participation in an exploitative field. I have deep regrets about many things. I have hurt people and been hurt by people. I hope my stories and reflections add to what others have already written about a more open, honest, and self-deprecating anthropology--

I'll Be Here in the Morning Brian T. Atkinson, 2011-11-28 The writer of such influential songs as "Pancho and Lefty," "To Live's to Fly," "If I Needed You," and "For the Sake of the Song," Townes Van Zandt exerted an influence on at least two generations of Texas musicians that belies his relatively brief, deeply troubled life. Indeed, Van Zandt has influenced millions worldwide in the years since his death, and his impact is growing rapidly. Respected singer/songwriter John Gorka speaks for many when he says, "'Pancho and Lefty' changed—it unchained—my idea of what a song could be." In this tightly woven, intelligently written book, Brian T. Atkinson interviews both well-known musicians and up-and-coming artists to reveal, in the performers' own words, how their creative careers have been shaped by the life and work of Townes Van Zandt. Kris Kristofferson, Guy Clark, Billy Joe Shaver, Rodney Crowell, Lucinda Williams, and Lyle Lovett are just a few of the established musicians who share their impressions of the breathtakingly beautiful tunes and lyrics he created, along with their humorous, poignant, painful, and indelible memories of witnessing Van Zandt's rise and fall. Atkinson balances the reminiscences of seasoned veterans with the observations of relative newcomers to the international music scene, such as Jim James (My Morning Jacket), Josh Ritter, and Scott Avett (the Avett Brothers), presenting a nuanced view of Van Zandt's singular body of work, his reckless lifestyle, and his long-lasting influence. Forewords by "Cowboy" Jack Clement and longtime Van Zandt manager and friend Harold F. Eggers Jr. open the book, and each chapter begins with an introduction in which Atkinson provides context and background, linking each interviewee to Van Zandt's legacy. Historians, students, and fans of all music from country and folk to rock and grunge will find new insights and recall familiar pleasures as they read *I'll Be Here in the Morning: The Songwriting Legacy of Townes Van Zandt*.

Reel to Real by Reel Chris Callaway, 2015-02-09 Books that blend explorations of pop music with a coming-of-age memoir have become bestsellers for authors like Nick Hornby and Chuck Klosterman. I take the concept one step further in my proposed book, *Reel to Real by Reel*, which features uncut interviews--collected during my days as a music journalist. As the interviews are arranged in chronological order, the book offers two unique reading experiences at once: a look at the uncensored thoughts of touring musicians; and the life story of the author who conducted the interviews: a music fan since

birth, a performing musician in his own right, a Christian who often struggles with questions about faith, and an OCD sufferer who finds some relief in music. • Robyn Hitchcock • Glenn Tilbrook (Squeeze) • Mike Peters (the Alarm) • Charlie Gillingham (Counting Crows) • Buddy Cage (Bob Dylan, Jerry Garcia, Stir Fried) • Bruce Cockburn • Sean Kelly (the Samples) • Bill Mallonee (Vigilantes of Love) • Tim Finn • Dug Pinnick (King's X) • Alex Lifeson (Rush) • Matt Slocum (Sixpence None the Richer) • Neil Finn (Crowded House) • Michael Sweet (Stryper) • Steve Taylor • Ben Gibbard (Death Cab for Cutie) • Ray Davies (the Kinks) • Jon Auer (the Posies)

From the Inside Russ DiBella, 2011-03-03 In 1978, when music found its way into Russ DiBella's life largely by way of external circumstances, a natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing. What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music, manifesting itself in ways both deliberate and unanticipated. Part memoir and part backstage pass, *From the Inside* is actually written from the perspective of an outsider looking in although very often and surreptitiously from within. With a detailed history of how music became such an actively integral part of his life (even before an awareness of his parents' unintended influence) and an in-depth, behind-the-scenes look at several concerts (to include a respectable gathering of drumsticks along the way), DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer, accomplice and collector. Less a narrative about unofficial access to rock stars, *From the Inside* sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts. Meeting drum techs, guitar techs and other assorted crew and band members and observing load-ins, soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert-goer. Not wanting for moments of rock'n'roll flash, encounters with rockers Mick Jagger, Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account. Clearly written with an appreciation both for music and those artists who've inspired, *From the Inside* is the story of a life examined through the lens of music.

The Summer After You and Me Jennifer Doktorski,2015-05-05 Will it be a summer of fresh starts or second chances? For Lucy, the Jersey Shore isn't just the perfect summer escape, it's home. As a local girl, she knows not to get attached to the tourists. They breeze in during Memorial Day weekend, crowding her costal town and stealing moonlit kisses, only to pack up their beach umbrellas and empty promises on Labor Day. Still, she can't help but crush on charming Connor Malloy. His family spends every summer next door, and she longs for their friendship to turn into something deeper. Then Superstorm Sandy sweeps up the coast, bringing Lucy and Connor together for a few intense hours. Except nothing is the same in the wake of the storm, and Lucy is left to pick up the pieces of her broken heart and her broken home. Time may heal all wounds, but with Memorial Day approaching and Connor returning, Lucy's summer is sure to be filled with fireworks.
