

S About Martin Scorsese

Daniele Fioretti, Fulvio Orsitto

Martin Scorsese Vincent LoBrutto, 2007-11-30 Martin Scorsese's current position in the international film community is unrivaled, and his name has become synonymous with the highest standards of filmmaking excellence. He is widely considered America's best living film director, and his *Taxi Driver* and *Raging Bull* appear frequently on worldwide surveys of the best films of all time. Here, in the first biographical account of this artist's life, Vincent LoBrutto traces Scorsese's Italian-American heritage, his strict Catholic upbringing, the continuing role of religion in his life and art, his obsessive love of cinema history, and the powerful impact that the streets of New York City had on his personal life and his professional career. Meanwhile, the filmmaker's humble, soft-spoken public persona tells only part of the story, and LoBrutto will delve into the other side of a complex and often tortured personality. Scorsese's intense passion, his private relationships, his stormy marriages, and his battles with drugs and depression are all chronicled here, and, in many cases, for the first time. In addition, the book includes an interview with the director, as well as filmographies cataloging his work as a director, producer, actor, and presenter. As his Best Director award at the 2007 Oscars clearly demonstrated, Scorsese has become something like Hollywood royalty in recent years, finally enjoying the insider status and favor that eluded him for most of his career. But these recent developments aside, Scorsese is also notable as a distinctly American type of artist, one whose work-created in a medium largely controlled by commercialism and marketing-has always been unmistakably his own, and who thus remains a touchstone of artistic integrity in American cinema. In *Martin Scorsese: A Biography*, readers can examine not only the work of one of the form's genuine artists, but also the forces that have propelled the man behind it.

Scorsese on Filmmaking and Faith Martin Scorsese, 2025-10-30 'Have I succeeded, in my own life? I don't know. I don't think so. I'm in my eighties now and I just don't know. But then, maybe success is the wrong way of framing it. You just try, and when you fail, you keep trying.' Over the course of eight years, Martin Scorsese and Jesuit theologian Antonio Spadaro discussed filmmaking and faith. From his Catholic upbringing amidst the brutality of 1950s New York to the heights of Hollywood, Scorsese sketches a unique self-portrait. And from *Mean Streets* to *Killers of the Flower Moon* - and especially the spiritual reckonings of *The Last Temptation of Christ* and *Silence* - he grants readers a new understanding of his films. Reflecting on grace and violence, fear and hope, passion and belief, these rich and intimate conversations offer a remarkable insight into the director's life and work.

Scorsese on Scorsese Michael Henry Wilson, 2011-09-24 Martin Scorsese is one of the most celebrated film-makers working today in Hollywood. A five time Academy Award Nominee for Best Director, Scorsese's films consistently push the boundaries of what viewers expect to see on the silver screen. From *Taxi Driver* to *Goodfellas* to *The Departed*, Scorsese continually challenges audiences with his gritty, often brutal films. Developed from over 30 years of interviews with his friend and fellow director, Michael Henry Wilson, *Scorsese on Scorsese* is the first book to examine the career of this cinematic master in his own words. Illustrated with documents, and personal photos from Scorsese's own archive along with film stills, this in-depth look at all of Scorsese's masterpieces from his early short films all the way up to his recent *Shutter Island* (2010) is a key reference work for both fans of the director and professionals looking for the keys to the master's work.

A Companion to Martin Scorsese Aaron Baker, 2021-05-04 *A Companion to Martin Scorsese* "This valuable book brings the exceptional scale of Martin Scorsese's film work into clear view. His achievements are monumental, and the essays collected in this work provide wonderfully detailed and vivid analyses of his oeuvre. A comprehensive study of the most exciting filmmaker working today." Robert Burgoyne, University of St Andrews *A Companion to Martin Scorsese, Revised Edition* is a comprehensive collection of original essays assessing the career of one of America's most prominent contemporary filmmakers. The first reference work of its kind, this book contains contributions from influential scholars in North America and Europe. The essays use a variety of analytic approaches to study numerous aspects of Scorsese's work, from his earliest films to his place within the history of American and world cinema. They consider his work in relation to auteur theory, the genres in which he has worked, his use of popular music, and his recent involvement with film preservation. Several of the essays offer fresh interpretations of some of Scorsese's most influential films, including *Mean Streets*, *Taxi Driver*, *Raging Bull*, *GoodFellas*, *Gangs of New York*, *Hugo*, and *The Irishman*. Others take a broader approach and discuss the representation of violence, ethnicity, religion, sexuality, gender, race, and other themes across his work. With insights that will interest film scholars as well as movie enthusiasts, this is an important contribution to the scholarship of contemporary American cinema.

The Cinema of Martin Scorsese Lawrence S. Friedman, 1997 Scorsese is one of America's most distinctive and successful filmmakers. For twenty-five years, he has provided audiences with tough, gritty, yet beautifully composed movies - many of them all-time classics. From the urban violence, psychosis, and isolation of *Mean Streets*, *Taxi Driver*, *The King of Comedy*, and *Goodfellas*, through the opulent lyricism of *The Age of Innocence*, to the operatic and controversial *Raging Bull* and *The Last Temptation of Christ*, Scorsese has not compromised his vision of the human heart and its struggles. Scorsese has wrestled hard with his ambivalence over the legacy of his Catholicism. As a second-generation Sicilian-American, he also has had to come to grips with the stereotypes of organized crime while recognizing the dramatic interest of these fascinating and complex characters. In this book, each of Scorsese's films is thoughtfully discussed in a way that will help readers

understand these and other themes in order to discern the overall patterns of the filmmaker's career.

The Philosophy of Martin Scorsese Mark T. Conard, 2007-05-31 Academy Award-winning director Martin Scorsese is one of the most significant American filmmakers in the history of cinema. Although best known for his movies about gangsters and violence, such as *Mean Streets*, *Goodfellas*, *Casino*, and *Taxi Driver*, Scorsese has addressed a much wider range of themes and topics in the four decades of his career. In *The Philosophy of Martin Scorsese*, an impressive cast of contributors explores the complex themes and philosophical underpinnings of Martin Scorsese's films. The essays concerning Scorsese's films about crime and violence investigate the nature of friendship, the ethics of vigilantism, and the nature of unhappiness. The authors delve deeply into the minds of Scorsese's tortured characters and explore how the men and women he depicts grapple with moral codes and their emotions. Several of the essays explore specific themes in individual films. The authors describe how Scorsese addresses the nuances of social mores and values in *The Age of Innocence*, the nature of temptation and self-sacrifice in *The Last Temptation of Christ* and *Bringing Out the Dead*, and the complexities of innovation and ambition in *The Aviator*. Other chapters in the collection examine larger philosophical questions. In a world where everything can be interpreted as meaningful, Scorsese at times uses his films to teach audiences about the meaning in life beyond the everyday world depicted in the cinema. For example, his films touching on religious subjects, such as *Kundun* and *The Last Temptation of Christ*, allow the director to explore spiritualism and peaceful ways of responding to the chaos in the world. Filled with penetrating insights on Scorsese's body of work, *The Philosophy of Martin Scorsese* shows the director engaging with many of the most basic questions about our humanity and how we relate to one another in a complex world.

The Passion of Martin Scorsese Annette Wernblad, 2014-01-10 From his earliest shorts to his recent feature films *The Departed* and *Shutter Island*, this book offers an in-depth analysis of the deepest archetypal themes, symbols, and structures in Martin Scorsese's entire body of work. It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological and spiritual enlightenment, focusing especially on how each character is led to recognize, accept, and embrace his or her flawed traits. The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers, particularly by speaking the language of the unconscious and forcing readers to examine their own hidden flaws.

A Personal Journey with Martin Scorsese Through American Movies Martin Scorsese, Michael Henry Wilson, 1997 A look at American film from the silent movies to movies of the 1970s, including *Duel in the Sun*, *The Bad and the Beautiful*, *The Searchers*, *Scarface*, *Intolerance*, *The Ten Commandments*, *A Star Is Born*, *Cat People*, *Barry Lyndon*, *Citizen Kane*, *Public Enemy*, *East of Eden*, *Shock Corridor*, *Faces*, *The Naked Spur*, *Bandwagon*, and *Force of Evil*.

Scorsese and Religion Christopher B. Barnett, Clark J. Elliston, 2019-09-16 *Scorsese and Religion* concerns the religious vision of the great American filmmaker Martin Scorsese. Not only will this volume explore the foundation of Scorsese's

interest in religion—namely, his relation to the Catholic Church—but it will also highlight the religious breadth of Scorsese's corpus. Ultimately, this book demonstrates that Scorsese's cinematic "re-presentation" of reality brings together various religious influences (Catholicism, existentialism, Buddhism, etc.) and topics such as violence, morality, nihilism, and so on. The overarching claim is that Scorsese, who indeed once claimed that his "whole life" had been "movies and religion," cannot be properly understood without reflecting on the ways in which his religious interests are expressed in and through his art.

Popular Music and the New Auteur Arved Ashby, 2013-12 Popular Music and the New Auteur looks at seven contemporary directors whose feature films are characterized by music-video aesthetics. Demonstrating a fresh kind of cinematic musicality, these filmmakers write against music rather than against script, and allow pop songs a determining role in narrative and imagery.

Martin Scorsese Andy Dougan, 1997 Martin Scorsese is one of the elite band of filmmakers whose originality and craftsmanship has influenced a generation of film directors. His collaborations with Robert De Niro and skill in telling stories sets him apart as one of the all time original directors. When Taxi Driver blasted onto the scene in 1979 it confirmed what everyone recognised as a huge new talent when Mean Streets was released six years earlier. 'This is a powerful film.. the final scene is a cinematically brilliant sequence...' crowed Variety. At least one of Taxi Driver, Mean Streets, Raging Bull and The King Of Comedy is on everyone's top ten best films. After thirty years filmmaking Scorsese is one of the few directors working in Hollywood whose movies still surprise and shock. He is still prepared to take risks and is still producing great movies. So what is it that makes Scorsese tick? What makes him take on a movie? How does he approach the script and decide the what he wants up there on the screen? Andy Dougan has interviewed Scorsese many times and has talked to many of the stars who have appeared in his movies including, most recently, Sharon Stone, to create a fascinating inside look at the making o

Italian Americans in Film Daniele Fioretti, Fulvio Orsitto, 2022-11-30 This book examines how Italian Americans have been represented in cinema, from the depiction of Italian migration in New Orleans in the 1890s (Vendetta) to the transition from first- to second-generation immigrants (Ask the Dust), and from the establishment of the stereotype of the Italian American gangster (Little Caesar, Scarface) to its re-definition (Mean Streets), along with a peculiar depiction of Italian American masculinity (Marty, Raging Bull). For many years, Italian migration studies in the United States have commented on the way cinema contributed to the creation of an identifiable Italian American identity. More recently, scholars have recognized the existence of a more nuanced plurality of Italian American identities that reflects social and historical elements, class backgrounds, and the relationship with other ethnic minorities. The second part of the book challenges the most common stereotypes of Italian Americanness: food (Big Night) and Mafia, deconstructing the criminal tropes that have contributed to shaping the perception of Italian-American mafiosi in The Funeral, Goodfellas, Donnie Brasco, and the first

two chapters of the Godfather trilogy. At the crossroads of the fields of Italian Culture, Italian American Culture, Film Studies, and Migration Studies, Italian Americans in Film is written not only for undergraduate and graduate students but also for scholars who teach courses on Italian American Cinema and Visual Culture.

Martin Scorsese: A Retrospective Tom Shone, 2014-10-07 Martin Scorsese is one of the most respected names in cinema, with a track record that puts him firmly among the all-time greats of filmmaking. Scorsese's directorial debut was in 1963, with a movie he made while still a student at New York University. He achieved superstar status, not just for himself as a director but also for Robert de Niro as an actor, with the classic Taxi Driver in 1976. Since then, Scorsese's name has become synonymous with movies that make the spine tingle- Raging Bull, Casino, The Departed --and of course, Goodfellas . From his debut feature to The Wolf of Wall Street, Martin Scorsese: A Retrospective charts the director's glittering 50-year career at the helm of filmmaking. Movie by movie, this stunning monograph provides the definitive celebration of one of cinema's most enduring talents.

The Psychotronic Video Guide To Film Michael Weldon, 1996 The bible of B-movies is back--and better than ever! From Abby to Zontar, this book covers more than 9,000 amazing movies--from the turn of the century right up to today's Golden Age of Video--all described with Michael Weldon's dry wit. More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore--an essential reference for every bad film fan.

The Scorsese Psyche on Screen Maria T. Miliora, 2015-02-18 This study examines the life and work of acclaimed film director Martin Scorsese, showing that his films reflect his experiences growing up in a Sicilian-American-Catholic family in the tough neighborhood of New York's Little Italy. The study links the personal Scorsese, his roots, and his ethical and religious attitudes. The work examines many films from Boxcar Bertha (1972) to Bringing out the Dead (1999), with special attention given to Gangs of New York (2002) as a vehicle for Scorsese's return to his roots. The Last Temptation of Christ (1988) is analyzed as a template for the Scorsese opus. The study begins with a biography of Scorsese, and then describes his films from 1963 to 2002, providing plot summaries, themes, and characters. The body of the work analyzes films in terms of male sexuality, narcissism, violence, and the place of women in the director's personal and cinematic world. In addition to showing how the themes of Scorsese's films derive from his roots, the study offers psychological analyses of his focal characters. It provides a psychological basis for understanding the dialogue and actions of the characters in the context of their respective film stories. The study shows that Scorsese's films express the values that define his worldview, which include his attitudes about masculinity, aggression, and violence.

Neglected Scorsese Phillip Sipiora and Gary D. Rhodes, 2025-07-23

American Literature on Stage and Screen Thomas S. Hischak, 2014-01-10 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work

is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F. Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.

The Place of Poetics within Documentary Filmmaking Keith Marley, 2023-07-21 This collection aims to give insight to the reader as to how poetic approaches to documentary filmmaking have helped to develop the documentary form into a rich and diverse way of representing the real world in film. As such, it is the aesthetics of documentary filmmaking that becomes the primary focus of discussion within this collection. The majority of the chapters are written by documentary filmmakers who give insight into how poetics have influenced their own approach to documentary filmmaking, while other chapters are written by film scholars who analyse the work of others, in order to uncover how poetics are manifested in existing documentary films. This book will be of interest to those who produce documentary films, as well as those who have an interest in the work of other documentary filmmakers.

The Ascetic Ideal Stephen Mulhall, 2021 Stephen Mulhall traces the development of an ideal of asceticism through Western culture. He shows how influential this self-denying attitude to life has been not just in religion and morality but in aesthetics, science, and philosophy. And he illuminates the role of the ascetic ideal in the thought of Nietzsche, who introduced the concept.

The Rough Guide to Film Rough Guides, 2008-05-01 Get the lowdown on the best fiction ever written. Over 230 of the world's greatest novels are covered, from Quixote (1614) to Orhan Pamuk's Snow (2002), with fascinating information about their plots and their authors – and suggestions for what to read next. The guide comes complete with recommendations of the best editions and translations for every genre from the most enticing crime and punishment to love, sex, heroes and anti-heroes, not to mention all the classics of comedy and satire, horror and mystery and many other literary genres. With feature boxes on experimental novels, female novelists, short reviews of interesting film and TV adaptations, and information on how the novel began, this guide will point you to all the classic literature you'll ever need.

S About Martin Scorsese Introduction

S About Martin Scorsese Offers over 60,000 free eBooks, including many classics that are in the public domain.

Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. S About Martin Scorsese Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. S About Martin Scorsese : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for S About Martin Scorsese : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks S About Martin Scorsese Offers a diverse range of free eBooks across various genres. S About Martin Scorsese Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. S About Martin Scorsese Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding

specific S About Martin Scorsese, especially related to S About Martin Scorsese, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to S About Martin Scorsese, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some S About Martin Scorsese books or magazines might include. Look for these in online stores or libraries. Remember that while S About Martin Scorsese, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow S About Martin Scorsese eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or

publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the S About Martin Scorsese full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of S About Martin Scorsese eBooks, including some popular titles.

FAQs About S About Martin Scorsese Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make

sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. S About Martin Scorsese is one of the best book in our library for free trial. We provide copy of S About Martin Scorsese in digital format, so the resources that you find are reliable. There are also many Ebooks of related with S About Martin Scorsese. Where to download S About Martin Scorsese online for free? Are you looking for S About Martin Scorsese PDF? This is definitely going to save you time and cash in something you should think about.
