

# Bright Young Women Reviews

**Emiko Jean**

**Bright Young Women** Jessica Knoll, 2023-09-19 Don't miss this "breakneck thriller" examining "our culture's obsession with serial killers and true crime" (Harper's Bazaar) following two women on the pursuit of justice against all odds. "A fascinating look at true crime and tabloid culture that's as thoughtful as it is gripping" (People). A New York Times Notable Book of 2023 New York Times Editors' Choice Instant New York Times Bestseller A Goodreads Choice Award Finalist Named a Best Book of the Year by NPR, The Washington Post, Harper's Bazaar, Kirkus Reviews, CrimeReads, Booklist, and more! An Edgar Award Finalist for Best Novel Masterfully blending elements of psychological suspense and true crime, Jessica Knoll—author of the bestselling novel Luckiest Girl Alive and the writer behind the Netflix adaption starring Mila Kunis—delivers a new and exhilarating thriller in Bright Young Women. The book opens on a Saturday night in 1978, hours before a soon-to-be-infamous murderer descends upon a Florida sorority house with deadly results. The lives of those who survive, including sorority president and key witness, Pamela Schumacher, are forever changed. Across the country, Tina Cannon is convinced her missing friend was targeted by the man papers refer to as the All-American Sex Killer—and that he's struck again. Determined to find justice, the two join forces as their search for answers leads to a final, shocking confrontation. Blisteringly paced, Bright Young Women is "Jessica Knoll at her best—an unflinching and evocative novel about the tabloid fascination with evil and the dynamic and brilliant women who have the real stories to tell" (Laura Dave, New York Times bestselling author of The Last Thing He Told Me); and "a compelling, almost hypnotic read and I loved it with a passion" (Lisa Jewell, New York Times bestselling author of None of This Is True).

**Bright Young People** D. J. Taylor, 2009-01-06 "Jampacked and delicious, crammed with a cast of selfish, feckless, darling, talented, almost terminally eccentric, good-looking men and women." —Carolyn See, The Washington Post Before the media circus of Britney Spears, Paris Hilton, and our modern obsession with celebrity, there were the Bright Young

People, a voraciously pleasure-seeking band of bohemian party-givers and blue-blooded socialites who romped through the gossip columns of 1920s London. Evelyn Waugh immortalized their slang, their pranks, and their tragedies in his novels, and over the next half century, many—from Cecil Beaton to Nancy Mitford and John Betjeman—would become household names. But beneath the veneer of hedonism and practical jokes was a tormented generation, brought up in the shadow of war. Sparkling talent was too often brought low by alcoholism and addiction. Drawing on the virtuosic and often wrenching writings of the Bright Young People themselves, the biographer and novelist D. J. Taylor has produced an enthralling account of an age of fleeting brilliance. “[An] ultimately elegiac narrative with a surprising amount of intellectual and emotional sympathy.” —The New York Times “Engaging . . . Taylor’s skillful reconstruction of the whole hazy time feels like a lasting party favor.” —NPR “Incisive . . . [and] richly detailed.” —The New York Times Book Review “A poignant study of the elusive relationship between art and the social world from whence it springs.” —The New York Observer “[A] splendid social history . . . By placing generational tensions and tenderness center-stage, Taylor gives his book a beating emotional heart.” —Los Angeles Times Book Review “Entertaining and incisive.” —The Boston Globe “Fascinating.” —The Wall Street Journal “Compelling and ultimately touching.” —The Guardian

**The Return of Ellie Black** Emiko Jean,2025-05-13 A USA TODAY Bestseller | An NPR Best Book of 2024 | A Goodreads Best Thriller of 2024 In this “page-turning suspense novel, shrewd character study, and captivating mystery” (Stephen King) Detective Chelsey Calhoun’s life is turned upside down when she gets the call that Ellie Black, a girl who disappeared years earlier, has resurfaced in the woods of Washington state—but her reappearance leaves Chelsey with more questions than answers. It’s been twenty years since Detective Chelsey Calhoun’s sister vanished when they were teenagers, and ever since she’s been searching: for signs, for closure, for other missing girls. But happy endings are rare in Chelsey’s line of work. Then a glimmer: local teenager Ellie Black, who disappeared without a trace two years earlier, has been found alive in the

woods of Washington state. But something is not right with Ellie. She won't say where she's been, or who she's protecting, and it's up to Chelsey to find the answers. She needs to get to the bottom of what happened to Ellie: for herself, and for the memory of her sister, but mostly for the next girl who could be taken—and who, unlike Ellie, might never return. The “haunting and evocative” debut thriller from New York Times bestselling author Emiko Jean, *The Return of Ellie Black* is both a feminist tour de force about the embers of hope that burn in the aftermath of tragedy and a “gripping psychological thriller” (The Seattle Times) that will shock you right up until the final page.
