Primrose and the Dreadful Duke Emily Larkin,2018 A double-award-winning Regency romance featuring an irrepressible duke, a bookish spinster, a devious murderer ... and a dash of magic! Oliver Dasenby is the most infuriating man Primrose Garland has ever known. He may be her brother's best friend, but he has an atrocious sense of humor. Eight years in the cavalry hasn't taught him solemnity, nor has the unexpected inheritance of a dukedom. But when Oliver inherited his dukedom, it appears that he also inherited a murderer. Oliver might be dreadfully annoying, but Primrose doesn't want him dead. She's going to make certain he survives his inheritance—and the only way to do that is to help him catch the murderer! Mano a Mano--Quote, Unquote Dave Save, 2008-03 *Mano a Mano* is a satirical story based on historical events in Zimbabwe, when Robert Gabriel Mugabe transformed himself from the much-loved Prime Minister to a controversial, polarizing figure. Millions of people have left Zimbabwe due to horrific economic times and widespread starvation. The villagers of Maze Wibb who remain behind have no choice but to rely on themselves in their fight for real independence-and soon discover that a good beginning does not guarantee a happy ending. Through sweat and blood, they build a school, hoping to secure a bright future for their children, but it soon becomes clear that the headmaster has other ideas. The book is divided into two parts: the first is a fictionalized account of true events, encompassing comprehensive descriptions of the narrator's life, his country, and his people; The second part weaves a variety of stories into one, creating a dialogue that provides an introspective look into the ways and customs of a culture across the world. This insightful novel is not just about an African country but about the strong and beautiful people who live within its borders and struggle to survive despite the appalling and dangerous conditions that surround them each day.

The Weight Of Death Dipo Toby Alakija, *PLAY ONE: HORROR IN THE FAMILY*: Talimi probably did not envisage his death when he was trying to compel his son, Damola, to succeed him in the occult Brotherhood. Other members of the secret cult were aware of the battle between them. So when Talimi died; his family, especially Damola who was a diehard Christian began to fall prey to the cult. Using all their powers and the spirit that posed as Talimi's ghost, the cult waged war against the family, tormenting and making them to beat their heads. *PLAY TWO: BLOODSHED IN CAMPUS*: Richard's mother

warned him tearfully against joining the bad wagon on campus. He soon encountered a member of The Black Skulls, a deadly secret cult. Before he knew what he was up against, he had been arranged to be initiated. While resisting the initiation, he got the Christian Fellowship involved. The Christians dragged the Students' Union Government (S.U.G) into the conflict. With the involvement of the S.U.G, another cult felt obliged to team up against The Black Skulls and BLOODSHED became the order of the day. PLAY THREE: RITUAL KIDS' KIDNAPPERS: Victor and the rest of the members of the School Bible Club were taught that there are a lot of evil people in this world but he did not understand why God allowed him to be among the children that were taken away from their parents. He soon understood that he was to be used by God to rescue other children who did not know that everyone that truly believes in Jesus has the power to overcome evil. PLAY FOUR: THE WEIGHT OF DEATH: A woe-un would not have known the real source of problems of mankind if his father had not given him the power to see demons tormenting the people in different ways. What he was yet to know, however, was the power of light over darkness. When he was caught in crossfire between these powers, he desperately sought for deliverance.

The Most Dangerous Cinema Bryan Senn, 2013-11-01 People hunting people for sport--an idea both shocking and fascinating. In 1924 Richard Connell published a short story that introduced this concept to the world, where it has remained ever since--as evidenced by the many big- and small-screen adaptations and inspirations. Since its publication, Connell's award-winning *The Most Dangerous Game* has been continuously anthologized and studied in classrooms throughout America. Raising questions about the nature of violence and cruelty, and the ethics of hunting for sport, the thrilling story spawned a new cinematic subgenre, beginning with RKO's 1932 production of *The Most Dangerous Game*, and continuing right up to today. This book examines in-depth all the cinematic adaptations of the iconic short story. Each film chapter has a synopsis, a How Dangerous Is It? critique, an overall analysis, a production history, and credits. Five additional chapters address direct to video, television, game shows, and almost dangerous productions. Photographs, extensive notes, bibliography and index are included.

The Ladies' Repository, 1850 The idea of this women's magazine originated with Samuel Williams, a Cincinnati

Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a peice of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

The Law and Dan Mesa Dan Sears, 2012-07 Through coincidences of fate and personality, some people seem to do the impossible and make it seem easy. Dan Mesa, former teacher and current Arizona Ranger, is just such a man. He never sought to become a hero; it just happened. A key member of the Rangers unit in Tucson, Dan is called on to head east, where he picks up William J. Ranson, transporting him to Arizona to testify against Carlos Meana, a trafficker in illegal aliens and murder for hire. Dan's involvement earns him the notice of an eastern crime syndicate who also has ties in Dan's hometown of Tucson. Suddenly, there's a price on his head but he's not a man to go down without a fight. Despite dealing with the fallout of killing the man who was once his best friend, Dan will protect the people he cares about, including his son and neighbors at all costs. East meets west as the mob comes to Arizona, and only time will tell which will come out on top.
