**Tripplets** Paul Daze,2017-09-05 Preston, California is headed for a staggering shake up unlike no earthquake can create, by virtue of teen identical triplets Terrell, Derrell, and Jerrell Jenkins. However, their road to excellence is paved with many potholes to make their journey jarring and difficult. With each brother having their share of problems, Terrells troubles seem to eclipse the others by far. Being overly good-natured brands him an easy target for public harassment, ridicule, and disregard, and if that wasn't enough, the strong tie he always had with his brothers is quickly unraveling. Terrell feels obligated to preserve unity within the family, since it was the one thing the boys father routinely instilled in them, right up until the time of his mysterious death. As Terrells optimism declines, his discovery of three mystical stones, which grants the brothers with incredible mental powers, is just the remedy to give his diminishing hope an upsurge. The stones were once owned by gifted Asian children, born over two thousand years ago, and identical triplets as well. The vitality of these extraordinary gems establishes a special meaning for both generations of triplets, and sets the course for adventure that will ultimately change the city of Preston and mankind's lives forever.

Send Out Your Light Sandra McCracken, 2021-09-28 In the middle of Psalm 43, God offers us a dynamic invitation: Send out your light. Prolific singer-songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation. This book is written in three parts: part one is the becoming, the creation, how God makes us and gives us an identity. Part two is the disorientation of loss, displacement, and the dark night of the soul. Part three is reorientation, how God brings us through the darkness and illuminates our path with Scripture, sending us out to take his light to others. This has been the shape of Sandra McCracken's life. Through it all, songs and Scripture have been there to light the way, helping her respond to God's call. How will you respond to God's call to send out his light?

Burn Collector Al Burian, 2010-11-15 Burn Collector compiles the first nine issues of Al Burian's sporadically published and widely acclaimed personal zine. Beginning in the mid-nineties, Burian distributed his work through the tight-knit network of the DIY punk music scene. Burn Collector caught on because of its unusual content—in a scene rife with dogmatic political diatribes and bland record reviews, Burian presented his readers with humorous anecdotes, philosophical musings, and nuanced descriptions of odd locales and curious characters, taken mostly from outside of the punk milieu—and also because of the author's narrative voice, which reflected the literary influences of Celine, Henry Miller, or even David Sedaris more than the influence of his contemporaries in the zine world. The writing in Burn Collector blueprinted a post-punk persona that was smart, strange, political but not correct, attached to subculture, but striving also for a connection to the world at large, and to the greater themes of human existence. The book went through six printings, along the way garnering acclaim from readers, inspiring a film (Matt McCormick's 2009, *Some Days are Better than Others*) and a major label album (Thrice's 2003, *The Artist in the Ambulance*). More importantly, the book inspired readers to write and self-publish: to do it themselves, in the true punk spirit.

**This Bird Has Flown** Susanna Hoffs, 2023-04-04 This delightfully funny and steamy novel about music, fate, and love from beloved songwriter and Bangles co-founder Susanna Hoffs is a total knockout and the smart, ferocious rock-star redemption romance you didn't know you needed (New York Times Book Review). *This Bird Has Flown* is SO GOOD. If you liked *Daisy Jones & The Six* or *Juliet, Naked*, I feel like you will love this one. —Taylor Jenkins Reid Jane Start is thirty-three, broke, and recently single. Ten years prior, she had a hit song—written by world-famous superstar Jonesy—but Jane hasn't had a breakout since. Now she's living out of four garbage bags at her parents' house. Rock bottom. But when her longtime manager Pippa sends Jane to London to regroup, she's seated next to an intriguing stranger on the flight—the other Tom Hardy, an elegantly handsome Oxford professor of literature. Jane is instantly smitten by Tom, and soon, truly inspired. But it's not Jane's past alone that haunts her second chance at stardom, and at love. Is Tom all that he seems? And can Jane emerge from the shadow of Jonesy's earlier hit, and into the light of her own? In turns deeply sexy, riotously funny, and

utterly joyful, *This Bird Has Flown* explores love, passion, and the ghosts of our past, and offers a glimpse inside the music business that could only come from beloved songwriter Susanna Hoffs. Hoffs nails the life and heartbreak of rock and roll, academia, and our soul-nourishing connection to our very own soulmate so expertly she must have carved it in Norwegian Wood! And isn't it good! —Tom Hanks A sweet and tender romance—and a valentine to music. —NPR This book will hook you like the best pop song you can't stop playing—something Susanna knows a little something about! —Molly Ringwald This isn't just a book, it's a love song, and it should come as no surprise that Susanna Hoffs has crafted the perfect one to put on your playlist." —Christina Lauren "This book is a blast . . . about art and new beginnings and love and friendship and taking risks, it's such a fun read." —Jasmine Guillory

**Match Play** Jerry Travis, 2004-01-29 Have a quirky multi-millionaire build a quirky golf course in the hills of western Pennsylvania. Then mix in a variety of normal and not-so-normal folks to play golf on that course, and you have the setting for *Match Play*, a novel about bitter rivalries in golf and romance. Shallow Creek Country Club is a course with several deliberately odd designs by its owner and architect, a man who made enough money in ball-bearings during World War II to indulge his fantasies about a golf course that includes one large sand green in honor of his father's memory, a pipe through a fairway hillside for those who want to play a little putt-putt golf, a green with a huge maple in the middle, and an underground cavern that was originally built as a bomb shelter but later turned into a cool stopping-off spot in the middle of a round. The cavern sits beneath one high hill overlooking most of the holes on the course and has a long tunnel leading back to the clubhouse. The story takes place in the late spring and summer of 1986 and is told from the point of view of a young English teacher and low-handicap golfer named Tom MacKenzie. He is romantically involved with his co-worker-counselor, Pat Thompson, as well as one of his graduating seniors, Amy Forrest, and he's not sure how he should handle the situation. Both Pat and Amy are good golfers, Pat about a twelve handicap and Amy a single-digit and getting better all the while. To further complicate things, Pat Thompson is also involved with Roger Burdis, a newly wealthy Floridian who has inherited money from an aunt and returned to Porter, Pennsylvania, to live. Roger Burdis is a borderline psychotic with an almost instant hatred for Tom, or Mac as all his friends call him. They encounter each other in several matches on the golf course, in a poker game in the club house, and in a variety of social situations, all leading up to one final confrontation on the golf course, but not for a golf match a middle-of-the-night match of wits with lives at stake. The plot includes several dashes of humor, a slice or two of sex, several layers of suspense, and enough golf to satisfy any club golfer in the country. And a conclusion as exciting as any Kentucky Derby photo finish.
