

# Jim Morrison Favorite S

**Erika Stalder**

**My Favorite Records** Daniel Braun, 2019-04-11 There are hundreds of records that I have loved over the course of my life. Some of these records have faded into the depths of my subconscious. Fortunately, most of them have stayed with me year after year remaining fresh in my memory, alive in my heart. I compiled my first “Favorites List” in 1983, and it contained about 600 recordings. Most of the records on the original list are still there today. My current list consists of about 900 recordings. And the list is still growing as I continue to be introduced to more music. You may be familiar with Rolling Stone’s 2004 cover story, “The 500 Greatest Songs of All-Time.” This is certainly a comprehensive compendium on the subject, so why should I bother writing this book? Because I’m taking a different approach, a personal approach. There’s a difference between the “greatest songs” as determined by professional music critics, and someone’s “favorite records.” I’m not a music critic or a musicologist. I’m just a guy who loves good music. Nonetheless, I believe my opinions have value because of the strong connection I have with each record. The primary purpose of this book is to draw us together using our favorite music as the catalyst. In the process of getting to know someone, a commonly asked question is: “What kind of music do you like?” His or her answer usually reveals something about their personality. Not only will you learn what my favorite records are, you will learn about me, why I like these songs and how I came to discover them. I’m hoping to create conversations, not only between you and I, but between all American music lovers. Thousands upon thousands of songs have been recorded over the past 60 years. I’ve been an avid listener for most of my life, but there are still a lot of “hidden treasures” out there I’d love to find. I’m hoping you, by sharing your favorites with me, will help me to find them. I’m also hoping that I will inspire you to listen to some of my favorites. There is a treasure trove of great music out waiting to be enjoyed!

Jim Morrison Stephen Davis, 2005-06-16 As the lead singer of the Doors, Jim Morrison’s searing poetic vision and voracious appetite for sexual, spiritual, and psychedelic experience inflamed the spirit and psyche of a generation. Since his mysterious death in 1971, millions more fans from a new generation have embraced his legacy, as layers of myth have gathered to enshroud the life, career, and true character of the man who was James Douglas Morrison. In *Jim Morrison*, critically acclaimed journalist Stephen Davis, author of *Hammer of the Gods*, unmask Morrison’s constructed personas of the Lizard King and Mr. Mojo Risin’ to reveal a man of fierce intelligence whose own destructive tendencies both fueled his

creative ambitions and brought about his downfall. Gathered from dozens of original interviews and investigations of Morrison's personal journals, Davis has assembled a vivid portrait of a misunderstood genius, tracing the arc of Morrison's life from his troubled youth to his international stardom, when his drug and alcohol binges, tumultuous sexual affairs, and fractious personal relationships reached a frenzied peak. For the first time, Davis is able to reconstruct Morrison's last days in Paris to solve one of the greatest mysteries in music history in a shocking final chapter. Compelling and harrowing, intimate and revelatory, *Jim Morrison* is the definitive biography of the rock idol in snakeskin and leather who defined the 1960s.

**Fiddler Magazine's Favorites** Multiple Authors, 2016-06-03 Fiddler Magazine in conjunction with Mel Bay Publications, Inc. has compiled a wonderful collection of tunes and interviews with contributions from 36 of the world's greatest fiddlers. The featured artists are Charlie Acuff, Paul Anastasio, Randal Bays, Byron Berline, Kevin Burke, Vassar Clements, Michael Doucet, Jackie Dunn, J.P. Fraley, Johnny Gimble, Bruce Greene, John Hartford, Richard Greene, Ivan Hicks, Jerry Holland, Olav Johansson, James Kelly, Barbara Lamb, Laurie Lewis, Sandy MacIntyre, Natalie MacMaster, Frankie McWhorter, Bruce Molsky, Juan Reynoso, Dale Russ, Oliver Schorer, Pierre Schryer, Bjorn Stabi, Alicia Svigals, Athena Tergis, & Laura Risk, Jay Ungar, Jean-Marie Verret, Claude Williams, George Wilson and Jennifer Wrigley. Includes access to online audio

**Cantiga's Renaissance Festival Favorites** Robert Bielefeld, 2011-12-06 Players of all kinds of instruments including flute, fiddle, mandolin, recorder, whistle, guitar, harp and more can use this collection of music which is popular at modern renaissance festivals. The music is presented simply, with melody lines and chord symbols, allowing for a wide range of interpretation. In addition to many period dance tunes, the book contains a selection of vocal numbers with lyrics included. Each selection is accompanied by text to suggest ideas for performance, place the music in a modern festival context and provide useful information to those interested in studying historical sources of early music. Cantiga's arrangements of some of the tunes in this book can be heard on the companion recording. They are played at a listening tempo by the ensemble: Wooden flute or recorder, fiddle, cello, harp and percussion.

**Weekly World News**, 1991-04-09 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site.

**Focus On: 100 Most Popular American Rock Songwriters** Wikipedia contributors,

*Anatomy of a Song* Marc Myers, 2016-11-01 "A winning look at the stories behind 45 pop, punk, folk, soul and country classics" in the words of Mick Jagger, Stevie Wonder, Cyndi Lauper and more (The Washington Post). Every great song has a fascinating backstory. And here, writer and music historian Marc Myers brings to life five decades of music through oral histories of forty-five era-defining hits woven from interviews with the artists who created them, including such legendary

tunes as the Isley Brothers' Shout, Led Zeppelin's Whole Lotta Love, Janis Joplin's Mercedes Benz, and R.E.M.'s Losing My Religion. After receiving his discharge from the army in 1968, John Fogerty did a handstand—and reworked Beethoven's Fifth Symphony to come up with Proud Mary. Joni Mitchell remembers living in a cave on Crete with the mean old daddy who inspired her 1971 hit Carey. Elvis Costello talks about writing (The Angels Wanna Wear My) Red Shoes in ten minutes on the train to Liverpool. And Mick Jagger, Jimmy Page, Rod Stewart, the Clash, Jimmy Cliff, Roger Waters, Stevie Wonder, Keith Richards, Cyndi Lauper, and many other leading artists reveal the emotions, inspirations, and techniques behind their influential works. *Anatomy of a Song* is a love letter to the songs that have defined generations of listeners and “a rich history of both the music industry and the baby boomer era” (Los Angeles Times Book Review).

**My Other Heart** Emma Nanami Strenner, 2025-08-05 A missing child, two girls in search of their true identities--a stunning novel of mothers, daughters and best friends In June 1998, Mimi Truong is on her way home to Vietnam when her toddler daughter vanishes in the Philadelphia airport. Seventeen years later, two best friends in Chestnut Hill, Pennsylvania, discuss their summer plans before college. Kit, with the support of her white adoptive parents, will travel to Tokyo to explore her Japanese roots. This dizzying adventure offers her a taste of first love and a new understanding of what it means to belong. Sabrina had hoped to take a similar trip to China, but money is tight. Her disappointment subsides, however, when she meets a bold, uncompromising new mentor who prompts Sabrina to ask questions she's avoided all her life. Meanwhile, Mimi purchases a plane ticket to Philadelphia. She finally has a lead in her search for her daughter. When Mimi, Kit, and Sabrina come face to face, they will confront the people they truly are, in this tremendously moving novel that is propelled to its astonishing climax in a way you will never forget.

Fleetwood Mac All the Songs Olivier Roubin, Romuald Ollivier, 2025-04-01 Fleetwood Mac All the Songs dives deep into the unique and often fraught recording history of the mega-bestselling and hugely influential rock band. Packed with captivating photographs and fascinating behind-the-scenes details, it's a must-have for any music history fan. Fleetwood Mac is the one of the most enduring, endearing, and drama-filled bands in rock history whose triumphs, struggles, and music continue to resonate with generations of listeners. This thorough dissection of every album and every song ever released by the beloved rock group follows the band's many iterations from their self-titled debut in 1968 (when they were known as Peter Green's Fleetwood Mac) to the classic Rumours era featuring the core line-up of Lindsey Buckingham, Mick Fleetwood, Christine McVie, John McVie, and Stevie Nicks, all the way up to the passing of Christine McVie in November 2022. The writing and recording process of each and every track is dissected, discussed, and analyzed by authors Olivier Roubin and Romuald Ollivier, through the band's many breakups and shakeups. Fleetwood Mac All the Songs draws upon years of research to recount the circumstances that led to the composition of every song the band ever wrote, as well as the details behind their in-studio recording process. Also featuring hundreds of photographs, including rare black-and-white publicity

stills, images of instruments used by the band, and engaging shots of the musicians in-studio, this is a must-have book for any true fan of classic rock.

**The Song Reader** Lisa Tucker, 2008-12-09 Mary Beth and her younger sister Leeann are trying to support themselves in their small Southern hometown. So, to make ends meet, alongside her job at the diner Mary Beth works by practicing her own unique talent: 'song reading'. By making sense of the song lyrics people have stuck in their heads, Mary Beth can help them make sense of their lives. In no time, Mary Beth's readings have the entire town singing her praises, including scientist Ben, who falls hard for Mary Beth and her unearthly intuition. But Mary Beth's gift leads her to a secret truth about a prominent neighbour and, as a consequence, the fragile structure of the girls' orphaned life comes tumbling down around them. Each secret seems to domino another until the sisters' whole complex emotional history is laid bare. And without Mary Beth's music the town's silence is louder than ever. Could it be that the lyrics to all those foolish love songs really aren't so foolish after all?

Our Poetical Favorites ,1881

**Lair of the Lizard** E. C. Ayres, 1998-10-15 E.C. Ayres's *Hour of the Manatee* won the St. Martin's Press/Private Eye Writers of America award, and his subsequent P.I. novels, all with an environmental undertone, have garnered nothing but high marks from readers. In the fourth outing for Ayres's Florida P.I., Tony Lowell, the detective travels west to answer an urgent plea from his daughter Ariel. A good friend of Ariel's, a Hispanic woman from Santa Fe, has disappeared and all indications point to foul play. Tony reluctantly agrees to go to Santa Fe to track down the missing woman. Assisted by his old acquaintance P.I. Joshua Croft, and, at Ariel's insistence, a New Age mystic, Lowell soon finds himself in over his head in a situation involving deeply divided cultures, traditions, and a general western mistrust of outsiders. Stubbornly pressing forward, Lowell discovers that the missing woman, Alicia Sandoval, was once married to a violent felon who has continued to stalk her. He then discovers something even more chilling: The felon, a locally popular man, was previously married to a woman who also disappeared, and whose remains have just been found in a high mountain cave. One of the last Sixties holdouts, Tony Lowell is a man with a conscience and a knack for getting embroiled in the most harrowing of situations. Ayres does not disappoint in his latest mystery, and delves deep into the exploration of the rigid Mexican-American traditional mores of the Southwest.

**Fashion 101** Erika Stalder, 2008-05-01 Each year, we spend hours shopping and getting dressed, but do we ever think about what we're wearing? What's the name of the style of your shirt? Who invented your favorite jeans cut? Who made your baby-doll nightie famous? There is a story behind every piece of clothing and with *Fashion 101* you'll learn those stories and more: Where did the miniskirt come from? Why has the military had a stronger influence on fashion than Audrey Hepburn? How do denim makers work those perfect whiskers into your worn-out jeans? Filled with tons of intriguing factoids about

designers and celebrities, and more than 300 illustrations, Fashion 101 offers the total scoop on underwear, outerwear, accessories, and everything in between. With this crash course, you'll learn not only how to put together smarter looks, but also how to become a fashion expert in the process.

**Rock N Roll Gold Rush** Maury Dean, 2003 This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. Hearing Elvis for the first time was like busting out of jail. - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. There's nothing in here to hide from the kids, the clergy or grandma. Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond.

**Memory** Wallace Fowlie, 1990 Wallace Fowlie is known to three generations of students at Duke University for his course in Proust. His observations on the changing interests of college students (Bob Dylan to Jim Morrison, Fellini to Pasolini) are part of this fourth memoir. In Memory, Fowlie brings us once more into his broad range of vision as he examines the offerings of memory, more real to him he tells us than the town in which he now lives. the reader follows his search for words, his early more mystical search for a father-son relationship, his remembering of the small acts that determine life.

I Am the Warrior Holly Knight, 2022-11-29 Holly Knight's singular music career included crafting a good part of the soundtrack to the MTV eighties with mega-hits for Tina Turner ("The Best"), Pat Benatar ("Love Is A Battlefield"), and Patty Smyth ("The Warrior")—songs that celebrated female empowerment and shaped pop and rock for years to come. "Holly Knight wrote some of the best and toughest songs for female artists. Her songs helped pave the way for women in rock. Not to mention a few dudes." —Patty Smyth As a writer and musician, Holly Knight worked hard and played hard with the likes of KISS, Rod Stewart, Bon Jovi, Aerosmith, and Heart. She showed the boys how it was done when many women were still struggling to get a foot in the door. Starting in the late 1970s in post-punk New York, Knight, a gifted keyboardist, joined the band Spider—which quickly ascended to buzzworthy status before things began to disintegrate. Fortunately, her song "Better Be Good to Me" found its way to Tina Turner and became the second single on her landmark solo album, *Private Dancer*, launching Holly into rarified air. Soon she was being sought out to write for other artists in search of the big hit or their lead single. Coinciding with the birth of MTV, Knight's powerful lyrics, hooks, and melodies became a staple on the channel as it exploded into a cultural force. "People who grew up in the eighties tell me that MTV was the soundtrack to their lives. Holly Knight deserves much of the credit. Few songwriters have written such a diverse collection of songs for such a broad range of superstars." —Alan Hunter But it was an often lonely journey to success. Not only was Holly a woman in a male-dominated industry that didn't welcome women warmly into the inner sanctum, she carried with her the baggage of a difficult childhood and a fraught relationship with her mother, the substance of which informed the themes that made her songs so anthemic. *I Am the Warrior* is a story of survival, perseverance, and triumph laced with ample amounts of sex, drugs, and rock 'n' roll. Backstage, onstage, in the studio, and on the road, this book is a revealing, bang-bang tale that welcomes you along for a look back at one of the most adventurous and colorful periods in music history. "I Am the Warrior takes readers on a wild ride through the eighties world of rock 'n' roll from a strong female's perspective. Songwriters Hall of Fame-inductee Holly Knight delivers the goods and stands out as a creative, gutsy woman who made her way through a field dominated by men, ultimately coming out on top. If you love music like I do, this is a must-read!" —Cassandra Peterson (AKA Elvira, Mistress of the Dark)

**Nico, Songs They Never Play on the Radio** James Young, 2013-05-18 \_\_\_\_\_ 'A coolly literary masterpiece' - Greil Marcus, *Esquire* 'Sad, funny, brilliant' - *The Daily Telegraph* 'In classic fish-out-of-water fashion Young writes with wry amusement alongside a fair bit of affection for his icy boss' - *The Times* \_\_\_\_\_ Fully updated with a new introduction, this is the story of Nico, former model, film actress, singer with the Velvet Underground and darling of Andy Warhol's factory, when the world had all but forgotten her. In 1982 Nico was living in Manchester, interested mainly in feeding her heroin habit. Local promoter Alan Wise ('Dr Demetrius') hired musicians, rented a van and set off with the band on a tour of Italy. James Young played keyboards for Nico throughout this period. Over six years, until her death in 1988, Nico toured the

world, encountering poets, artists, gangsters, losers and drifters. Fellow-spirits including John Cale, Allen Ginsberg, Gregory Corso and John Cooper Clarke are among those who appear in this classic memoir of Nico 'the last bohemian'. \_\_\_\_\_  
'Stunning ... Nico is so HERE in this wonderful narrative; I recognized her right away. James Young was the keyboard player in Nico's very insane bande à part on the last tours of her life and is a spectacular writer; let him be your perfect witness from the nomadic court of the once and future goddess of the musical underground' - Danny Fields, friend of Nico, and manager of The Ramones, Iggy Pop and The Stooges

Tokyo New Wave Andrea Fazzari, 2018-03-13 JAMES BEARD AWARD WINNER • Showcasing the new talent of Tokyo's vibrant food scene, Andrea Fazzari profiles 31 chefs who are shaping the future of one of the world's most dynamic cities. In a luxe collection filled with portraits, interviews, and recipes, author and photographer Andrea Fazzari explores the changing landscape of food in Tokyo, Japan. A young and charismatic generation is redefining what it means to be a chef in this celebrated food city. Open to the world and its influences, these chefs have traveled more than their predecessors, have lived abroad, speak other languages, and embrace social media. Yet they still remain distinctly Japanese, influenced by a style, tradition, and terroir to which they are inextricably linked. This combination of the old and the new is on display in Tokyo New Wave, a transporting cookbook and armchair travel guide that captures this moment in Japanese cuisine and brings it to a savvy global audience.

**The (Almost) Complete Hitchhiker in Time** Shawn M. Tomlinson, 2015-11-07 The Hitchhiker in Time columns were the single most popular things ever written by Shawn M. Tomlinson, which honestly doesn't say all that much. All together, they appeared in fewer than 10 newspapers between 1988 and 2001. Well, multiple copies of those newspapers, of course. The highest circulation was approximately 40,000, so not exactly Bob Greene levels. Still, Tomlinson had a following with these columns and to a great extent, they hold up well today. Either that or Tomlinson would like to think so. Many of these columns appeared in chapbooks over the years, but this is the first full collection of them to be in print.
