*The Victorious Kingdom* Richard Booker,2013-01-15 Victory—not gloom and doom! Understanding the Book of Revelation for Today The Book of Revelation is not a book of doom and gloom but rather the story of victory of the Lamb of God and those who follow Him. In this third book in a groundbreaking series, Dr. Richard Booker explains John's vision within its original historical, literary, and biblical context. Written in Dr. Booker's usual clear style, *The Victorious Kingdom* is powerful, prophetic, practical, and personal—ideal for individual or group study. *The Victorious Kingdom*, shares fresh perspectives that include: Reading Revelation within the context of its biblical Jewish roots Learning the historical and spiritual background of the seven churches (congregations) Learning the influence of Greek mythology and Roman imperial cult worship Understanding the Book of Revelation is a three-volume series that helps you see the future by examining the past: Volume 1-The Overcomers, Volume 2-The Lamb and the Seven-Sealed Scroll, and Volume 3-The Victorious Kingdom.

Wilhite,2020-02-20 Building on the work of Tertullian and Paul and The Apostolic Fathers and Paul, this volume continues a series of specially commissioned studies by leading voices in New Testament/early Christianity and patristics studies to consider how Paul was read, interpreted and received by the early Church Fathers. In this volume the use of Paul's writings is examined within the writings of Irenaeus of Lyon. Issues of influence, reception, theology and history are examined to show how Paul's work influenced the developing theology of the early Church. The literary style of Paul's output is also examined. The contributors to the volume represent leading lights in the study of Irenaeus, as well as respected names from the field of New Testament studies.

**An Outline of the End Times** PT Nicholson,2016-12-15 An Outline of the End Times is written by a layperson for laypeople. In an attempt to be comprehensive yet concise and thorough, PT Nicholson explores prophetic scripture in relation to the end times. He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties. Combined with exhaustive scripture references, he uses charts, tables, maps, sketches, and graphs to explain issues and analyse topics as succinctly as possible. About 25 percent of the Bible is prophecy and, according to a well-known and respected scholar on Bible prophecy, John Walvoord, five hundred of one thousand prophetic events remain unfulfilled. Yet many Christians have only a vague notion of how end-time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on

the subject. An Outline of the End Times serves as a reference resource to help meet this need.
