Online Teaching in the Digital Age Pat Swenson, Nancy A. Taylor, 2012-01-18 The essential guide to teaching in a virtual environment *Online Teaching in the Digital Age* provides educators with the essential knowledge needed to successfully develop and teach an online course. Throughout this practical hands-on guide, the authors offer 15 years of personal online teaching experience in language accessible to both the novice and advanced online educator. Developed through theory and practice, the text shows educators how to take the materials used in a traditional classroom and transfer them to a new virtual environment. Additionally, it gives educators the confidence and skills needed to run real-time (synchronous) and time-arranged (asynchronous) online discussions. Most reassuring of all, this book shows that few traditional course elements need to change in order to start teaching online.

Hollywood Online Ian London, 2024-03-07 *Hollywood Online* provides a historical account of motion picture websites from 1993 to 2008 and their marketing function as industrial advertisements for video and other media in the digital age. The Blair Witch Project is the most important example of online film promotion in cinema history. Over the last thirty years only a small number of major and independent distributors have converted internet-created buzz into box-office revenues with similar levels of success. Yet readings of how the film's internet campaign broke new ground in the summer of 1999 tend to minimize, overlook or ignore the significance of other online film promotions. Similarly, claims that Blair initiated a cycle of imitators have been repeated in film publications and academic studies for more than two decades. This book challenges three major narratives in studies about online film marketing: Hollywood's major studios and independents had no significant relationship to the internet in the 1990s; online film promotions only took off after 1999 because of Blair; and Hollywood cashed-in by initiating a cycle of imitators and scaling up corporate activities online. *Hollywood Online* tests these assumptions by exploring internet marketing up to and including the film's success online (Pre-Blair, 1993-9), then by examining the period immediately after Blair (Post-Blair, 2000-8) which broadly coincides with the rise and decline of DVD, as well as the emergence of the social media sites MySpace, Facebook and Twitter.

Watching the Lord of the Rings Ernest Mathijs, 2008 How did audiences across the world respond to the films of *The Lord of the Rings*? This book presents findings from the largest film audience project ever undertaken, drawing from 25,000 questionnaire responses and a wide array of other materials. Contributors use these materials to explore a series of widely

speculated questions: why is film fantasy important to different kinds of viewers? Through marketing, previews and reviews, debates and cultural chatter, how are audiences prepared for a film like this? How did fans of the book respond to its adaptation on screen? How do people choose their favorite characters? How was the films' reception shaped by different national and cultural contexts? The answers to these questions shed fresh light on the extraordinary popularity of The Lord of the Rings and provide important new insights into the global reception of cinema in the twenty-first century.

Year of the Ring Susana Polo, 2024-11-19 Relive the greatest adventure in history through this incredible chronicle of the Lord of the Rings trilogy and its immeasurable impact on pop culture. Gather your fellowship and retrace the remarkable journey from the Shire to Mordor with this detailed and in-depth exploration of Peter Jackson's timeless Lord of the Rings trilogy. From Tolkien's original story to the actors' anecdotal experiences, to its cultural impact on the entire world, this book will captivate every fan of the One Ring. Now, for the first time in history, Polygon's Year of the Ring archive of stories and fandom coverage can be brought home and added to any fan's collection, in this beautifully designed hardcover book. Fans of the One Ring can now easily assess the Year of the Ring's wide range of articles analyzing the deeper meaning of the characters and their journeys, as well detailed conversations about what the movies have meant to the fandom. This fandom manifesto will allow fans to reconnect with their fellowship and relive those special memories of watching the movies and discussing their theories with fellow Ringers. **DOZENS OF FAN-FAVORITE TOPICS:** From fan-theories to cultural studies, there are dozens of topics that every fan of the Lord of the Rings can enjoy and relate to. **PERFECT FOR EVERY TOLKIEN FAN:** This book is a pure celebration of all things related to Lord of the Rings and its history. **STORIES BEYOND THE SHIRE:** New, in-depth stories about the making of the Lord of the Rings that many fans had not heard before!

Teaching English, Language and Literacy Dominic Wyse, Russell Jones, Helen Bradford, 2008 This is a text for students on initial teacher training courses, which covers the theory and practice of teaching English, language and literacy. The book is closely related to the new National Literacy Strategy.

MMOs from the Inside Out Richard A. Bartle, 2015-12-30 This is an astonishing collection of ideas, information, and instruction from one of the true pioneers of Massively-Multiplayer Online Role-Playing Games. *MMOs from the Inside Out: The History, Design, Fun, and Art of Massively-Multiplayer Role-playing Games* speaks to the designers and players of MMOs, taking it as axiomatic that such games are inspirational and boundless forces for good. The aim of this book is to enthuse an up-coming generation of designers, to inspire and educate players and designers-to-be, and to reinvigorate those already working in the field who might be wondering if it's still all worthwhile. Playing MMOs is about fun, immersion, and identity. Creating MMOs is about imagination, expression, and art. MMOs are so packed with potential that today's examples are little more than small, pioneering colonies on the shore of a vast, uncharted continent. What wonders wait beyond the horizon? What treasures will explorers bring back to amaze us? *MMOs from the Inside Out* is for people with a spark of

creativity: it pours gasoline on that spark. It: Explains what MMOs are, what they once were, and what they could – and should – become. Delves into why players play, and why designers design. Encourages, enthuses, enrages, engages, enlightens, envisions, and enchants. Doesn't tell you what to think, it tells you to think. What You Will Learn: Myriad ways to improve MMOs – and to decide for yourself whether these are improvements. What MMOs are; who plays them, and why. How MMOs became what they are, and what this means for what they will become. That you have it in you to make MMOs yourself. Whom This Book is For: MMOs from the Inside Out is a book for those who wish to know more about game design in general and MMO design in particular. It's for people who play MMOs, for people who design MMOs, and for people who study MMOs. It's for people with a yearning to see beyond the world around them and to make manifest the worlds of their imagination.

Tolkien in the Twenty-First Century Nick Groom, 2023-09-05 An original and thought-provoking reassessment of J. R. R. Tolkien's world, revealing how his visionary creation of Middle-Earth is more relevant now than ever before. What is it about Middle-Earth and its inhabitants that has captured the imagination of millions of people around the world? And why does Tolkien's visionary creation continue to fascinate and inspire us eighty-five years after its first publication? Beginning with Tolkien's earliest influence—and drawing on key moments from his life, *Tolkien in the Twenty-First Century* is an engaging and vibrant reinterpretation of the beloved author's work. Not only does it trace the genesis and inspiration for the original books, but the narrative also explores the later film and literary adaptations that have cemented his reputation as a cultural phenomenon. Delving deep into topics such as friendship, failure, the environment, diversity, and Tolkien's place in a post-Covid age, Nick Groom takes us on an unexpected journey through Tolkien's world, revealing how it is more relevant now than perhaps Tolkien himself ever envisioned.

The Stephen King Companion George Beahm, 2015-10-06 Shares information on the life of Stephen King, including his personal life, analysis of his professional works, and interviews with friends and colleagues.

The Two Jerusalems Matthew Wiseman, 2024-09-16 The moving story of a young man's amazing journey to discover the roots of the Christian faith in the Ancient Near East, which led him from Protestantism through the Messianic movement and into the Catholic Church. This journey took him to the rainforest of Papua New Guinea, the Nożyk Synagogue in Warsaw, and the Judean Desert and into the heart of ancient and medieval Jewish tradition: the Hebrew Bible. Along the way, he met a cast of odd and wonderful characters, false prophets, and saintly Catholics who taught him about God, Scripture, and prayer. His steps were dogged throughout by God's strange, providential provisions, despite his human blindness. At the heart of the ancient faith, much to his surprise, he discovered what a billion people across the world already know and live: the Catholic faith. Through it all, Matthew Wiseman's relentless desire for truth and consistency kept him searching until he discovered the beauty ever ancient, ever new. His powerful story is like a course in fundamental theology, in compelling narrative form.

The Broken Village Daniel R. Reichman, 2011-11-15 In *The Broken Village*, Daniel R. Reichman tells the story of a remote village in Honduras that transformed almost overnight from a sleepy coffee-growing community to a hotbed of undocumented migration to and from the United States. The small village—called here by the pseudonym La Quebrada—was once home to a thriving coffee economy. Recently, it has become dependent on migrants working in distant places like Long Island and South Dakota, who live in ways that most Honduran townspeople struggle to comprehend or explain. Reichman explores how the new migration economy has upended cultural ideas of success and failure, family dynamics, and local politics. During his time in La Quebrada, Reichman focused on three different strategies for social reform—a fledgling coffee cooperative that sought to raise farmer incomes and establish principles of fairness and justice through consumer activism; religious campaigns for personal morality that were intended to counter the corrosive effects of migration; and local discourses about migrant greed that labeled migrants as the cause of social crisis, rather than its victims. All three phenomena had one common trait: They were settings in which people presented moral visions of social welfare in response to a perceived moment of crisis. *The Broken Village* integrates sacred and secular ideas of morality, legal and cultural notions of justice, to explore how different groups define social progress.

Research Anthology on Fandoms, Online Social Communities, and Pop Culture Management Association, Information Resources, 2022-01-28 The internet has grown to become one of the largest communication hubs in history. With its ability to share content and create community bonds, it has seen many fandoms and online social communities develop within the past decades. While there are some detriments to these communities, there are also many benefits and potential uses for the betterment of society. *The Research Anthology on Fandoms, Online Social Communities, and Pop Culture* explores the ways in which the internet has presented itself as a platform for communities to gather. This essential reference source discusses the engagement of these communities, social media use, and the uses of these communities for education. Covering topics such as digital communities, transmedia language learning, and digital humanities, this book is a vital tool for educators of K-12 and higher education, digital folklorists, sociologists, communications researchers, online administrators, community leaders, and academicians.

How to Design and Deliver Training for the New and Emerging Generations Susan El-Shamy, 2004-05-07 This much-needed resource helps trainers cut through the jungles of their own generational learning habits and clear a path to the emerging generations of learners. *How to Design and Deliver Training for the New and Emerging Generation* gives “old-school” trainers the tools they need to change their training style^{3/4}from linear to random access, trainer-centered to learner-centered, text-oriented to graphics-oriented, and so forth^{3/4}and accomplish this transition with ease. Author Susan El-Shamy, an international training expert, shows you how to create training sessions that will pick up the pace, increase interaction, link to the learner, offer options, and make learning fun. *How to Design and Deliver Training for the New and*

Emerging Generations is an innovative resource that · Translates generational differences into strategies, techniques, and tips for designing and delivering training · Describes five key needs of learners from the emerging generations · Shows how to design and deliver training that meets the needs of younger learners · Presents hundreds of engaging tips, tricks, and simple techniques · Contains quotes and comments from the “Nintendo” generation of learners · Presents user-friendly call-outs, checklists, and quick tips · Offers twenty innovative games on a variety of topics designed to engage learners of all ages

The Frodo Franchise Kristin Thompson,2007-08-27 In this study of Peter Jacksons film adaptation of J.R.R. Tolkiens The Lord of the Rings trilogy, Kristin Thompson demonstrates the impact the trilogy has had on the companies that made it, on the fantasy genre, on New Zealand, and on independent cinema, and looks at how the trilogy is regarded as one the most important films ever made.

Dungeons, Dragons, and Digital Denizens Gerald A. Voorhees,Joshua Call,Katie Whitlock,2012-02-16 Dungeons, Dragons, and Digital Denizens is a collection of scholarly essays that seeks to represent the far-reaching scope and implications of digital role-playing games as both cultural and academic artifacts. As a genre, digital role playing games have undergone constant and radical revision, pushing not only multiple boundaries of game development, but also the playing strategies and experiences of players. Divided into three distinct sections, this premiere volume captures the distinctiveness of different game types, the forms of play they engender and their social and cultural implications. Contributors examine a range of games, from classics like Final Fantasy to blockbusters like World of Warcraft to obscure genre bending titles like Lux Pain. Working from a broad range of disciplines such as ecocriticism, rhetoric, performance, gender, and communication, these essays yield insights that enrich the field of game studies and further illuminate the cultural, psychological and philosophical implications of a society that increasingly produces, plays and discourses about role playing games.

#810 HCA New York Comic and Comic Art Ivy Press,2004

Girls on the Edge Leonard Sax,2011-07-12 A parenting expert reveals the four biggest threats to girls' psychological growth and explains how parents can help their daughters develop a healthy sense of self. In *Girls on the Edge*, psychologist and physician Leonard Sax argues that many girls today have a brittle sense of self-they may look confident and strong on the outside, but they're fragile within. Sax offers the tools we need to help them become independent and confident women, and provides parents with practical tips on everything from helping their daughter limit her time on social media, to choosing a sport, to nurturing her spirit through female-centered activities. Compelling and inspiring, *Girls on the Edge* points the way to a new future for today's girls and young women.

Get A Life...Online Mighty Rasing,2015-09-15 Bad yan! sabi ng ilan. Dapat daw iwasan ang Internet. Pero halos lahat ng bagay sa buhay natin ay ginagawa online. The Writer's Devotional Amy Peters, 2012-03-06 Whether you're writing fiction or nonfiction, screenplays or poetry, or simply trying to keep a more compelling journal or blog, this invaluable volume, filled with 365 inspiring quotations and informative tutorials, will get your creative juices flowing. Each day of the week focuses on a different aspect of the writing life, from the business of writing, to the nuts and bolts of editing, to tips and tricks for getting past writers block.

3 Minute JRR Tolkien: A Visual Biography of The World's Most Reve, 2013-01-28 As Peter Jackson's cinematic hobbits set forth, 3-Minute Tolkien celebrates the enduring influence of the world's most revered fantasy writer. It offers a readable, absorbing structure, dividing J.R.R. Tolkien's life and cultural contribution into 60 neat portions, every one digestible in a mere three minutes: 20 mini-sections each on Life, Work and Influence. From a childhood inventing new languages in the sylvan landscape of the Severn valley, through a First World War that saw him witness the horrors of the Somme, to academic success founded on a passion for Old English tales, we trace Tolkien's life and look at the way in which it informs his creation of imaginary worlds so intricately mapped that modern readers, writers and artists continue to explore them in a quest for their myths, monsters and meaning.

Where the Shadows Lie Michael Ridpath, 2011-02-01 Amid Iceland's wild, volcanic landscape, rumors swirl of an 800-year-old manuscript inscribed with a long-lost saga about a ring of terrible power. A rediscovered saga alone would be worth a fortune, but, if the rumors can be believed, there is something much more valuable about this one. Something worth killing for. Something that will cost Professor Agnar Haraldsson his life. Untangling murder from myth is Iceland-born, Boston-raised homicide detective Magnus Jonson. Seconded to the Icelandic Police Force for his own protection after he runs afoul of a drug cartel back in Boston, Magnus also has his own reasons for returning to the country of his birth for the first time in nearly two decades—the unsolved murder of his father. And as Magnus is about to discover, the past casts a long shadow in Iceland. Binding Iceland's landscape and history, secrets, and superstitions in a strikingly original plot that will span several volumes, *Where the Shadows Lie* is the first in a thrilling new series from an established master.
