What Am I Here For? Martin C. Bala, 2024-03-18 We all go through life with similar struggles and desires, but not everyone follows their childhood dreams, not everyone is successful, or at least feels that way. There are also moments in your life when something unusual happens. An accident, a health problem, or something bigger than your job, your career. In those moments, life loses its meaning and you start to think: Is what I am doing now all there is? Is this what I dreamed of as a child? What am I here for? Similar questions have been on my mind for more than two decades of my life, and I have found answers that I am willing to share with you in this book. People who are truly successful do things differently than most, and it is not too late for you to learn what they know. Without finding your purpose, true success can be very difficult to achieve. It is never too late to change the way you think, to act differently, and to make a difference. Everyone needs to believe in something, even if it is only in their own abilities. I invite you on an exciting journey of self-discovery and the beginning of a new phase of your life. What you will find in this book is a great insight into the psychology of who you are and a different perspective on widely accepted truths. It will teach you how to work on yourself and apply the knowledge you find to your own life. I've turned my life around, and so can you. You already have what you need. Find out how you can live the life of your dreams! The world of subjective contrast and compassion Is a false world, built entirely By each person's imagination. Nothing is as it seems..." ~ Zen proverb

Inside a Police Informant's Mind Paul Derry, 2020 Written by a former informant, Inside a Police Informant's Mind presents an honest account of the role, risks, and motives of police informants. It chronicles the relationship and course of

events between the author and a Royal Canadian Mounted Police commissioner. The author provides a fascinating insider's perspective on the working relationship between an informant and those in law enforcement who handle informants. The book gives balanced insight into the thoughts of both the police and the informant, addressing the hazards of manipulation by both parties. It highlights the importance of trust, communication, and understanding as means to bridge those hazards. Also, it demonstrates the difficult shift in lifestyle being an informant entails. After testifying in court, Paul Derry's life was placed at high risk of retribution, necessitating his entry into a witness protection program. He reflects upon the process of entering a witness protection program and life afterward, not only for himself but also for his family. This autobiographical account is a must-read for police officers and informant handlers and is an especially useful source for intelligence gathering. The vivid, real-life accounts of *Inside a Police Informant's Mind* are as revelatory as they are engrossing. It is a great addition to any collection of books on law enforcement and criminal justice. Table of Contents: Foreword Introduction: The Making of an Informant Part One: Inside an Informant's Mind 1. *Pan-Africanism: Political Philosophy and Socio-Economic Anthropology for African Liberation and Governance* Kini-Yen Kinni, 2015-09-04 This Book is the outcome of a long project begun thirty years ago. It is a book on the makings of pan-Africanism through the predicaments of being black in a world dominated by being white. The book is a tribute and celebration of the efforts of the African-American and African-Caribbean Diaspora who took the initiative and the audacity to fight and liberate themselves from the shackles of slavery. It is also a celebration of those Africans who in their own way carried the torch of inspiration and resilience to save and reconstruct the Free Humanism of Africa. As a story of the rise from the shackles of slavery and poverty to the summit of Victors of their Renaissance Identity and Self-Determination as a People, the book is the story of African refusal to celebrate victimhood. The book also situates women as central actors in the Pan-African project, which is often presented as an exclusively masculine endeavour. It introduces a balanced gender approach and diagnosis of the Women actors of Pan-Africanism which was very much lacking. The problem of balkanisation of Africa on post-colonial affiliations and colonial linguistic lines has taken its toll on Africa's building of its common identity and personality. The result is that Africans are more remote to each other in their pigeon-hole-nation-states which put more restrictions for African inter-mobility, coupled by education and cultural affiliations, the communication and transportation

and trading networks which are still tied more to their colonial masters than among themselves. This book looks into the problem of the new wave of Pan-Africanism and what strategies that can be proposed for a more participatory Pan-Africanism inspired by the everyday realities of African masses at home and in the diaspora. This book is the first book of its kind that gives a comprehensive and multidimensional coverage of Pan-Africanism. It is a very timely and vital compendium.

**Honey and Spice** Bolu Babalola, 2022-07-05 INSTANT NATIONAL BESTSELLER • A REESE'S BOOK CLUB PICK • A TIKTOK BOOK CLUB PICK Sexy, messy and wry, *Honey and Spice* more than delivers. — New York Times Book Review A vibrant debut novel . . . Babalola is incisively funny, capturing the kick and sweetness of her title with her words. — Entertainment Weekly Named a Best Book of the Year by Time • Esquire • Vanity Fair • Oprah Daily • Cosmopolitan • Elle • Harper's Bazaar • Southern Living • BuzzFeed • Women's Health Magazine • AudioFile • Popsugar • and more! Introducing internationally bestselling author Bolu Babalola's dazzling debut novel, full of passion, humor, and heart, that centers on a young Black British woman who has no interest in love and unexpectedly finds herself caught up in a fake relationship with the man she warned her girls about Sweet like plantain, hot like pepper. They taste the best when together... Sharp-tongued (and secretly soft-hearted) Kiki Banjo has just made a huge mistake. As an expert in relationship-evasion and the host of the popular student radio show Brown Sugar, she's made it her mission to make sure the women of the African-Caribbean Society at Whitewell University do not fall into the mess of "situationships", players, and heartbreak. But when the Queen of the Unbothered kisses Malakai Korede, the guy she just publicly denounced as "The Wastemen of Whitewell," in front of every Blackwellian on campus, she finds her show on the brink. They're soon embroiled in a fake relationship to try and salvage their reputations and save their futures. Kiki has never surrendered her heart before, and a player like Malakai won't be the one to change that, no matter how charming he is or how electric their connection feels. But surprisingly entertaining study sessions and intimate, late-night talks at old-fashioned diners force Kiki to look beyond her own presumptions. Is she ready to open herself up to something deeper? An unorthodox defense attorney seeks to manipulate manipulation itself as a tiger in the political jungle that 'lyin' teamwork has become. Book 1 All rise in the courtroom for a cozy whodunit murder mystery, a case the media calls The Mic Drop. Controversial rap star Flex switches lawyers for the new metaphorical war king Miles Turner and The Jury Whisperer Tana Lynn to beat this all-or-nothing charge. Judge Mintall presides in a whodunit range from Flex to premeditated rap rival Second Degree, from The Shenanigans to a political dilemma known as a Rebellious Shadow, the Clue Queen herself, and an unusual delivery service for couples breaking up! Or will this criminal defense firm, compared to 'a street fight on a chessboard,' once again prevail with an unorthodox lawyer's audacity to manipulate manipulation itself? "When awareness wins, we don't have to lose each other" - Jwyan C. Johnson Book 2 After DNA evidence is lost, a domino-effect of politics becomes a trial sure to set two defendants free on technicality. But defendant Barry Sych turns into a murder mystery one day before trial. And legal fingers are pointing at their very own prosecutor! Conspiracy becomes its own trial, charging a top attorney and a crime-rhyming poet. A videotape with mysteriously missing audio causes a once celebrated prosecutor to experience her greatest defense attorney rival, now as their client. Karma's Twist is a courtroom handshake, between both sides, to defeat both political nightmares: innocence punished and justice not served. It's another 'street fight on a chessboard' with courtroom war-king Miles Ahead, the Jury Whisperer, a top prosecutor, a Mirror with Hallucinations, and the Checkmate Queen. As trial is set for Conspiracy, is the law finally catching up to serial killer Karma? Or will its players find themselves too close to its target than anyone is ready to realize? Book 3 Ride shotgun, with courtroom war king Miles Ahead, in a collision mystery that ended cable news host: The Chaos King. Miles Turner switches lanes, to civil trial, as attorney Sue A. Lott is seeing red in a 'yellow light' making others turn green... with envy. But what are the real twists and turns in Ally Rhodes? Feel the impact of an outsmarted Smart Alec and a not-so-Silent Knight. The Collision's Alibi is a cozy whodunit mini-mystery of chain letters, a bar fight, conspiracy claims, and the invasive ways of The Chaos King himself! But will a legal handshake between both sides reveal the real 'drive' behind it all? Book 4 It's another 'street fight on a chessboard' as Criminal Justice leads a coin-toss, exploring the flip sides of Pretty Penny, Lucky Penny, and Penny Saver. One prosecutor believes just one Penny makes 'sense.' With her defense attorneys, Miles Ahead and The Jury Whisperer, it's a courtroom war sure to collect every penny and 'make change.' With forbidden affairs, a Mental Girlfriend, and a mysterious diary, trial is set for Mya Penny. For awareness to win, it must reveal more than a Juliet tattoo. My Mental

Girlfriend is a 'penny for your thoughts' in a cozy murder mystery. Its whodunit collection ranges from a missing boyfriend, to a stepmom, from the biological mother, to even the victim herself with a Romeo & Juliet self-infliction! "Only a poor heart will nickel-and-dime a penny" – Jwyan C. Johnson Book 5 Only a window knows if Robin Moore was robbin' more! With no things stolen, and one gunshot in the dark, was this really dad's burglary to steal child custody? And why is this little girl still missing? The seniority of suspicion attracts the legal fight in Miles Turner and The Jury Whisperer for another 'street fight on a chessboard.' With an unlikely helper, can Miles put puzzle pieces together to reveal a 'window of opportunity?' Are there family pieces in this puzzle that simply don't fit together? And should this trial start with the 'puzzle end piece?' Climb inside The Window's Puzzle for a trial of priorities, a criminal past, redemption, The Joneses, and Another Man's Treasure. Join the jury to see if a complete puzzle reveals reasonable doubt... and much more."
