## Chuck Waldron

Remington and the Mysterious Fedora Chuck Waldron, 2011-04-06 Surprise is in store when, in the back of a strange used goods store, Josh finds an old Remington typewriter and a fedora with some very mysterious powers. As Josh embarks on his first novel writing adventure, he finds that his new hat has its own story to tell - of a time before history began - and is quite demanding of Josh's attention. As the story consumes him, Josh's life begins to unravel, and he soon finds he is unable to separate himself from the hat and the story. When the last page is written, Josh is left with more questions than answers...both about the story and his own life.

**The Hobo Diaries** Holly Nadler, 2022-12-06 You can idyll for decades on a gorgeous island, comfy, safe and warm, immersed like a Medieval mystic on a life-long spiritual path, and all of a sudden it feels as if you've been dumped on a water slide with a sign that reads: This life is out of your price range, sweetheart! Splash!! . . Where ya gonna live? In the spring of 2018 writer / reporter Holly Nadler gave up her year-round apartment on Martha's Vineyard even as everyone cried out, "Don't do it! You'll never find another one!" And they were right! Follow her around the Vineyard with her dear old thug of a Boston terrier as she lodges in a lilac-walled cottage which is enchanting except for the fact that it has no running water. After that come several seasons with her impossible and dementing 98 year-old mother in Palm Desert CA, a month in Edinburgh where she's banished from a retreat on the Holy Isle, then back on the Vineyard for what she comes to think of as another Summer of Discombobulation. Is it possible to be a hobo and be happy? Well, yeah, as long as you can make people laugh as you write about it. And does it help redefine your spiritual path? Well, sure, because you're a life-long seeker, and you'll never lose sight of the Divine . . . see it? It's just around the next bend in the road. Or the next one?
