Conveyance of Eternal Love Christine J. Haven,2007-12-01 Conveyance of Eternal Love is God's Love to humanity. God does not demand us or need us to worship Him. You are the one who picked up Conveyance of Eternal Love, no one is forcing you to read it because God does not dominate His Children. From the fall of 1996 until the fall of 2004, David A. Haven studied under the Angels Joleen, Gabrael, Michael and Jesus, where he received his Master's Degree from God. Whereas, each of us are in the exact location of time where we are to be in life, and at this place where each individual are seeking their Creator as intended in God's Master Plan. Conveyance of Eternal Love is the in-depth studies of the similarities and differences between Judah, Christianity and Muslim Religion as quoted from other authors as their words line up with God's Concepts of Life. God's words inspired Dave, and this book is delivered to you through his communications with God's Angels.

But Deliver Us from Evil Lauri Kubuitsile,2019-05-01 It is 1871 and Nthebolang and her mother must flee their home: her father has been accused of witchcraft and sentenced to death. For months they walk, sleeping in the open, living off the veld, until they are offered shelter in Ntsweng in the kingdom of Kgosi Sechele I. It is there, years later, that Nthebolang meets Beatrice, the wife of a cruel English missionary, and a woman who has had her share of perilous escapes. As a young girl, this light-skinned Koranna woman was mistaken for a kidnapped white child and bundled off to a mission station. After all this time, Beatrice still carries her father's gift, a hunting knife, concealed under her clothing. But things are not settled in Ntsweng, where traditional beliefs and Christianity clash. The turmoil of Nthebolang's childhood repeats itself when her beloved Motsumi is suspected of witchcraft. Will she be able to save him, or will he meet the same fate as her father? And is Beatrice a friend in whom she should place her trust? Lauri Kubuitsile's But Deliver Us from Evil is at once a sensitive human drama and a chilling tale of evil power plays. Bringing to life a little-known yet fascinating pocket of Botswana's colonial history, it is a story of struggle and belief, hatred and love.

Survivor's Game David Karmi,2017-05-20 A heart-wrenching true story of one young man's journey into, through, and out of the Holocaust. Some people have a knack for survival, for getting out of jams. Twelve-year-old David Karmi found himself face to face with the ultimate test. With his homeland consumed by fear, David entered a world of human slaughter. Whole towns were vaporized. Cities obliterated in firestorms. More than fifty million people died—twelve million either gassed, shot, hanged, worked to death or subjected to biological experiments. David survived. Separated from his parents and siblings, David Karmi was hurled into a nightmare of death camps, forced marches, sickness, violence and depravity. On his own, through the tortuous months that followed, he endured. He is a survivor of Auschwitz, Dachau, and the Warsaw Ghetto. He endured forced marches, starvation, and even persecution after the Allies freed him from the camps. This is a story of strength, courage, some luck - and an amazing man, told in his own words. It is the biography of a survivor. PRAISE FOR SURVIVOR'S GAME: "[Karmi's debut forgoes] the despair employed by Primo Levi and Elie Wiesel, instead echoing the optimism of Anne Frank...Eminently readable and largely remarkable." —Kirkus Reviews 'Some people have a knack for survival, for getting out of jams.' Karmi is one of those, and he faces the ultimate test as a young teen in Nazi-occupied Europe as he and his family are deported to Auschwitz. —Publishers Weekly Survivor's Game reads not so much like a memoir but a novel, replete with tension, drama, and twists and turns. Recommended. —Midwest Book Review This is a story we all need to know...the cost of forgetting is too high. —New York Times best-selling author Maya Kaathryn Bohnhoff

The Grace of Being Human R Gordon Zyne,2025-05-15 Radical Christian Humanism is a rich, spiritually grounded philosophy that combines the dignity and worth of every human being with a radical commitment to justice, compassion, and the transforming love of Christ. It is deeply rooted in Christian theology but pushes beyond conventional religiosity to engage the full reality of human existence—especially the suffering, the marginalized, the oppressed, and the forgotten. It's radical not because it's extreme or rebellious for its own sake, but because it goes to the root (from Latin radix) of what it means to be human in God's image — and what it means to live that truth in the world. The “Meditations of Harmony and Dissonance” are complementary to the affirmations and commitments of Radical Christian Humanism. They are like Zen Koans or poems from the Desert Fathers. They do not close like doors or resolve like symphonies. They drift like smoke from a censer held by a blind angel in a forgotten chapel. They speak in tongues of wind and thunder, laughter and sobbing. And through it all — harmony, dissonance — the One Voice murmurs: Be human. Be holy. Be still.
