*The Project* Courtney Summers, 2021-02-02 *The Project* is a pulls-no-punches story from New York Times bestselling and Edgar Award winning author Courtney Summers, about an aspiring young journalist determined to save her sister no matter the cost. The #1 Indie Next Pick and winner of the International Thriller Writers Award. *BELIEVE HIM, BETRAY HER* 1998: Six-year-old Bea doesn't want a sister but everything changes when Lo is born early. Small and frail, Lo needs someone to look out for her. Having a sister is a promise, Mom says—one Bea's determined not to break. 2011: A car wreck, their parents dead. Lo would've died too if not for Lev Warren, the charismatic leader of The Unity Project. He's going to change the world and after he saves Lo's life, Bea wants to commit to his extraordinary calling. Lev promises a place for the girls in the project, where no harm will ever come to them again . . . if Bea proves herself to him first. 2017: Lo doesn't know why Bea abandoned her for The Unity Project after the accident, but she never forgot what Bea said the last time they spoke: We'll see each other again. Six years later, Lo is invited to witness the group's workings, meet with Lev, and—she hopes—finally reconnect with her sister. But Bea is long gone, and the only one who seems to understand the depths of this betrayal is Lev. If it's family Lo wants, he can make her a new promise . . . if she proves herself to him first. Powerful, suspenseful and heartbreaking, *The Project* follows two sisters who fall prey to the same cult leader—and their desperate fight back to one another.

*Wake the Wild Creatures* Nova Ren Suma, 2025-05-06 This extraordinary, timely, and must-read novel from #1 New York Times bestselling author Nova Ren Suma explores freedom and rage as a young woman plots her way back to her hidden mountaintop home after her mother's arrest for murder. Three years ago, Talia lived happily in the ruins of the Neves, a once-grand hotel in the wilds of the Catskill Mountains, with her mother Pola and their community of like-minded women. Some came to the Neves to escape cruel men, others to hide from the law, but all found safety and connection in their haven high above civilization, cloaked by a mysterious mist that kept intruders away. But as their numbers grew, complications followed, and everything came crashing down the night electric lights pierced the forest. Uniformed men arrested Pola, calling her a murderer and a fugitive, and Talia was taken away. Now sixteen, Talia has been forced to live with family she barely knows and fit into a world scarred by misogyny, capitalism, disconnection from nature . . . everything the women of the Neves stood against. She has one goal: to return to the Neves. But as Talia awaits a signal from her mother, questions arise. Who betrayed her community, and what is she avoiding about her own role in its collapse? Is it truly magic that keeps the hotel so hidden? And what does it mean to embrace being her mother's daughter? With the help of an unexpected ally, Talia must find her way to answers, face a mother who's often kept her at arm's length, and try to reach the refuge she lost—if the mist hasn't swallowed her path home. Fierce and lyrical, unsettling and tender, *Wake the Wild Creatures* marks

the long-awaited return of one of the most distinctive voices in young adult literature.

The Fictional Dimension of the School Shooting Discourse Silke Braselmann, 2019-06-17 Ever since the 1990s, school

shootings have shocked the public in their brutality, their suddenness, and their inexplicability. While film and literature have played a role in the heated debates about so-called copycat crimes, the growing body of fictionalizations of school shootings has been neglected thus far. However, in a discourse in which the boundaries between fiction and reality are increasingly blurred, this book shows how fiction shapes and structures, challenges and disrupts cultural processes of meaning-making. Hence, for a better understanding of the school shooting phenomenon, the relevance of fiction on all levels of discourse construction requires thorough analysis. This book therefore develops a new approach to the role of fiction for contemporary forms of excessive violence. By combining narrative theory with insights from sociology and other disciplines, it provides the means for apprehending and describing the relevance of fiction for contemporary discourses. Furthermore, it provides exemplary analyses of more specific functions of literary and filmic fictionalizations of school shootings between 2000 and 2016.

*The Left Side of History* Kristen Ghodsee, 2015-04-26 In *The Left Side of History* Kristen Ghodsee tells the stories of partisans fighting behind the lines in Nazi-allied Bulgaria during World War II: British officer Frank Thompson, brother of the great historian E.P. Thompson, and fourteen-year-old Elena Lagadinova, the youngest female member of the armed anti-fascist resistance. But these people were not merely anti-fascist; they were pro-communist, idealists moved by their socialist principles to fight and sometimes die for a cause they believed to be right. Victory brought forty years of communist dictatorship followed by unbridled capitalism after the fall of the Berlin Wall in 1989. Today in democratic Eastern Europe there is ever-increasing despair, disenchantment with the post-communist present, and growing nostalgia for the communist past. These phenomena are difficult to understand in the West, where “communism” is a dirty word that is quickly equated with Stalin and Soviet labor camps. By starting with the stories of people like Thompson and Lagadinova, Ghodsee provides a more nuanced understanding of how communist ideals could inspire ordinary people to make extraordinary sacrifices.
