Reconnecting with Your Estranged Adult Child Tina Gilbertson, 2020-05-05 Parents whose adult children have cut off contact wonder: How did this happen? Where did I go wrong? What happened to my loving child? Over time, holidays, birthdays, and even the birth of grandchildren may pass in silence. Anguish may turn into anger. While time, in and of itself, does not necessarily heal, actions do, and while every estrangement includes situation-specific variables, there are practical, effective, and universal techniques for understanding and healing these not-uncommon breaches. Psychotherapist Tina Gilbertson has developed these techniques and tools over years of face-to-face and online work with parents, who have found her strategies transformative and even life-changing. Gilbertson cuts through the blame, shame, and guilt on both sides of

the broken relationship. Parents will feel heard and understood but also challenged — and guided — to reclaim their role as “tone setter” and grow psychologically. Exercises, examples, and sample scripts empower parents who have felt powerless. Gilbertson shows that reconciliation is a step-by-step process, but the effort is well worth it. It is never too late to renew relations and experience better-than-ever bonds.

Standing Out Robert N. Jacobs, 2024-01-04 Standing Out - it's not just a phrase, but an ethos that calls for distinguishing oneself from the crowd. Yet, true distinction goes far beyond the superficial aspects like eccentric hairstyles or bold fashion choices. It is anchored in the depth of your character, the strength of your values, and how these are mirrored in your actions. In the journey of life, standing out for the right reasons is synonymous with upholding high moral standards and values. In a world where such virtues are seemingly diminishing, preserving them becomes your beacon of strength. It's about being remembered for the right reasons, leaving a lasting impression of integrity and excellence in your wake. Whether it's a job interview or a first date, making a positive, lasting impression can be a game-changer. Your conduct, your demeanour, and most importantly, your ethical principles frame the way others perceive you. Your reputation, intrinsically tied to your name, is moulded by these impressions. The intriguing aspect of reputation is its extensive influence; it can precede you, shaping perceptions even among those who haven't met you. Are you prepared to Stand Out? Not just on the surface, but in a deeply significant manner that aligns with your high standards and moral values? In a time of moral erosion, standing out for the right reasons doesn't only fuel your professional success, it also enhances your personal life. Allow this book to steer you on this transformative journey, empowering you to leave a lasting mark on the world.

The Principle Centered Life Wil Watson,2008-11-19 The book presents thirteen paradoxical and thought-provoking principles that generate positive living. The following topics are discussed in an interesting manner, including real-life illustrations, humor, and insightful quotations: Living, Coping, Achieving, Overcoming Failure, Giving, Investing, Serving, Praying, Forgiving, Loving, Aging, Believing, and Worshipping. The fundamental thesis of the book is that we are not equipped for successful living unless we have some inner core principles to give us guidance. That's the symbolism of the compass on the cover. Just as an actual compass gives us reliable guidance in finding our way through an unfamiliar wilderness, sound principles guide us through the maze of choices we make on life's challenging journey. While the book is written especially for Christian readers, the principles are valid for everyone. The author writes from an evangelical Christian perspective, but the book is not sectarian. The sound Scriptural foundation presented resonates with readers of various religious persuasion. The thirteen chapter format is designed to make it appealing for small groups. At the end of each chapter, seven discussion questions are given to give guidance in applying the principle.

Top Cats Tom Jones,2020-05-15 Top Cats Stockton, California experienced a high-voltage jolt of enthusiasm during the 1960s when a young basketball coach named Dick Edwards brought a city together. Hired by the University of the Pacific to coach its team, Edwards had an ability to go “outside the campus gates” and capture the support of the city of Stockton and the outlying community. He built a rabid fan base that became honorary Pacific alumni and they all turned an old opera house in downtown Stockton into a “capitol” of basketball. The enthusiasm of the city helped Edwards develop a nationally-ranked program that the University of the Pacific, the city of Stockton, the county of San Joaquin, and the core of California’s great Central Valley would grow to give unconditional support and interest. Read how a fiery coach and a small group of dedicated assistants used a hardscrabble approach with a bunch of driven athletes to make Stockton and the University of the Pacific shine.

1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!) Gary P. Guthrie,2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to

make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. Precise in nature, *Stuck...* takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those everyday moments.
