**Hell! Hope! & Heroes!** Antoine Balzac, 2016-03-21 In Australia in 2010, "drug barons" of considerable influence in the community rule the roost, prompting the government to commission an elite force known as the Strategic Intelligence Service to combat the country's current state of affairs. The S.I.S., commanded by Major Hutchinson, was allocated the decommissioned Silverwater Jail as his H.Q., and emergency powers to cut through the red tape. The group's goal is to eradicate the drug barons by covertly abducting them and sending them where they could do no harm, using their confiscated bank accounts to finance rehabilitation centres for addicts, and dispatching their teenage drug dealer gangs to an education programme in the Simpson Desert. Camps to house and educate siblings are commissioned to hold the children until their parents are ready to reassume responsibility. Everything was working as planned, until a group of siblings are kidnapped en route to a reunion with their parents at Florinda Ridge. The ransom demands the drug barons' release and the return of their funds within six days, or the captives will be pulverized. When Major Hutchinson discovers there's a mole in his ranks, the fate of the hostages becomes critical, and the rule book goes out the window. The major has to solve these problems by using the very people he was being paid to protect.

Norfleet,2004-03-01 Journeying to Puerto Rico to unlock the mysteries of her past, architectural designer Angela Lord discovers that she is a dead ringer for handsome club owner Marco Santos's late wife, and that someone will stop at nothing, even murder, to keep her from learning the truth. **Ruthless Sinner** Erika Wilde,2023-04-30 It was supposed to be a basic undercover op. Perform in a strip club, get close to my mark, and do whatever it took to coax him into spilling family secrets. Enticing him was simple. Made men like Marco Russo were more interested in seduction than marriage. Not to mention he was dark, dangerous and easy on the eyes. Our attraction was instant. Undeniable. Establishing a relationship with him was the easy part. Enticing him to share sensitive information took more finesse. But during all those steamy nights together I learned enough to take down his family. Too bad I fell in love with him, too. I ended up with a choice: My job or the man I loved. But maybe what I decided wouldn't matter. Because once Marco realized who I was and how I'd deceived him, he'd have a choice to make as well. To let me live... or kill me to prove his loyalty to his family. Nobody ever said life was fair.

**Made for the Mafia** Erika Wilde,2023-04-30 The Made for the Mafia complete collection includes all three books in the series: HEARTLESS SINNER Being in the mafia had its privileges. Being a capo in the Russo family had even more. When Marla came to me asking for help in avenging her brother's death, I agreed . . . for a price. Marriage. To me. A mafia capo . . . the type of man she'd sworn off years ago. She would learn: Nothing in this life was free. And in exchange, I wanted her. Whether she could handle who I was... or not. RUTHLESS SINNER It was supposed to be a basic undercover op. Perform in a strip club, get close to my mark, and do whatever it took to coax him into spilling family secrets. Enticing him was simple. Made men like Marco Russo were more interested in seduction than marriage. Not to mention he was dark, dangerous and easy on the eyes. Our attraction was instant. Undeniable. Establishing a relationship with him was the easy part. Enticing him to share sensitive information took more finesse. RECKLESS SINNER I never wanted to join the family mafia business but they needed me, so I went to law school to protect my brothers from the blood they shed and the investigations they were

under. I watched out for everyone. Thought I saw everything. Except her. Delaney was beautiful and my boss's daughter at the firm where I worked. She was off limits and I couldn't afford to be distracted. I should never have touched her. One taste and I couldn't let her go.
