*Underneath the Stars* Jessica Scholar,2023-10-05 Melanie eagerly anticipates a marriage proposal from her boyfriend, Kade. Despite his busy schedule as a lawyer, he surprises her with a dinner reservation at Dolavs. During their conversation, he mentions her getting a full-time job, leading to a discussion about their career choices. Melanie questions Kade about his law degree and reminds him of his past promises. Kade and Melanie discuss Melanie's part-time tutoring job and her career prospects. Kade believes she should focus on finding a full-time job instead of tutoring. He values Melanie's intelligence and passion but desires financial stability for their future. Later, at a fancy restaurant, Kade surprises Melanie with an engagement ring, symbolizing his commitment to their relationship. Kade proposes to Melanie unexpectedly, giving her a beautiful solitaire ring. Despite the surprise, Melanie accepts the proposal and puts on the ring. Kade expresses his love and commitment, planning for their future together, including children and a shared home. Melanie, while not expecting this

proposal, embraces the moment and agrees to the engagement. Kade has already decided for their future life together. Melanie catches Kade cheating with another woman named Aune. Confronted, Kade tries to explain, but Melanie throws the engagement ring back at him and leaves. Despite his pleas, she refuses to forgive him and ends their relationship.
