Doris Walker-Dalhouse, Victoria J. Risko

Equitable Literacy Instruction for Students in Poverty Doris Walker-Dalhouse, Victoria J. Risko, 2024-09-27 Differences in performance between students living in poverty and more advantaged students are reflective of an opportunity gap, as opposed to a gap in student ability. This book argues that significant attention must be given to eliminating the barriers that produce educational inequities in student achievement. Walker-Dalhouse and Risko focus on disparities in literacy achievement that might be attributed to color-blind practices, deficit mindsets, low expectations, or context-neutral practices. Situating literacy learning within a comprehensive view of literacy development, they provide a set of instructional practices that will best support students living in poverty. Specifically, vignettes from kindergarten through middle school classrooms are used to demonstrate practices that address critical areas of the reading process; are responsive to students' racial, ethnic, cultural, gender, and linguistic histories and assets; attend to students' strengths and needs; and go beyond short-term gains on high-stakes tests to support optimal and sustainable learning. Educators and school leaders can use this resource to transform schools into nurturing and vibrant communities that are committed to change, equity, and diversity. Book Features: Provides recommendations and detailed guidance for enacting literacy instruction that will close opportunity gaps for students living in poverty. Includes vignettes from leading literacy educators and researchers, including Elizabeth Baker, Susan Cantrell, Jill Lewis Spector, Allison Skerrett, and Kelly Wissman. Demonstrates high-quality literacy instruction implemented in K-8 classrooms. Presents instruction that is responsive to differences and honors the languages, literacies, and cultural resources that students bring to their learning. Offers specific recommendations and practices that can guide advocacy for change.

Transgender Justice in Schools Linda Christensen, Ty Marshall, 2024-09-09 Transgender Justice in Schools provides inspirational stories from trans students and educators as well as practical lessons and resources for teachers, students, and parents seeking to build an education community where everyone flourishes. At a time when it is increasingly obvious that Trans lives are at risk, Rethinking Schools builds on its catalogue of social justice resources with a book that helps educators examine this perilous time for what's wrong — and to imagine solutions, especially for our gender-expansive youth. Transgender Justice in Schools will educate, challenge, inspire — and save lives.

Small Acts of Courage Ali Velshi, 2024-05-07 A captivating family history that illustrates how small actions can have an

outsized political impact. Small acts of courage matter. Sometimes, they change the world. Our history books are filled with the stories of those who fought for democracy and freedom—for idealism itself—against all odds, from Mahatma Gandhi and Nelson Mandela to Rev. Martin Luther King, Jr. These iconic struggles for social change illustrate the importance of engagement and activism, and offer a template for the battles we are fighting today. But using the right words is often easier than taking action; action can be hard, and costly. More than a century ago, MSNBC host Ali Velshi’s great-grandfather sent his seven-year-old son to live at Tolstoy Farm, Gandhi’s ashram in South Africa. This difficult decision would change the trajectory of his family history forever. From childhood, Velshi’s grandfather was imbued with an ethos of public service and social justice, and a belief in absolute equality among all people—ideals that his children carried forward as they escaped apartheid, emigrating to Kenya and ultimately Canada and the United States. In *Small Acts of Courage*, Velshi taps into 125 years of family history to advocate for social justice as a living, breathing experience—a way of life more than an ideology. With rich detail and vivid prose, he relates the stories of regular people who made a lasting commitment to fight for change, even when success seemed impossible. This heartfelt exploration of how we can breathe new life into the principles of pluralistic democracy is an urgent call to action—for progress to be possible, we must all do whatever we can to make a difference.
