

Beautiful Things Dont Ask For Attention

John A. Sowers

Beautiful Things Emily Rath,2025-04-08 Crashing a country house party in Regency England, an intrepid young woman is drawn into the orbit of three delicious gentlemen in this slow burn, very sexy, definitely-not-your-mother's historical romance from internationally bestselling author Emily Rath. At twenty-two, Rosalie Harrow is unmarried and near destitute. She has two choices: snag a wealthy gentleman, or take work as a governess. Neither option appeals to headstrong Rosalie, who sees both futures as a kind of cage. When Rosalie receives an invitation to Alcott Hall, she believes she's there to meet the Dowager Duchess of Norland, the mysterious childhood friend of her late mother. Instead, Rosalie is thrust in the middle of a house party of eligible high society ladies all desperate to win the hand of the new, conveniently single duke. Hilarity ensues as Rosalie dodges the attentions of the officious duke, and weathers the censure of the other guests, all while trying to unravel the mystery of her invitation. And then there's the gentlemen... The more Rosalie tries to avoid the high society husband hunt, the more she finds herself charmed by three very different men. There's Lord James, the duke's younger brother, who is the secret duke in all but name. Lieutenant Renley, recently returned from the West Indies, and begrudgingly looking for a wife of his own. And the tempestuous Mr. Burke, who irks Rosalie to no end. The clock ticks down the days to the Michaelmas ball, when the duke is set to announce his bride. Marriage is a trap and Rosalie will not be easily snared...but that doesn't mean she can't enjoy the chase while it lasts.

Say All the Unspoken Things John A. Sowers,2022-02-01 Our children, spouses, parents, and friends may know we love them, but how often do they hear it from us? Through letters to his daughters that feel personal to all of us, John Sowers encourages us to release these unspoken words of love so there are no doubts in our relationships nor regrets in our lives. Many of us go through life with words and feelings stranded in our hearts. Words we deeply feel but never say. Sometimes we never have the chance. We don't always get to say goodbye. We don't always know when it will be our last hug, high five, smile, laugh, or 'I love you.' All we have is today, now, and what we do in this one, shining moment. So many of us rarely share our hearts or speak those deep, hidden sentiments—but why? John Sowers began writing letters to his three daughters to show how much he loved them and to encourage them in their daily lives. These moving and eloquent letters remind all of us how important it is to share the contents of our heart now. *Say All the Unspoken Things*: Covers the topics of bravery, wonder, beauty, kindness, romance, and God's patient love Helps us find our stranded words to speak more freely to those

whom we love Moves us from a shallow life to one with deeper meaning and fulfilling relationships While John wrote these letters to his daughters, this beautiful book often feels as though he is speaking directly to readers. These love letters will echo in your own heart, reminding you of your Father in heaven, who loves you and is for you. A treasure for anyone seeking to create a legacy of love in their relationships, you can seize every precious moment you have to say all the unspoken things.

The Beautiful Things Shoppe Philip William Stover,2021-01-26 This sweet gay contemporary hits the spot. —Publishers Weekly Their collections may clash but their hearts are a perfect match. Moving to eclectic New Hope, Pennsylvania, and running The Beautiful Things Shoppe is a dream come true for elegant and reserved fine arts dealer Prescott J. Henderson. He never agreed to share the space with Danny Roman, an easygoing extrovert who collects retro toys and colorful knickknacks. And yet here they are, trapped together in the quaint shop as they scramble to open in time for New Hope's charming Winter Festival. Danny has spent years leading with his heart instead of his head. The Beautiful Things Shoppe is his chance to ground himself and build something permanent and joyful. The last thing he needs is an uptight snob who doesn't appreciate his whimsy occupying half his shop. It's only when two of New Hope's historic landmarks—each as different as Danny and Prescott—are threatened that a tentative alliance forms. And with it, the first blush of romance. Suddenly, running The Beautiful Things Shoppe together doesn't seem so bad...until Danny's secret threatens to ruin it all. Carina Adores is home to highly romantic love stories where LGBTQ+ characters find their happily-ever-afters. Seasons of New Hope Book 1: The Hideaway Inn Book 2: The Beautiful Things Shoppe

The Book of Rural Life Edward Mowbray Tuttle,1925

Decolonial Feminisms, Power and Place Laura Rodríguez Castro,2020-12-14 This book draws on participatory ethnographic research to understand how rural Colombian women work to dismantle the coloniality of power. It critically examines the ways in which colonial feminisms have homogenized the category of woman,” ignoring the intersecting relationship of class, race, and gender, thereby excluding the voices of “subaltern women” and upholding existing power structures. Supplementing that analysis are testimonials from rural Colombian women who speak about their struggles for sovereignty and against territorial, sexual, and racialized violence enacted upon their land and their bodies. By documenting the stories of rural women and centering their voices, this book seeks to dismantle the coloniality of power and gender, and narrate and imagine decolonial feminist worlds. Scholars in gender studies, rural studies, and post-colonial studies will find this work of interest.

Norma Mark Zwolinski,2022-04-27 Norma, a new work of fiction by writer Mark Zwolinski, asks you to enjoy a roller coaster like story about a kind, elderly woman, who saves a town from corruption and violence by surviving those very things herself. But the book also asks you to consider how you read fiction. Norma, as a work of fiction, intends to take its audience through a heroic tale where a 56 year old woman's life changes after she discovers a phone that belonged to a young murder victim, who bravely took a video of her assailants during a fatal altercation. There is all manner of life therein: love, sadness, emotion, endurance, the things we see when we look in the mirror, the challenges facing the elderly, poetry, youth, and above all, kindness. At the same time, there are two dissertations on the unseen balances between truth and lies. They are meant to create an over-riding ideology, which presents a constant reminder about the always undefinable space in which the characters live in, and the spaces we find ourselves in. It is an intellectual exercise in reading that will appeal to any lover of fiction. It is different. it is challenging, yet it is rewarding. All along, the truth about truth and lies, and the spaces we live in, are not truly defined until the book arrives at its final words. There is a strength there, and it is waiting for you. Finding it will rake all of your emotions. But there is a triumph in that. It is a tale for all ages. It's waiting there in this easy to read, page turner that mirrors the experience of spending time in an art museum with your favorite paintings.
