*About PC version (Windows & Mac) - Between* Which features will I be able to use on the PC version? I want to remove the ads in my chat window. Can I send files on Between for PC? The “Network condition is unstable” message popped up as I was logging in. I failed at logging in but I got a notification saying that my PC login was successful. Didn't find what you were looking for? **[Android] I'm not getting push notifications. - Between** If you are logged into the Between PC version, push notifications to your mobile phone are sent silently so you may not realize when you receive it. We will try to improve and offer a variety of options so that you won't miss your partner's notifications even while you're on the PC version. **What is Sign up with Facebook/Sign in with Facebook? - Between** This connects your Between account with your Facebook account, allowing you to sign in quickly without having to enter your Between ID and password. If you want to use this feature, please log in to Between first and then go to the More tab > Settings > Social Networks Setting. **Can I signup using Between for PC?** Can I signup using Between for PC? You can only login and use the PC version using your account that is connected to your partner. Signing up or establishing connection with your partner should be done on the mobile app. **PC version issues. - Between** I can't login on PC version Windows/Mac OS. I get a message that says "Network condition is unstable". What is **Between's storage capacity?** All user data is stored on the Between server, and not on the users' mobile devices. Your usage and storage capacity is unlimited. *Account/Connect - Between* My partner is able to use Between but I can only see the connection screen. I want to reconnect with the partner I disconnected with. I'm trying to reconnect with my partner but I changed my number. Due to personal reasons, I can't reconnect with my partner within the data recovery period. I want to use my current account with a different partner. **[Android] I want to import LINE/KakaoTalk conversations. - Between** If you don't see any issues you can confirm and add them to your Between chat. Once that's done, you will receive a new notification when the import is complete and will be able to see the conversation in your Between chat room. **Between** Privacy policy Terms of service Security policy ← Go to the Between Homepage English (US) **I changed my mobile phone device. - Between** Simply install the Between app on your new device and login using your account. You'll be able to use Between with the existing data from your previous device.
