Straight Talk, No Chaser LP Steve Harvey, 2010-12-07 In the instant number one New York Times bestseller *Act Like a Lady, Think Like a Man*, Steve Harvey gave millions of women around the globe insight into what men really think about love, intimacy, and commitment. The Way I See It Lerato Tshabalala, 2016-07-01 Lerato Tshabalala first came to our attention in 2011 with her 'Urban Miss' column in the Sunday Times, and since then she has by turns entertained, exasperated, amused and confounded her fans and critics alike. Now, with her first book, she looks set to become the national institution she deserves to be. With her

customary wit and keen insight into social, political and cultural affairs, Lerato shines a bright – and controversial – light on South African society and the quirky ways of the country. She is brutally honest about her experiences as a black South African in post-apartheid Mzansi, and no subject is too sacred for her to explore: annoying car guards, white-dominated corporate South Africa, cultural stereotypes, economic and racial inequality, and gender politics, among many other topics, come under her careful – and often laugh-out-loud – scrutiny. *The Way I See It* is written for people who are hungry for a book that is thought-provoking, funny, irreverent and truly South African all at the same time. It is light but full of depth: like a supermodel with an MBA!

The Other Side of Assertiveness Andrena Sawyer, 2012-06-24 Assertiveness is characterized by bold or confident behavior, and having a strong or distinctive flavor or aroma."For the assertive woman, this definition is by far one of the highest compliments. Many books have been written about how women can become more assertive. Women grow up hearing from parents, teachers, coaches and mentors about the importance of being assertive. However, what no one ever explains is that assertiveness comes with a price and it is easily mismanaged and misunderstood. Within the pages of this short eBook are some hard-hitting, humorous, and even hopeful lessons about the sometimes daunting effect of being an assertive woman in this day and age.

Her Perspective of a True Man Rhonda Cotton, 2015-02-28 A man's worth is valuable but the sad thing is a lot of them don't even know it. As women we are looking for the Prophet, Priest and King to be in our life for the rest of our lives. So as a woman this book is dedicated to you also to show my support and let you know that I believe in you. A Man's Worth is not just about the man but it is also about the woman behind the man. A man's support system may consist of relatives and friends. Such as his mother, wife, daughter, sister, female cousin, aunt, niece and a really good girl friend. This will enable him to realize who he is as a man in the eyes of the women who love him. As for woman, we need to know that our men understand their worth as men, so that they can be everything Gods called them to be.
