My Life as a Pornstar Puma Swede,2014-04-04 The crazy ass Swedish porn star strips down about naughty celebrity sex, the best kept industry secrets and how to take control of a pilot's joystick. My Life As A pornstar chronicles Puma's life from her horse-obsessed childhood in Sweden to her rise as one of the best known porn stars in the world. The book details Puma's many crazy experiences which include Hollywood parties, wobbly helicopter sex (as seen on TMZ), drug adventures in Amsterdam, celebrity encounters and all the highs, and lows, of life and love and work in porn's fast lane. It also includes a chapter written by Puma's best friend, Penthouse Pet of the Year Nikki Benz, a how to make it big in the porn industry guide, reviews of porn colleges and letters from the fans. I've already been getting frantic calls from celebs I know, scared I'm going to expose them. I hope they enjoy my book. I hope YOU enjoy my book, said Puma Swede. How to Make Love Like a Porn Star Jenna Jameson,Neil Strauss,2004-08-17 When the stewardess brought me off the plane in a wheelchair, I lowered my head. I was too scared to even look at my father. I didn't want to see the disappointment and horror on his face. All that hate I had accumulated for him over the years, all the resentment against him for not understanding what I was going through, just released with the tears. So, where are your parents? the stewardess asked me after a few minutes. I can't wait here with you much longer. I looked up and wiped my eyes. My father was standing ten feet away. He didn't even recognize me. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs

transformed the gawky, brace-faced Jenna Massoli into the bombshell Jenna Jameson. Today, Jenna Jameson is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager drawn into a chaotic world ruled by rape, abuse, and murder, Jenna plunged into a downward spiral of addiction, even as she became one of the most photographed women in adult magazines. Determined to overcome this past, Jenna rebounded in the adult-film business, where she encountered sadistic directors, experienced lovers of both sexes, amorous celebrities (from Howard Stern to Marilyn Manson to Tommy Lee), bitter rival starlets, and finally, glory, as she went on to become the biggest porn star the world has ever seen. But her struggle for happiness did not end when the accolades began. For years she wrestled with her resentment at her estranged father, the loneliness of growing up from the age of two without a mother, and her enduring childhood desire to find a man who could give her the security and love she never had. Her unforgettable memoir is many things at once: a shocking sexual history, an insider's guide to the secret workings of the billion-dollar adult-film industry, and a gripping thriller that probes deep into Jenna's dark past. An unparalleled exploration of sexual freedom, *How to Make Love Like a Porn Star* ventures far beyond the flesh, into the heart-shredding tragedies and adrenaline-pumping triumphs of a woman who has already lived a hundred lifetimes. Always witty and humorous even as she faces the demons of her past, Jenna offers hilarious anecdotes about one of the most controversial businesses in history, and shares outrageous advice, including her ten commandments of dating and sex, how to become a suitcase pimp, and how to make it in the business as a female (or a male). Add to this never-before-seen photographs from Jenna's private collection and others taken exclusively for this book, and the result is certain to be one of the most talked-about books of the year.

The Internet Escort's Handbook Book 1: The Foundation Amanda Brooks, 2006-10-16 Considered the bible of escorts, sex workers and sugar babies alike, Book 1: The Foundation is exactly that. It's an escorting 101 that starts with you to build a safe, sane, successful business. You are the foundation of your success. Book 1: The Foundation is a sex work reference written to create a realistic awareness of the pitfalls and rewards of becoming an independent escort (and it works to answer questions for the curious public as well). Start with the most fundamental consideration of all: --Decide whether escort work suits your personality --Maximize your personal appearance for commercial appeal --Discover personal boundaries and how to maintain them --Escort health and hygiene --Get to know and love condoms --How do you have sex on your period? --Understand the limits of your personal energy --and more! Common newbie questions are addressed; the ones that get asked, repeatedly, on public sex work or escort forums. While sugar babies generally don't want to think of themselves as professional escorts, they interact with their sugar daddies in much the same way and the safety concerns (and questions) are very similar. Ultimately, safe and sane escort work leads to happier, healthier escorts. (And happy escorts make for happy clients.) Written by an escort for escorts.

The Sexualized Body and the Medical Authority of Pornography Heather Brunskell-Evans, 2017-01-06 This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority. Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media scholarship. The

21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it matters to adults as well as to children; and it matters to men as well as to women.

Tomas L.J. Diva, 2018-09-15 This series is dedicated to... Jackie Collins is the biggest inspiration in my life when it comes to writing, if not the only inspiration. She had the passion; the brains, the ballsy rollicking attitude, and the kind of life that made me want to be her. And to the three Stefanovic brothers, Carlos, Pedro, and Tomas, without whom I would not have had names for my porn stars. In the tradition of the bonkbustingly good Jackie Collins comes L.J. Diva's Porn Star Brothers series. Follow the meteoric rise of 70s Porn Star, Tomas Stefan, and the rocky path he took to find the life and love he craved in the Porn Star Brothers series. Tomas Stephanopoulos is the second of three Australian born and Greek Island raised brothers. He loves his job as a personal trainer and has no interest in emulating his elder brother by bedding all of the eligible women on the island. He lives the good life, training the ladies at the island's resort, and taking on personal clients at night. Then he meets one client who wants more than personal training. A client who wants intimate training. With his brothers on the run, he chooses to spread his wings and moves to Miami to personally train the ladies who were his clients back on Mykonos. After meeting the love of his life he moves into porn movies with a new name and a new life, but the drama has followed him from home and continues with his lover's car being trashed, porn stars being killed off, and a double kidnapping that leads to a dramatic car chase across the country. And it all comes down to one person... One person who's out to end the life of Tomas Stephanopoulos... Tomas is the third novella in the Porn Star Brothers contemporary romance series featuring the sizzingly sexy middle Greek Australian bad boy brother.
