

Frankenstein The Book

Mary Shelley

Frankenstein Mary Shelley, 2004-05 Includes detailed explanatory notes, an overview of key themes, and more--Cover.

Frankenstein Mary Shelley, 2013-12-03 The story of Victor Frankenstein's monstrous creation and the havoc it caused has enthralled generations of readers and inspired countless writers of horror and suspense. With the author's own 1831 introduction.

Frankenstein - Third Edition Mary Shelley, 2012-06-20 D.L. Macdonald and Kathleen Scherf's edition of *Frankenstein* has been widely acclaimed as an outstanding edition of the novel—for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. New to this edition is a discussion of Percy Shelley's role in contributing to the first draft of the novel. Recent scholarship has provoked considerable interest in the degree to which Percy Shelley contributed to Mary Shelley's original text, and this edition's updated introduction discusses this scholarship. A new appendix also includes Lord Byron's "A Fragment" and John William Polidori's *The Vampyre*, works that are engaging in their own right and that also add further insights into the literary context of *Frankenstein*.

Frankenstein Mary Wollstonecraft Shelley, 2020-08-11 *Frankenstein's* Monster lives on—and so does legendary artist Bernie Wrightson's legacy—in this landmark illustrated edition of Mary Shelley's classic novel, featuring an introduction by Stephen King. Few works by comic book artists have earned the universal acclaim and reverence that Bernie Wrightson's illustrated version of Mary Wollstonecraft Shelley's *Frankenstein* was met with upon its original release in 1983. A generation later, this magnificent pairing of art and literature is still considered to be one of the greatest achievements made by any artist in the field. This book includes the complete text of the original groundbreaking novel, and approximately fifty original full-page illustrations by Bernie Wrightson—created over a period of seven years—that continue to stun the world with their monumental beauty and uniqueness.

Frankenstein, or, The Modern Prometheus Mary Wollstonecraft Shelley, 1869 *Frankenstein* was published in 1818, the work of a 21-year-old genius named Mary Shelley. Hundreds of movies, adaptations, and monster masks later, its reputation remains so lively that the title has become its own word in the English language. Victor Frankenstein, a scientist,

discovers the secret of reanimating the dead. After he rejects his hideous creation, not even the farthest poles of the earth will keep his bitter monster from seeking an inhuman revenge. Inspired by a uniquely Romantic view of science's possibilities, Shelley's masterpiece ultimately wrestles with the hidden shadows of the human mind.

Frankenstein (The Modern Prometheus) Mary Shelley, Higher Read, 1976 Mary Shelley's classic Frankenstein continues to be relevant in today's modern frenzy of scientific advances. The story of the too-curious Victor Frankenstein and his monster, driven to savageness by his unnatural birth and lack of connection with human society, might be a horror story, but it is also a commentary on human hubris, unthinking pursuit of knowledge, and the consequences of these flaws. Higher Read's Read It. Know It. edition of Frankenstein provides you with an understanding of all of the layers of this book. The original text included in this edition allows you to read the book as Mary Shelley wrote it, and our original content helps you understand the novel more thoroughly. Character and narrative summaries provide you with an at-a-glance reminder of what the original book holds, while our Read It and Know It sections explore literary themes in the book. Like Dr. Frankenstein, you can expand your knowledge and satisfy your curiosity. Just try not to build a murderous monstrosity while you do it. So whether you want to read the whole book, just want a reminder of the story, or are interested in exploring the important themes in Frankenstein, Higher Read's Read It. Know It. edition provides an all-in-one book that's right for you.

Frankenstein - Mary Shelley Mary Shelley, 2021-05-11 Frankenstein; or, The Modern Prometheus is an 1818 novel written by English author Mary Shelley. Frankenstein tells the story of Victor Frankenstein, a young scientist who creates a sapient creature in an unorthodox scientific experiment. Shelley started writing the story when she was 18, and the first edition was published anonymously in London on 1 January 1818, when she was 20. Her name first appeared in the second edition, which was published in Paris in 1821. Shelley travelled through Europe in 1815 along the river Rhine in Germany, stopping in Gernsheim, 17 kilometres (11 mi) away from Frankenstein Castle, where two centuries before, an alchemist engaged in experiments. She then journeyed to the region of Geneva, Switzerland, where much of the story takes place. Galvanism and occult ideas were topics of conversation among her companions, particularly her lover and future husband Percy B. Shelley. In 1816, Mary, Percy and Lord Byron had a competition to see who could write the best horror story. After thinking for days, Shelley was inspired to write Frankenstein after imagining a scientist who created life and was horrified by what he had made. Though Frankenstein is infused with elements of the Gothic novel and the Romantic movement, Brian Aldiss has argued that it should be considered the first true science fiction story. In contrast to previous stories with fantastical elements resembling those of later science fiction, Aldiss states that the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results. The novel has had a considerable influence on literature and popular culture and spawned a complete genre of horror stories, films, and plays.

The Essential Frankenstein Mary Wollstonecraft Shelley, 1993 The definitive, annotated edition of Mary Shelley's classic

novel.

Frankenstein Mary Shelley, 2023-12-27 Mary Shelley's 'Frankenstein' is a groundbreaking work of gothic literature that explores themes of ambition, isolation, and the consequences of playing god. Written in an epistolary format, the reader is drawn into the chilling tale of Victor Frankenstein and his creation, the monster. Shelley's descriptive prose and use of multiple narrators create a sense of foreboding and unease, making 'Frankenstein' a timeless classic in the literary canon. The novel also raises ethical questions about scientific responsibility and the limits of human knowledge, making it a thought-provoking read for modern audiences. Mary Shelley's personal experiences, including the death of her own children and her tumultuous relationship with Percy Bysshe Shelley, undoubtedly influenced the creation of 'Frankenstein.' Her unique perspective as a female author in the 19th century adds layers of depth to the story, highlighting the societal expectations and constraints faced by women of her time. I highly recommend 'Frankenstein' to readers who enjoy thought-provoking literature that delves into the darker aspects of human nature and morality.

Frankenstein Mary Shelley, 2019-04-06 Frankenstein; or, The Modern Prometheus, is a novel written by English author Mary Shelley about eccentric scientist Victor Frankenstein, who creates a grotesque creature in an unorthodox scientific experiment. Shelley started writing the story when she was eighteen, and the novel was published when she was twenty. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. Shelley had travelled through Europe in 1814, journeying along the river Rhine in Germany with a stop in Gernsheim which is just 17 km (10 mi) away from Frankenstein Castle, where two centuries before an alchemist was engaged in experiments. Later, she traveled in the region of Geneva (Switzerland)-where much of the story takes place-and the topics of galvanism and other similar occult ideas were themes of conversation among her companions, particularly her lover and future husband, Percy Shelley. Mary, Percy, Lord Byron, and John Polidori decided to have a competition to see who could write the best horror story. After thinking for days, Shelley dreamt about a scientist who created life and was horrified by what he had made; her dream later evolved into the story within the novel. Frankenstein is infused with elements of the Gothic novel and the Romantic movement and is also considered to be one of the earliest examples of science fiction. Brian Aldiss has argued that it should be considered the first true science fiction story, because unlike in previous stories with fantastical elements resembling those of later science fiction, the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results. It has had a considerable influence across literature and popular culture and spawned a complete genre of horror stories, films, and plays. Since publication of the novel, the name Frankenstein is often used to refer to the monster itself.

Frankenstein (Collins Classics) Mary Shelley, 2010-06-03 In the most famous gothic horror story ever told, Shelley confronts the limitations of science, the nature of human cruelty and the pathway to forgiveness.

Frankenstein, Or, The Modern Prometheus Mary Wollstonecraft Shelley, Marilyn Butler, 1998 A young Swiss scientist's discovery of the cause of generation leads to the creation of a hideous monster

Frankenstein Mary Wollstonecraft Shelley, 2004-06 A collection of short Frankenstein stories by Mary Shelley which reflects themes of horror.

Frankenstein; Or, The Modern Prometheus Mary Wollstonecraft Shelley, 2022-09-04 In *Frankenstein; Or, The Modern Prometheus*, Mary Wollstonecraft Shelley crafts a timeless tale that delves into the profound themes of creation, responsibility, and the quest for knowledge. Composed in an epistolary style, the novel intricately weaves the narratives of Victor Frankenstein and his tragic creature, exploring the consequences of unchecked ambition and the ethical dilemmas surrounding scientific advancement. Shelley's work emerges from the Romantic era, highlighting its tension between Enlightenment rationalism and the emotional depth characteristic of her contemporaries. The novel not only serves as a cautionary tale about the perils of man's hubris but also critiques societal norms regarding isolation and acceptance. Wollstonecraft Shelley, the daughter of renowned feminist Mary Wollstonecraft and political philosopher William Godwin, grew up amidst intellectual fervor, which profoundly influenced her literary pursuits. Her experiences with loss, societal rejection, and the burgeoning fields of science and philosophy during the early 19th century drove her to create a narrative that interrogates the moral implications of scientific innovation. This personal and social backdrop enriches her exploration of the monstrous and the human. Highly recommended for readers intrigued by the ethics of science and the nature of humanity, *Frankenstein* remains a pivotal work in the Gothic tradition. Shelley's masterful prose and prescient themes resonate with contemporary discussions on technology and ethics, making this novel essential for anyone seeking to understand the complexities of the human condition.

Frankenstein; Or, the Modern Prometheus Mary Shelley, 2018-08-06 *Frankenstein; Or, The Modern Prometheus* By Mary Wollstonecraft Shelley Mary Shelley began writing *Frankenstein* when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, *Frankenstein* tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein. *Frankenstein*, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever. We are delighted

to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Frankenstein Mary Shelley,2014-11-18 *Frankenstein, Or The Modern Prometheus* The Classic 1818 Text (Verified) By Mary W. Shelley Victor Frankenstein, obsessed with scientific theories focused on natural wonders, watches lightning strike an oak tree and is inspired to harness its power. He develops a technique to bring inanimate bodies to life, including that of a monster creature eight feet tall. But Victor is upset by his creation and what he perceives to be his failure. He rejects the monster, who is left despondent and vowing revenge. Victor has a breakdown and when he eventually returns home, he discovers his brother William has been murdered. Victor suspects the monster and tries to find peace in a mountain hideaway but the monster finds him and insists Victor hear his own story. TITLE: *Frankenstein* AUTHOR: Mary W. Shelley LENGTH: 167 Pages PUBLISHER: Pearl Necklace Books GENRE: Classic, Classics, Gothic, Horror, Books, Thriller, British

Frankenstein Mary Shelley,2017-02-10 *Frankenstein; or, The Modern Prometheus* is a novel written by English author Mary Shelley that tells the story of Victor Frankenstein, a young scientist who creates a grotesque but sapient creature in an unorthodox scientific experiment. Shelley started writing the story when she was 18, and the first edition of the novel was published anonymously in London in 1818, when she was 20. Her name first appeared on the second edition, published in France in 1823. Shelley travelled through Europe in 1814, journeying along the River Rhine in Germany with a stop in Gernsheim which is just 17 km (10 mi) away from Frankenstein Castle, where, two centuries before, an alchemist was engaged in experiments.[1][2][3] Later, she travelled in the region of Geneva (Switzerland)--where much of the story takes place--and the topic of galvanism and other similar occult ideas were themes of conversation among her companions, particularly her lover and future husband, Percy Shelley. Mary, Percy, Lord Byron and John Polidori decided to have a competition to see who could write the best horror story. After thinking for days, Shelley dreamt about a scientist who created life and was horrified...Summary : *Frankenstein* is written in the form of a frame story that starts with Captain Robert Walton writing letters to his sister. It takes place at an unspecified time in the 18th century, as the letters' dates are given as 17--.Extrait : So strange an accident has happened to us that I cannot forbear recording it, although it is very probable that you will see me before these papers can come into your possession.Last Monday (July 31st) we were nearly

surrounded by ice, which closed in the ship on all sides, scarcely leaving her the sea-room in which she floated. Our situation was somewhat dangerous, especially as we were compassed round by a very thick fog. We accordingly lay to, hoping that some change would take place in the atmosphere and weather. About two o'clock the mist cleared away, and we beheld, stretched out in every direction, vast and irregular plains of ice, which seemed to have no end. Some of my comrades groaned, and my own mind began to grow watchful with anxious thoughts, when a strange sight suddenly attracted our attention and diverted our solicitude from our own situation. We perceived a low carriage, fixed on a sledge and drawn by dogs, pass on towards the north, at the distance of half a mile; a being which had the shape of a man, but apparently of gigantic stature, sat in the sledge and guided the dogs. We watched the rapid progress of the traveller with our telescopes until he was lost among the distant inequalities of the ice. This appearance excited our unqualified wonder. We were, as we believed, many hundred miles from any land; but this apparition seemed to denote that it was not, in reality, so distant as we had supposed. Shut in, however, by ice, it was impossible to follow his track, which we had observed with the greatest attention...

Biography : Mary Wollstonecraft Shelley (born Godwin; 30 August 1797 - 1 February 1851) was an English novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel *Frankenstein: or, The Modern Prometheus* (1818). She also edited and promoted the works of her husband, the Romantic poet and philosopher Percy Bysshe Shelley. Her father was the political philosopher William Godwin, and her mother was the philosopher and feminist Mary Wollstonecraft. After Wollstonecraft's death less than a month after her daughter Mary was born, Mary was raised by Godwin, who was able to provide his daughter with a rich, if informal, education, encouraging her to adhere to his own liberal political theories. When Mary was four, her father married a neighbour, with whom, as her stepmother, Mary came to have a troubled relationship...

Frankenstein Mary W. Shelley, 1992-07 The monster was supposed to be man's benefactor, but, scorned for his ugliness, he swears revenge on his creator and the human race.

Frankenstein Mary Shelley, 2013-10-01 A stunningly creepy deluxe hardcover edition with spot gloss, black sprayed edges, black-stained pages, and black endpapers. Part of a six-volume series of the best in classic horror, selected by Academy Award-winning director of *The Shape of Water* Guillermo del Toro. Filmmaker and longtime horror literature fan Guillermo del Toro serves as the curator for the Penguin Horror series, a new collection of classic tales and poems by masters of the genre. Included here are some of del Toro's favorites, from Mary Shelley's *Frankenstein* and Ray Russell's short story "Sardonicus," considered by Stephen King to be "perhaps the finest example of the modern Gothic ever written," to Shirley Jackson's *The Haunting of Hill House* and stories by Ray Bradbury, Joyce Carol Oates, Ted Klein, and Robert E. Howard. Featuring original cover art by Penguin Art Director Paul Buckley, these stunningly creepy deluxe hardcovers will be perfect additions to the shelves of horror, sci-fi, fantasy, and paranormal aficionados everywhere. *Frankenstein* The epic

battle between man and monster reaches its greatest pitch in the famous story of Frankenstein. In trying to create life, the young student Victor Frankenstein unleashes forces beyond his control, setting into motion a long and tragic chain of events that brings Victor himself to the very brink. How he tries to destroy his creation, as it destroys everything Victor loves, is a powerful story of love, friendship . . . and horror.

Frankenstein Mary Shelley, 2024-11-20 A twisted, upside-down creation myth that gave birth to the modern science fiction novel Frankenstein, Mary Shelley's chilling Gothic tale, lays bare the dark side of science, and the horror within us all. Written after a nightmare Mary Shelley was only eighteen, this book gave birth to the modern science fiction novel. Set against the backdrop of Europe in the late 18th century, Frankenstein explores themes of scientific ethics, the nature of monstrosity, and the consequences of playing god. The book follows the ambitious scientist Victor Frankenstein who plunders graveyards to create a human-like creature from reanimated body parts, driven by his desire to overcome death and unlock the secrets of life. Frankenstein is often considered a reflection of the cultural and scientific anxieties of the time, with the Industrial Revolution and advancements in science raising questions about the ethical boundaries of scientific exploration. Despite first being published in 1818, this novel remains relevant today, prompting discussions on the consequences of unchecked ambition and societal rejection of the "other." This seminal work is perfect for fans of the Gothic and science fiction genres.

Frankenstein The Book Introduction

In the digital age, access to information has become easier than ever before. The ability to download Frankenstein The Book has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Frankenstein The Book has opened up a world of possibilities. Downloading Frankenstein The Book provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Frankenstein The Book has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider

audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Frankenstein The Book . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Frankenstein The Book . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Frankenstein The Book , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Frankenstein The Book has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Frankenstein The Book Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning

experience. Frankenstein The Book is one of the best book in our library for free trial. We provide copy of Frankenstein The Book in digital format, so the resources that you find are reliable.
