Sarah Rodi

Healer to the Ash King Rebecca F Kenney, 2022-04-14 A young healer with water powers is conscripted to serve in the Capital during the Calling of the Favored, a competition during which the King will choose his bride. Her sympathies—and her friends—are with the Undoing, a band of anarchists intent on overthrowing the monarchy. When she meets the fire-wielding Ash King, all she can think about is removing him from power, by any means necessary. This enemies-to-lovers, hate-to-love romance is basically *The Hunger Games* (Collins) crossed with *The Selection* (Cass). Fans of C.N. Crawford, Sarah J. Maas, and Jennifer L. Armentrout will enjoy this book! [TW: violence, torture, brutal contests and battles, death by fire, threat of rape, monsters, pregnancy of a side character]

The Broken King D. N. Bruce, 2023-04-28 Far from his home in the Kingdom of Ferinatia, Thorn continues his journey through the dying world of Elcina and the plan to bring the disunited realms and peoples together that he may guide them from the dying world into the safety of his own. With the kingdoms of Isthia and Taroth behind him, and the unexpected departure of the Ranee, Thorn enters the land of the Keegan nomads accompanied by the wolf pup Rark and the living crystal Lorak Ledel intent on finding a way to unify the tribes to his cause and find Princess Ranee who fled here after the destruction in Rata. Meanwhile, the Kingdom of Varth prepares for their invasion of his world and his own kingdom. Secretly controlled by the Sorcerer Tarna, now emboldened by the murder of Thorn's friend Penias, who was known as the Crown Prince Jarel Whitethorn. As Thorn enters the nomad lands, the Varthians stretch out their hand against the nomads and all other kingdoms and peoples who would stand against them, and their sorcerous leader.

Priest-King's Consort Lisa Blackwood, 2024-07-17 He's as lethal as he is beautiful, desired and feared by all. She's big, bloodthirsty, and obliterates her enemies. Never should they have met. But they did... When an unknown enemy tries to end the ruling line of the Soul Mages, Verdria is more than ready to defend Priest-King Elect Honryn and his allies in this enemy land she now must call home. But then Honryn demands she also save his sire and two older brothers—save the very soul mages responsible for the deaths of many of her people—she rebels at Honryn's orders, until he explains why his enemies can't die yet. But Verdria will need the aid of another lethal enemy to achieve her goal. Going against every instinct she possesses, she does as Honryn asks and seeks out his uncle, the ruling Priest-King, for his aid. Together they form an uneasy alliance that strikes terror into their enemies. While the first attempt to end the ruling line of the Soul Mage empire may

have failed, Verdria is kept busy. Many factions deem Honryn too powerful and dangerous and want him dead... But even his enemies don't know the real reason they should fear him... That they should fear what he's becoming... Because the Serpent God soon plans to claim Honryn as his new mortal host and Verdria as his consort. Once he does, no one will ever be safe again. But Verdria's greatest nemesis is her own traitorous heart... For she wants Honryn and the monster he becomes. Tropes: Enemies-to-lovers, morally grey hero, slowburn with steam, never-even-kissed heroine, inexperienced celibate hero, royal romance, forced proximity, who hurt you, touch him and die, touch her and die, court intrigue, 'oops I unalived a bunch of people again' hero and heroine. Author's Note: While most of my fantasy romances are standalone, this one is a continuing story and you need to read Soul Mage first. And by the way, this one does not have a major cliffhanger at the end.

Evermore Brenda Pandos,2015-11-20 BOOK 4 in the BESTSELLING Mer Tales series!!! The underwater world of Natatoria is enjoying a long awaited period of peace -- and with it, the merpeople's very first chance to visit human civilization. Ash and Fin's wedding marks the perfect opportunity for the mers to celebrate their newfound freedom. But when they return home to Tahoe to prepare, Ash's absence from the human world has raised more than a few questions about where she's been. When blaming fingers point to Ash and Fin as the culprits who burned down Fin's home, even his mind-jacking mojo hasn't stopped the authorities from issuing the happy couple an early wedding gift—a matching pair of arrest warrants. Instead of bringing their families together, Ash and Fin's upcoming wedding drives a wedge between the very cultures they're trying to bridge. And when their reality takes an unexpected twist, Ash realizes her dual existence comes with a hefty price. Neither her human nor her mer family understand the sacrifices they're asking of her, and as much as she wants to please both her mer and human mothers, she knows she's one misstep away from breaking two maternal hearts. But with humans becoming aware of the mer, Ash and Fin must scramble to save their families, their societies . . . and their love. The only thing they know for sure is that when it comes to Natatorians, old habits die hard. And a royal should never get too comfortable.

The Secret People Melusine Draco,2016-09-30 Much of what passes for 'witchcraft' today was everyday knowledge to our forebears, especially those who lived and worked in the countryside. Here were to be found practical household hints, remedies and family recipes that had been handed down from generation to generation, some still existing in the form of treasured journals and notebooks. There is, however, nothing fanciful or far-fetched about this information - in fact, *The Secret People* is a remembrance of times past and a preservation of 'parish-pump witchcraft, wise-women and cunning ways' adapted for use in the 21st century. It may also go a long way in helping those present-generation pagans in search of an identity and answer the questions: Who ... what am I?
