Love: The Greatest Force in The Wonderment of The Human Experience Kevin Unruh, 2024-08-10 Love: The Greatest Force in the Wonderment of the Human Experience is three things: an homage, a reminder, and a gift. This book was written to pay tribute to the most powerful of all human acts and emotions, to remind us of the power of love – a power that we all have access to every day of our lives – and to serve as a physical gift to be given to anyone that you love. Love takes many forms and is expressed in many different ways. This book is for anyone that you love: partner, spouse, friend, or family member. It is a collection of short chapters, past and present quotations, and includes sections in which you can write your own expressions of love and gratitude for the person to whom you give this book. It is also designed specifically to help those who sometimes have difficulty expressing themselves with respect to feelings of love. We humans are a powerful species and love is our secret weapon, our most beautiful language, and our greatest gift. This book is intended to remind us of the many wonderful things love is and of all that it can do.

A Labor of Love, Volume 1 Anna D. Arapakos, 2024-10-01 You hold the first of two volumes of one giant love story in your hands! In essence, this story is about Anna Arapakos' father and how she came to care for him when he was elderly; this phenomenon is a universal experience all will share or witness in one capacity or another. If you are interested in probing into life's hows and whys, you will appreciate the information she shares in this first volume. Here, you'll discover the science behind Huntington's disease (HD) and her Greek father's life from birth until age sixty through carefully chosen family stories that bring to life historical facts that shaped his outlook and foundational experiences. That way, you will have a baseline to see how HD impacts and distorts certain inherent features, ways, and tendencies of her father. You will learn

about genetics, neurology, and critical characteristics of this rare and progressive disease and will be able to distinguish it from other neurodegenerative diseases. She shares this foundational information on HD so you can appreciate how and why changes occur at every level — intellectual, physical, psycho-emotional, and spiritual. In *A Labor of Love*, Vol. 1: *Understanding Hercules*, Miss Arapakos' father is "Hercules," and the portion of the myth she shares in this volume revolves around everything in Hercules' life before he undertakes the labors for which he has become so well-known. Here is also where she recounts her father's cultural-historical background and the essentials of Huntington's disease, including its features, the genetic backdrop, its impact on the brain, and much more. Then, she proceeds to make apt analogies between Hercules and her father during the formative years; this book stops at the point when her dad retires and his disease really "kicks in."

To Russia with Love Victor Fischer, 2012-10-15 In Stalin's Russia, Victor Fischer's father, American journalist Louis Fischer, and his mother, Russian writer Markoosha Fischer, were persecuted as political activists and lived under threat of arrest until Eleanor Roosevelt helped them escape Russia. Victor Fischer grew up to serve in the US Army during WWII and later was a delegate to the Alaska Constitutional Convention. He served in the Territorial House of Representatives and the Alaska State Senate, and also held government positions in Washington, DC. During his return to Russia in recent times, he rekindled old friendships, including the brother of a childhood friend, who wrote about Fischer's childhood in *The Troika: The Story of an Unmade Film*. Fischer has also been mentioned in his mother's and fathers' autobiographies. In Fischer's own autobiography, he reflects on his early years, his career, and his personal life with a sense of humor, drawing on his parents' memoirs, correspondence, and other papers, as well as other archives. The book includes a wealth of b&w historical photos and color contemporary photos. Fischer is former director of the Institute for Social and Economic Research at the University of Alaska. Wohlforth has written other books about Alaska. Annotation ©2012 Book News, Inc., Portland, OR (booknews.com).

Freddy: a Love Story Ray P. Oliver, 2011-11-15 How does a person born with mental and physical challenges become the most popular person in his community? Why did the town throw a 50th birthday party for him and name a street in his honor? Why do valedictorians mention him in their commencement addresses? Why does a person who can't use a computer get 500 Facebook friends the first week he is on it? *Freddy: A Love Story* attempts to answer those questions. It is an often humorous, sometimes poignant look at the town of Clinton, Tennessee and the man who captured the town's heart.

Rooted in Love: Louis and Zélie Martin Annette Goulden, 2021-04-27 When Sts. Louis and Zélie Martin were canonized in 2015, they were the first spouses to be declared saints as a couple. Their lives are proof that God works through ordinary families to draw his future saints—like St. Thérèse of Lisieux, Louis and Zélie's youngest daughter—toward holiness. Even before their first encounter in the small town of Alençon, France, God was preparing Louis and Zélie for marriage. Later, he

continued to sustain them powerfully in their married love and family life. *Rooted in Love: Louis and Zélie Martin: Models of Married Love, Family Life, and Everyday Holiness* explores the stages of Louis and Zélie's marriage, from the joys of parenthood, through the sorrows of bereavement, and ultimately to the challenges of single parenthood—experiences which many families face today. Author Annette Goulden demonstrates how, amid both the joys and the sorrows of family life, these saints grew in their understanding of God's love for them. From the initial urge to earn God's favor with sacrifices and sufferings to a deeper understanding of God's unconditional love even in the minutiae of daily life, God was their guide on the path to holiness, a path that is open to all married couples. This book is for both families and individuals—to offer them light and guidance to live their ordinary everyday life in closeness with God. No matter one's vocation in life, Louis and Zélie exemplify how everyday experiences, such as being a working parent, running a business, or raising a difficult child, can be sacramental if one is open to a trusting relationship with God, even when he seems to be absent. Whatever the situation a married couple find themselves in, this saintly couple shows how daily actions and choices—however small and ordinary—are highly valued by God and can lead to holiness, to a close relationship with him, and to forming children who are strong in faith, maturity, and joy.

Robert E. Lee's Orderly A Black Youth's Southern Inheritance (2nd Edition) Al Arnold, 2018-02-14 A descendant of a slave, Al Arnold, tells his journey of embracing his Confederate heritage. His ancestor, Turner Hall, Jr., a Black Confederate, served as a body servant for two Confederate soldiers and an orderly for General Robert E. Lee. Turner Hall, Jr. returned to Okolona, Mississippi after the Civil War. Hall served a prominent family in that community for five generations. His life's journey eventually led him to Hugo, Oklahoma where he established himself as the town's most distinguished citizen receiving acclaim from Black and White citizens alike for his service. In 1938, his journey continued to Pennsylvania as the last Civil War veteran from his community to attend the final Civil War veteran reunion, as a Black Confederate. He also traveled to New York City and was interviewed by the national talk radio show, *We, The People* in 1940. One hundred and three years after the Civil War, Hall's great-great grandson, Al Arnold, was born in Okolona, Mississippi. Raised in North Mississippi, Al would later discover the history of his ancestor and began an eight year journey of why, how and for what reasons his ancestor served the Confederate armies? To his amazement, Al discovered that seventy two years after the Civil war, his ancestor was a proud Confederate and held in his possession a cherished gift from the Confederate Civil War general, Nathan Bedford Forrest.

The Marine Meets His Match Cathie Linz,2014-05-15 He'd faced enemy fire with more courage than his general's daughter's advances—and U.S. Marine Captain Rad Kozlowski wasn't afraid to admit he was in real danger. The only way to evade her was to find a fake bride. And he knew just the beautiful blonde to play the part.... Experience had taught brainy bookseller Serena Anderson to steer clear of military men. But when Rad offered her a too-good-to-be-true deal in exchange for marriage, Serena agreed to a little pretence. After all, since neither wanted to settle down, the only thing at risk was a few kisses—and then a few more...
