Master Your Emotions Louise Lily Wain, 2019-07-22 Buy the Paperback Version of this Book and Get the Kindle Book Version for FREE! Your Emotions tell a Story. But is it a Story that you are Listening to? Emotions are a huge part of who we are. Yet, we still don't pay enough attention to them the way we should. Are You the type of person that freely expresses your

emotions? Or would you rather keep them buried somewhere, hoping to forget about them entirely? Anger, Joy, Happiness, Sadness, Excitement, Fear, Disgust. These are some of the basic emotions which researchers believe are built into our genetics. They are always going to be part of who we are, and rather than deny their existence completely, we should learn to embrace them instead. Emotional regulation is a crucial factor in determining how well you are able to master your emotions. You can't change the circumstances that happen to you, but you can control the way you choose to respond to. The choice is yours to react impulsively or otherwise. That choice always belongs to you, but it only becomes an effective choice when you know just how to effectively take control of your emotions, so they don't end up controlling you. Master Your Emotions will walk you through: A thorough understanding of what emotions are and how they are created. The impact your emotions can have on you, and the people around you. What you can do to change your emotions, and how they can be used to help you grow as a person. How mentally strong people are in control of their emotions. The repercussions of suppressing or ignoring your emotions. How to overcome negativity, reduce anxiety and worry. What you need to do to master your emotions once and for all. And more... On their own, emotions are not a bad thing. It's what we do with them, and we manage them which determine whether our emotions are used for good or otherwise. What are you going to do with your emotions? Would You like to Know more? Download Now to Start Mastering Your Emotions! Scroll Up and Click the Buy Now Button.

Master Your Emotions Jason Barnes, 2019-12-30 Are you tired of being imprisoned by your own emotions and feelings, overthinking every situation that occurs on your way? Would you like to learn how to overcome negative thinking and feeling guilty to enjoy your life by managing emotions better? If the answer to these questions is yes, this is the book for you. Emotions whether good or bad are inescapable parts of human beings; unfortunately, most people tend to have trouble dealing with their emotions and feelings resulting in an immense amount of suffering that hinders them from enjoying life. Maybe you are one of those people who get carried away by their emotional state or desperately suppress or numb them. This book seeks to help people who find it hard to control their emotions and they end up leading poor lifestyles because their actions are determined by their emotions. Take the next step in emotional management and By the end of this book, you will learn: - The difference between emotions and feelings. - What triggers emotions and how you can effectively manage your emotions at the height of adversities. - The power of emotions and what you can do to eliminate negative emotions and build positive emotions. - The different emotions that you experience daily and the impact they have on your life, peace of mind and happiness. - How to manage anger and dispel destructive emotions that hold you back. - Different ways you can apply to understand your emotions and develop emotional mastery for better social interactions. This book clearly explains emotions as a psycho-physiological response to our thoughts and our surroundings; as such, emotions are portrayed as a messenger or signal that motivates you to act accordingly. Emotional mastery dispels such thoughts by explaining why you

need to always be in control of your actions even when your emotions are taking the better part of you. The brain takes all the external signals and recreates their representation in the mind to trigger a reaction. This explains why emotions are not objective as well as why it is possible to master and control your emotions and your reactions. It starts with your understanding that your thoughts trigger emotions and feelings.
