Mothers and Daughters Alice Hanna Deakins,Rebecca Bryant Lockridge,Helen M. Sterk,2012 Family stories of the ties between mothers and daughters form the foundation of *Mothers and Daughters: Complicated Connections Across Cultures*. Nationally and internationally known feminist scholars frame, analyze, and explore mother-daughter bonds in this collection of essays. Cultures from around the world are mined for insights which reveal historical, generational, ethnic, political, religious, and social class differences. This book focuses on the tenacity of the connection between mothers and daughters, impediments to a strong connection, and practices of good communication. *Mothers and Daughters* will interest those studying communication, women's studies, psychology, sociology, anthropology, counseling, and cultural studies.

Communication Among Grandmothers, Mothers, and Adult Daughters Michelle A. Miller-Day,2004-09-22 This volume examines communication processes within the grandmother-mother-daughter relationship, emphasizing an intergenerational perspective. Using observations of and extensive interviews with six sets of middle-income, Caucasian female family members, this book offers a heuristic account of intergenerational mother-daughter relational communication. Author Michelle Miller-Day integrates and juxtaposes alternative experiences of social interaction, situating readers in the world of grandmothers, mothers, adult daughters, and granddaughters as they experience, describe, and analyze their family communication. Miller-Day incorporates aged mothers and younger mid-life mothers and their adult daughters into the research to illustrate how this type of maternal relationship is experienced at different points in a woman's life. With the inclusion of three generations of women, Miller-Day offers multigenerational perspectives on family, and examines them for patterns of maternal interaction, providing symbolic links across generational boundaries. *Communication Among Grandmothers, Mothers, and Adult Daughters* enables readers to understand more completely the richly textured nature of maternal relationships. It will be an invaluable resource for scholars and researchers in the areas of communication and relationships, including family communication, intergenerational communication, women's studies, family studies, interpersonal communication, and relationships, as well as social workers, psychologists, and counselors, who strive to understand family communication processes and their dynamics across generational lines.

Mum's Wit and Wisdom Richard Benson, 2018-01-11 When the little angels are driving you crazy and you're one minivan away from being a personal taxi service, these wonderful quips and quotes will help to remind you that being a mum is the best job in the world.

Your Daughter's Bedroom Joyce T. T. McFadden, 2011-04-26 Your Daughter's Healthy Identity Starts With You After psychoanalyst Joyce McFadden treated countless women who felt alone and isolated in experiences that they were unaware many other women were dealing with too, she began to ask what she could do to help them reach out to each other. The result was the launch of her Women's Realities Study in which she interviewed hundreds of women from ages 18-105, about the most private issues as she sought to understand what events in a woman's life impact her future happiness and self-confidence. What McFadden found was truly revealing—the theme that most interested them as they explored their identities was how their relationship with their mothers influenced their understanding of themselves as sexual beings throughout their lives—from the time they were little girls straight through adulthood. Drawing on over a thousand responses, *Your Daughter's Bedroom* offers a new and unprecedented look at the mother-daughter bond. McFadden argues that the type of womanhood mothers model for their daughters determines the young girls' comfort with their own bodies which, in turn, leads to confidence and satisfaction later in life. From the most mundane and everyday gestures—a reluctance to call body parts by their real name; an offhanded suggestion to lose weight—to how mothers introduce life altering events such as the start of puberty and sexual exploration, all of these have an impact on a girl's psyche. She found that in an attempt to protect and shield daughters, mothers withhold important information and leave girls to wrestle with their own burgeoning sexuality and other challenges of growing up. Offering a fresh perspective on the fraught mother-daughter relationship, McFadden shows how mothers can create the right environment for their daughters to grow into self-assured women. *Your Daughter's Bedroom* is an essential resource for women who want to establish a more open and positive relationship with their daughters.

Ordinary Injustice Alfredo Mirandé, 2023-11-28 Ordinary Injustice is the unique and riveting story of a young Latino student, Juan Rulfo, with no previous criminal record involved in a domestic violence dispute that quickly morphs into a complex case with ten felonies, multiple enhancements, a “No Bail” order, and a potential life sentence without the possibility of parole. Building from author Alfredo Mirandé’s earlier work *Rascuache Lawyer*, the account is told by “The Professor,” who led a pro bono rascuache legal defense team comprising the professor, a retired prosecutor, and student interns, working without a budget, office, paralegals, investigators, or support staff. The book is a must-read for anyone interested in race, gender, and criminal injustice and will appeal not only to law scholars and social scientists but to lay readers interested in ethnographic field research, Latinx communities, and racial disparities in the legal system. The case is

presented as a series of letters to the author's fictional alter-ego, Fermina Gabriel, an accomplished lawyer and singer. This narrative device allows the author to present the case as it happens, relaying the challenges and complexities as they occur and drawing the reader in. While *Ordinary Injustice* deals with important, complicated legal issues and questions that arise in criminal defense work and looks at the case from the time of Juan's arrest to the preliminary hearing, indictment, pretrial motions, and attempts to obtain a negotiated plea, it is written in nontechnical and engaging language that makes law accessible to the lay reader.

Mothers and Daughters II Rosemary H. Balsam, Ruth S. Fischer, 2014-06-03 This is the second issue of *Psychoanalytic Inquiry* devoted to mothers and daughters. This project began as the mother-daughter bond was calling out for attention in light of the many advances in our understanding of female psychology. The goal of female development is no longer considered to be a severing of the mother-daughter bond to attain autonomy and sexual maturity. What, then, are its vicissitudes as it is revisited, reworked, and transformed as the girl and her mother grow and develop and ultimately attain a state of interdependence? The relational context of development is now considered: gender-related differences in behavior and in parental interaction; and the girl's special relationship with her mother and her mother's body and the importance to her of her own body with its special attributes, contours, and sensations.

Congressional Record United States. Congress, 1997 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* (1789-1824), the *Register of Debates in Congress* (1824-1837), and the *Congressional Globe* (1833-1873)

Mom Candy Jena Pincott, 2016-04-26 Sweet, satisfying and calming, *Mom Candy* is the perfect pick-me-up gift for mothers of all ages. With 1,000 quotes, reflections, and insights *Mom Candy* gets at the heart of motherhood—from the anticipation of pregnancy and the arrival of a new baby, through the early years and the school days, to the lifelong bond that women have with their children. With thoughts from Hillary Clinton, Madeleine L'Engle, Michelle Obama, Kate Winslet, Reese Witherspoon, Erica Jong, Jodi Picoult, and many others. Being a mom has made me so tired. And so happy.— Tina Fey, actress, writer, and producer

The Thin Veil Between Us Marilyn Choong, 2024-07-15 Have you ever contemplated the existence of after-death communication and wondered just how thin the veil is between the physical and spiritual realms? What if your loved ones in the spirit world were attempting to communicate with you through signs, but you were unaware of their significance? Choong explores these inquiries from a New-Age perspective, providing detailed insights into the often-overlooked connections between our physical and spiritual existence. Drawing from her spiritual journey following her mother's passing, Choong delves into deathbed experiences, the intricate tapestry of grief, and insights into the afterlife. The book also weaves

together a mosaic of spiritual experiences shared by others. This book is a must-read for those seeking answers about the subtle interplay between the realms and universal themes, such as uncovering our soul's purpose, the transformative power of gratitude, and the invaluable life lessons that follow the loss of a loved one. Marilyn Choong's memoir offers more than just answers; it's an emotional exploration with the aim of providing hope to those grappling with loss. If you're looking for solace and a deeper understanding of the spiritual dimensions that surround us, this book is a powerful guide on your journey.

Mothers Are Precious Keys of Life Beverly R. Wilson, 2012-07-02 In 2011, when I left the corporate banking industry, I decided to write a memoir, detailing true story events that took place in mines as well as in my family's life both back home in Pittsburgh, Pennsylvania, and here in Birmingham, Alabama. With the help of God our father, who gave me the courage and the strength to complete this novel, *Mothers Are Precious Keys of Life*. As a business entrepreneur, I plan on introducing a new line of copyright products from my book title, such as a line of T-shirts and home plaques that my customers can purchase personally from me. You can look me up on my Facebook page under Ms. Beverly R. Wilson for a request for products or e-mail me at www.bevwoo44@att.net for more details on my future online store. I hope my readers will all be touched by these inspirational stories.

Healing the Wound from My Daughter's Suicide Lois Severson, 2013-05 With thousands of known suicides taking place in the United States each year, it is very possible you have already been touched. In *Healing the Wound from My Daughter's Suicide*, author Lois Severson shares the true story of how her family was deeply affected by the tragedy of suicide. She narrates the story of the suicide of her twenty-six-year-old daughter Patty in June of 2005. Severson recalls a personal journey through the grief process from the perspective of the mother, father, and sister of the victim. She also includes Patty's suicide letter and selected diary entries and addresses the subject of mental illness and its role in suicides. Raw and emotional, *Healing the Wound from My Daughter's Suicide* provides keen insight into family dynamics following the suicide of a loved one. It shows how one family navigated the grief and healing process and found comfort through help from their community, from within the family, and through their faith in God.

Mom the Chemistry Professor Kimberly Woznick, Amber Charlebois, Renée Cole, Cecilia Marzabadi, Gail Webster, 2018-07-28 When is the right time? How can I meet the demands of a professorship whilst caring for a young family? Choosing to become a mother has a profound effect on the career path of women holding academic positions, especially in the physical sciences. Yet many women successfully manage to do both. In this second edition, which is a project of the Women Chemists Committee (WCC) of the American Chemical Society (ACS), 40 inspirational personal accounts describe the challenges and rewards of combining motherhood with an academic career in chemistry. The authors are all women at different stages of their career and from a range of institution types, in both tenure and non-tenure track positions. The authors include women from different racial and ethnic backgrounds, who became mothers at different stages of their

career, and who have a variety of family structures. Aimed at undergraduate and graduate students of chemistry, as well as postdoctoral fellows and early career faculty, these contributions serve as examples for women considering a career in academia but worry about how this can be balanced with other important aspects of life. The authors describe how they overcame particular challenges, but also highlight aspects of the system, which could be improved to accommodate women academics, and particularly encourage more women to take on academic positions in the sciences.

Women's Lives Claire A. Ettaugh, Judith S. Bridges, 2017-10-16 This cutting-edge and comprehensive fourth edition of *Women's Lives: A Psychological Perspective* integrates the most current research and social issues to explore the psychological diversity of girls and women varying in age, ethnicity, social class, nationality, sexual orientation, and ableness. Written in an engaging and accessible manner, its use of vignettes, quotes, and numerous pedagogical tools effectively fosters students' engagement, active learning, critical thinking, and social activism. New information covered includes: neoliberal feminism, standpoint theory, mujerista psychology (Chapter 1) LGBT individuals and individuals with disabilities in media (Chapter 2) testosterone testing of female athletes, precarious manhood (Chapter 3) raising a gender non-conforming child, impact of social media on body image (Chapter 4) gender differences in narcissism and Big Five personality traits, women video-game designers (Chapter 5) asexuality, transgender individuals, sexual agency, Viagra for women controversy (Chapter 6) adoption of frozen embryos controversy (Chapter 7) intensive mothering, integrated motherhood, living apart together, same-sex marriage (Chapter 8) single-sex schooling controversy (Chapter 9) combat roles opened to U.S. women, managerial derailment (Chapter 10) work-hours dilemmas of low-wage workers (Chapter 11) feminist health care model, health care for transgender individuals, Affordable Care Act (Chapter 12) feminist critique of CDC guidelines on women and drinking (Chapter 13) cyberharassment, gendertrolling, campus sexual assault (Chapter 14) transnational feminism, men and feminism (Chapter 15) *Women's Lives* stands apart from other texts on the psychology of women because it embeds within each topical chapter a lifespan approach and robust coverage of the impact of social, cultural, and economic factors in shaping women's lives around the world. It provides extensive information on women with disabilities, middle-aged and older women, and women in transnational contexts. Its up-to-date coverage reflects current scientific and social developments, including over 2,200 new references. This edition also adds several new boxed features for student engagement. In *The News* boxes present current, often controversial, news items to get students thinking critically about real-life applications of course topics. *Get Involved* boxes encourage students to actively participate in the research process. *What You Can Do* boxes give students applied activities to promote a more egalitarian society. *Learn About the Research* boxes expose students to a variety of research methods and highlight the importance of diversity in research samples by including studies of underrepresented groups.

Motherhood Memoirs: Mothers Creating/Writing Lives Justine Dymond, 2013-07-01 The authors in this collection

examine and critique motherhood memoir, alongside the texts of their own lives, while seeking to transform mothering practice— highlighting revolutionary praxis within books, or, when none is available, creating new visions for social change. Many essays interrogate the tensions of maternal narrative—the negotiation of the historical location of writer and readers, narrative and linguistic constraints, and the slippery ground of memory—as well as the borders constructed between the “objective” scholar and the reader who engages with and identifies with texts through her intellect and her emotional being.

Democratic Citizenship and War Yoav Peled, Noah Lewin-Epstein, Guy Mundlak, Jean Cohen, 2014-06-03 This edited volume explores the theoretical and practical implications of war and terror situations for citizenship in democratic states. Citizenship is a key concept in Western political thought for defining the individual's relations with society. The specific nature of these rights, duties and contributions, as well the relations between them, are determined by the citizenship discourses that prevail in each society. In wartime, including low-intensity wars, democratic societies face different challenges than the ones facing them during peacetime, in areas such as human rights, the status of minorities, the state's obligations to its citizens, and the meaning of social solidarity. War situations can affect not only the scope of citizenship as an institution, but also the relations between the prevailing discourses of citizenship and between different groups of citizens. Since 9/11 and the declaration of the 'war on terror', many democracies have been grappling with issues rising out

of the interface between citizenship and war. This volume examines the effects of war on various aspects of citizenship practice, including: immigration and naturalization, the welfare state, individual liberties, gender relations, multiculturalism, social solidarity, and state - civil society relations. This book will be of great interest to students of military studies, political science, IR and security studies in general.
