Your Inner Conversations Are Creating Your World Neville Goddard, 2015-07-20 That you may receive the full benefit of these instructions, let me state now that the Bible has no reference at all to any persons who ever existed or to any

event that ever occurred upon earth. The ancient story tellers were not writing history but an allegorical picture lesson of certain basic principles which they clothed in the garb of history, and they adapted these stories to the limited capacity of a most uncritical and credulous people. Throughout the centuries we have mistakenly taken personifications for persons, allegory for history, the vehicle that conveyed the instruction, for the instruction, and the gross first sense, for the ultimate sense intended.

CONTROL YOUR INNER CONVERSATIONS - Neville Goddard Lectures Neville Goddard Goddard,2017-05-31 The whole manifested world goes to show us what use we have made of God's gift. Receiving a gift does not mean that we are going to use it wisely, but we have the gift. Everyone has the gift; and the world simply reflects the use of that gift. In The Merchant of Venice, Shakespeare puts these words into the mouth of Portia: If to do were as easy as to know what were good to do, chapels had been churches and poor men's cottages princes palaces. It is a good divine who follows his own instructions. I can easier teach twenty what were good to be done than to be one of the twenty to follow my own teaching. So you and I have been given a gift. To what use have we put it? In a book written in the First Century, written at the time of our Gospel, -- it's called the Hermetica, and this is a translation by Walter Scott. It is a wonderful series of four volumes; and in this he says: There are two gifts that God has given to man alone, and to no other mortal creature, and these two gifts are Mind and Speech. And the gifts of Mind and Speech are essential and identical with Immortality. If they are used rightly, man will not differ in any respect from the immortals; and when he quits the body, these two will be his guides and they will lead him into the troop of the gods and. to the souls that have attained to bliss.

It really is not only the achievement of objectives, but if you do it daily, it will awaken in you the spirit of Jesus, which is continual forgiveness of sin. - The Pruning Shears of Revision Now when you read the story you think it happened thousands of years ago. I have come to tell you it is now. You are now in the garden of Eden, and you think you are shut out or banished. You are in it, and the garden is your mind, but you need — like every gardener — you need pruning shears. For you have slept, as you are told in that second chapter. Having slept, weeds have appeared in the garden, and the weeds are revealing themselves by the conditions and the circumstances of life. For your garden is always projecting itself on the screen of space, and you can see by looking carefully at your world what you allow to grow in the garden of God. - The Pruning Shears of Revision The world only bears witness of the use or misuse of imagination. - The Pruning Shears of Revision The world is a magic circle of infinite possible mental transformations. For there are an infinite number of possible mental conversations. When man discovers the creative power of inner talking, he will realize his function and his mission in life. Then he can act to a purpose. Without such knowledge, he acts unconsciously. Everything is a manifestation of the

mental conversations which go on in us without our being aware of them. But as civilized beings, we must become aware of them and act with a purpose. A man's mental conversations attracts his life. As long as there is no change in his inner talking, the personal history of the man remains the same. To attempt to change the world before we change our inner talking is to struggle against the very nature of things. Man can go round and round in the same circle of disappointments and misfortunes, not seeing them as caused by his own negative inner talking, but as caused by others. - Mental Diets Enjoy your reading
