Glass House Brian Alexander, 2017-02-14 In 1947, Forbes magazine declared Lancaster, Ohio, the epitome of the all-American town. Today it is damaged, discouraged, and fighting for its future. In Glass house, journalist Brian Alexander uses the story of one town to show how seeds sown thirty-five years ago have sprouted to give us Trumpism, inequality, and an eroding national cohesion.--Jacket flap.

The Glass House Coloring Book Scott Drevnig, 2022-01-15 For decades, artists and photographers have used the Glass House--architect Phillip Johnson's landmark home in New Canaan, Connecticut--as inspiration for works of art. Now, with THE GLASS HOUSE COLORING BOOK, we can all do the same. With 36 black-and-white drawings by David Crotty, an introduction by Pulitzer Prize-winning architecture critic Paul Goldberger, and cover art by Vik Muniz, the 96-page softcover presents Johnson's home in ways that invite creative exploration and reinterpretation. Now owned and operated by the National Trust for Historic Preservation, the Glass House is a 49-acre landscape that comprises 14 architecturally diverse structures built between 1949 and 1995. In addition to Johnson's glass-and-steel residence (1949), the coloring book's perforated pages include illustrations of the compound's chain-link Ghost House; the skylit Sculpture Gallery; the stone-walled doghouse; and interior furnishings designed by Mies van der Rohe. Conceived by Scott Drevnig, deputy director of the Glass House, the pages of the THE GLASS HOUSE COLORING BOOK provide dozens of opportunities for exploration, experimentation, and delight. For decades, artists and photographers have used the Glass House--architect Phillip Johnson's landmark home in New Canaan, Connecticut--as inspiration for works of art. Now, with THE GLASS HOUSE COLORING BOOK, we can all do the same, and make the Glass House a canvas of our own. With 36 black-and-white drawings by David Crotty, an illuminating introduction by Pulitzer Prize-winning architecture critic Paul Goldberger, and cover art by Vik Muniz, the sophisticated 96-page softcover presents Johnson's home in ways that invite creative exploration and reinterpretation. As a historic site now owned and operated by the National Trust for Historic Preservation, the Glass House is a pastoral 49-acre

landscape that comprises 14 architecturally diverse structures built between 1949 and 1995. In addition to Johnson's groundbreaking glass-and-steel residence (1949), the coloring book includes drawings of the compound's chain-link Ghost House; the skylit Sculpture Gallery; the stone-walled doghouse; and a collection of architect-designed furniture, including iconic pieces by Mies van der Rohe. Conceived by Scott Drevnig, deputy director of the Glass House, THE GLASS HOUSE COLORING BOOK--like the compound itself--serves as a canvas for exploration, experimentation, and delight.

The Glass House Allan Seager, 1991-06-21 The first detailed biography of this renowned American poet

The Glass House Daniel Mark Epstein, 2009 The poems in Daniel Mark Epstein's eighth poetry collection range from the kind of solid and accomplished works for which he is known to astonishing pieces that are near-spiritual encounters. Always an assured poet, Epstein employs inventive rhythms to remarkable effect in these new poems, and it often seems as if the reader is not so much reading the poems as remembering them. And with the discovery each poem brings, there is a shock of recognition, as though these elusive yet essential ideas have been present all along. The Glass House is an amazing book, wonderful in its evocations of nature, encouraging sometimes, often elegiac and even heartbreaking.

The Glasshouse John Hix, 1996

The Glass House Boys of Pittsburgh James L. Flannery, 2009 An original examination of legislative clashes over the singular issue of the glass house boys, who performed menial tasks, received low wages, and had little to say on their own behalf while toiling in glass bottle plants. Flannery reveals the many societal, economic, and political factors at work that allowed for the perpetuation of child labor in this industry and region.

Dream House Adele Tutter, 2016 Famous for its transparency, the Philip Johnson Glass House--the icon of modernism that Vincent Scully called the most conceptually important house of the century--has nonetheless proven vexingly opaque to interpretation. Its architect, Philip Cortelyou Johnson, has been equally elusive, a polarizing and influential cultural figure on whom no psychological character study yet exists. In her new book, Adele Tutter addresses both enigmas. Dream House: An Intimate Portrait of the Philip Johnson Glass House reveals how this superficially nonrepresentational physical structure

encodes aspects of its architect's aspirations, motivations, and conflicts--how it acts as a veritable self-portrait of his inner world. An envious, vulnerable man emerges from this intimate synthesis. Fearing he lacked talent or genius and possessing a character prone to fragmentation, Johnson perpetually searched for a dominating mentor or style to bolster his sense of self and help organize his chaotic inner world, while concealing the forbidden sense of greatness with which he justified his desire for power and influence. Tutter's analysis reconciles the contradictory forces in a man who was both a one-time advocate of Hitler and a humanist homosexual, a dogmatic modernist and an errant postmodernist. Through its rigorous, radical reappraisal of the Glass House, this book paints a fresh and psychologically revealing portrait of the man who built it.

The Glass House Beatrice Colin, 2020-09-15 Beatrice Colin's *The Glass House* is a gorgeously transporting novel filled with turn-of-the-century detail and lush blooms, about two women from vastly different worlds Scotland, 1912. Antonia McCulloch's life hasn't gone the way she planned. She and her husband, Malcolm, have drifted apart; her burgeoning art career came to nothing; and when she looks in the mirror, she sees disappointment. But at least she will always have Balmarra, her family's grand Scottish estate, and its exquisite glass house, filled with exotic plants that can take her far away. When her estranged brother's wife, Cicely Pick, arrives unannounced, with her young daughter and enough trunks to last the summer, Antonia is instantly suspicious. What besides an inheritance dispute could have brought her glamorous sister-in-law all the way from India? Still, Cicely introduces excitement and intrigue into Antonia's life, and, as they get to know one another, Antonia realizes that Cicely has her own burdens to bear. Slowly, a fragile friendship grows between them. But when the secrets each are keeping become too explosive to conceal, the truth threatens their uneasy balance and the course of their entire lives.

Glass Houses Rachel Caine, 2006-10-03 College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. When Claire heads off-campus, the imposing old house where she finds a room may not be much better. Her new roommates don't show many signs of life. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh blood. Watch a Windows Media trailer for this book.

The Man in the Glass House Mark Lamster, 2018-11-06 A smoothly written and fair-minded (Wall Street Journal) biography of architect Philip Johnson -- a finalist for the National Book Critic's Circle Award. When Philip Johnson died in 2005 at the age of 98, he was still one of the most recognizable and influential figures on the American cultural landscape. The first recipient of the Pritzker Prize and MoMA's founding architectural curator, Johnson made his mark as one of America's leading architects with his famous Glass House in New Caanan, CT, and his controversial AT&T Building in NYC, among many others in nearly every city in the country -- but his most natural role was as a consummate power broker and shaper of public opinion. Johnson introduced European modernism -- the sleek, glass-and-steel architecture that now

dominates our cities -- to America, and mentored generations of architects, designers, and artists to follow. He defined the era of starchitecture with its flamboyant buildings and celebrity designers who esteemed aesthetics and style above all other concerns. But Johnson was also a man of deep paradoxes: he was a Nazi sympathizer, a designer of synagogues, an enfant terrible into his old age, a populist, and a snob. His clients ranged from the Rockefellers to televangelists to Donald Trump. Award-winning architectural critic and biographer Mark Lamster's *The Man in the Glass House* lifts the veil on Johnson's controversial and endlessly contradictory life to tell the story of a charming yet deeply flawed man. A rollercoaster tale of the perils of wealth, privilege, and ambition, this book probes the dynamics of American culture that made him so powerful, and tells the story of the built environment in modern America.

The Glass House Monique Charlesworth, 1986

Glass Houses Joel Brenner, 2013-08-27 A chilling and revelatory appraisal of the new faces of espionage and warfare on the digital battleground Shortly after 9/11, Joel Brenner entered the inner sanctum of American espionage, first as the inspector general of the National Security Agency, then as the head of counterintelligence for the director of National Intelligence. He saw at close range the battleground on which adversaries are attacking us: cyberspace. Like the rest of us, governments and corporations inhabit "glass houses," all but transparent to a new generation of spies who operate remotely from such places as China, the Middle East, Russia, and even France. In this urgent wake-up call, Brenner draws on his extraordinary background to show what we can—and cannot—do to prevent cyber spies and hackers from compromising our security and stealing our latest technology.

The Ghost in the Glass House Carey Wallace, 2013-09-03 In a 1920s seaside town, Clare discovers a mysterious glass house in the backyard of her new summer home. There she falls in love with Jack, the ghost of a boy who can't remember who he was before he died. Their romance is a haven for her from the cruel pranks of her society friends, especially her best friend, Bridget, who can't wait to grow up and embark on romances of her own. As Clare begins to suspect an affair between her mother and Bridget's father, she retreats to the glass house. But that haven begins to crack when she realizes that Jack has lied to her about his name . . . From a dazzling and fearless new voice comes a shimmering story full of wonder and mystery, in a world where every character is haunted by lingering ghosts of love.
