

The Sisters Of Apf

William Fredrick Cooper

The Sisters of APF Zane, 2004-04-27 The Sisters of APF is Zane's first book based on one of her most popular short story subjects, the sexy escapades of a sorority like no other. Many readers have written to Zane and asked to join the sorority or to launch a new chapter in their region. APF is fantasy, but the enthusiasm of Zane's fans is real. So now, with *The Sisters of APF*, she's offering readers what they want, a book-length story chronicling the adventures—and recruitment process—of the fearlessly sexy women of APF. APF stands for Alpha Phi F***em, a sorority dedicated to sexual freedom and the fulfillment of its members. Mary Ann is the daughter of a chicken farmer from South Dakota. She has never been more than fifty miles from home and has led a sheltered life. By the time she goes off to college in Washington, D.C., she has been intimate with only one man—her high school sweetheart. The resident manager of Mary Ann's dormitory, Patricia, befriends the country bumpkin. She finds Mary Ann amusing, but also senses something intriguing about her, hidden beneath the surface. After Mary Ann becomes smitten with Trevor, the campus playboy, Patricia is determined to show Mary Ann how to outdo the players and heartbreakers. She indoctrinates Mary Ann into the ranks of the sexiest secret society ever: the sisters of APF.

Black Women's Bodily Autonomy, Sexual Freedom, and Pleasure Clarissa E. Francis, 2025-05-19 This text explores scholarship, practice, and advocacy for Black women's pursuit of bodily autonomy, sexual freedom, and pleasure. Inspired by Megan Thee Stallion's song *Hot Girl Summer* and pleasure activism, Dr. Clarissa E. Francis (The Real Hot Girl Doc) examines the cultural and social impacts of hot girl music and its transformative effects on Black women's sexual liberation journeys. Francis introduces readers to the Hot Girl Movement, addressing intergenerational trauma, denial of bodily autonomy, and pleasure politics. This book offers a historical review and current documentation of Black women's role in the evolving movement for sexual liberation in the United States, with a particular focus on Atlanta, Georgia. Chapters delve into the history of systemic oppression, presenting research on Black women's experiences with gendered racism while demonstrating the socio-cultural influences shaping Black women's sexual liberation. The book centers Black women's narratives, featuring the work of sexologists, clinicians, somatic practitioners, and community organizers in guiding Black women to achieve sexual liberation. The final chapter outlines conclusions of the research on the Hot Girl Movement and provides recommendations for participating in and supporting this movement. This interdisciplinary text is essential reading for scholars, clinicians, healing practitioners, birthworkers, and activists, including those in fields of sexuality, sex therapy,

sociology, gender studies, Black/Africana studies, public health, and social justice. Exercises and additional resources are available on the product page under Support Material.

Love and Justice Rique Johnson, 2007-11-01 In this searing thriller, a detective on the edge must stop a vicious killer, even as he mends the emotional scars in his own life. Jason Jerrard didn't become Virginia City's finest detective by building stable romantic relationships. And it's beginning to show—he's got a new girlfriend who doesn't know what she's in for, and an ex-wife determined to do whatever it takes to get him back. But the real nightmare in Jerrard's life is the serial murderer-rapist who's turning Virginia City into a living hell. Brutal and elusive, this is a killer whose taunting has made it personal with Jerrard. And taking him down might just require more than Jerrard has to give. Passion, jealousy, courage, and violence come to a head in *Love & Justice*, the first of the three Jason Jerrard books.

Jet, 2004-10-04 The weekly source of African American political and entertainment news.

Jasminium Jonathan Lockett, 2003-11-15 It's been twenty years since the horrible incident that changed the lives of Taj and Cheyenne—but there is still hope that they can free themselves from the memories and feelings that haunt them and bound them together. Imagine you are in New York City two weeks before Christmas. Snow covers the ground and lights twinkle along the streets as warmly dressed shoppers brave the elements. An aging church beckons you with its open doors, and the sweet songs from carolers assail your senses. As you move closer and join in with the singing, you suddenly hear a voice whispering a phrase that you haven't heard in ages. You turn slowly as the color drains from your face, and you find yourself facing him, the person you haven't seen in twenty years. Thus begins *Jasminium*, a novel that introduces Taj and Cheyenne. They were young when they met, but a horrific experience robbed them of their innocence. Seeing each other again brings back haunting memories and feelings of passion that have lain dormant, just below the surface, and seemingly out of reach. *Jasminium* explores the path taken by these two people as they attempt to free themselves from the ghosts of their pasts and reconnect with the feelings and emotions that have bound them inexplicitly together.

Been There, Done That Darrien Lee, 2012-06-12 In Darrien Lee's sequel to *All That and a Bag of Chips*, readers meet up again with Craig Bennett, who is still wary of love even years after his affair with Venice Taylor. This compelling continuation of the Craig Bennett and Venice Taylor saga reveals Craig to be still smarting from Venice's decision to marry her high school sweetheart despite the passion she and Craig shared during their college romance. Devastated by the loss, Craig has dedicated himself to building his company, Bennett Architectural, Inc., into a multimillion-dollar empire and rising to career success. Unfortunately, his personal life is not quite as fruitful—even though he has had several meaningless flings with beautiful, intelligent women—due to the impenetrable wall of regret preventing him from reaching out to another woman. As fate would have it, Craig finds himself faced with a challenge that tests his will, trust, and capacity to love and forces him to confront the issues that have been plaguing him for the past seven years. In *Been There, Done That*, Darrien Lee crafts a

fascinating novel complete with intricate relationships, life-changing decisions, and painful matters of the heart.

Before Dawn Alisa M. Dowdy, 2019-05-28 A story of three friends who battle challenges that eventually guide each in an unexpected direction. Spring, Brian and Beans came to know one another as children. Their innocents protected their relationship until the adult mind tarnished it with lust, lies, and betrayal. Spring Dixon wanted to put her past behind her and progress with some normalcy. With her grandfather's influence all she needed was reassurance. Uncaring to control his sexual addiction, Brian Hobbs wasn't interested in emotional relationships but yet he married Spring. The only emotion he desired was sex by any means necessary. Chevette Beans McClair cares about her best friend and would do anything for her; including birthing her child. When Beans found herself in a love triangle with her friend at the top, she tried to redeem herself by mending an unbuildable bridge. Jay Vaughn McCannon is hitting the peak of his career. Fame and fortune weren't enough.

Infinite Words Zane, 2015-03-17 Includes a chapter on writing erotic fiction--Cover.

Breaking the Cycle Zane, 2009-11-24 An eagerly awaited collection of stories dealing with domestic abuse, edited by the New York Times bestselling author Zane. *Breaking the Cycle* is a stunning and moving anthology of stories, each of which focuses on an aspect of domestic abuse. This powerful collection is sure to serve as a wake-up call for people either dealing with a domestic abuse situation, or those watching someone else endure it. In the title story, Zane describes the turmoil that a young girl suffers at the hands of her stepfather. The girl and her mother plan their escape, but at the last minute the mother falters. In D.V. Bernard's *The Lonely Echoes of My Youth*, readers are introduced to a young boy raising himself on the fringes of a drug-infested neighborhood. Nane Quartay's provocative story, *The Grindstone*, describes a boy who witnesses a brutal murder which will have far-reaching effects on him and his family. Tracy Price-Thompson weaves a powerful tale in *The Stranger* when a woman constantly abused by her husband finds inner strength after a brutal attack. Collen Dixon's *The Break of Dawn* will keep readers deep in thought long after they finish reading her story about a young desperate mother terrified that her own daughter will grow up and become victimized herself. Dywane D. Birch's *Victory Begins With Me* reflects how one woman has to struggle to get her life back to normal. Shonda Cheekes' *Silent Suffering* flips the script when a man finds himself abused by the female in his life. Newcomer J.L. Woodson's *God Does Answer Prayers* deals with a young boy fighting for his life in a hospital bed, put there by one of the people who is supposed to love him the most: a parent. These stories capture the dangerous realities of domestic abuse, while also pointing toward the steps that need to be taken to break the cycle that perpetuates it. It is sure to serve as a rallying cry for all those who desire victory over their own victimization, and a guide for understanding the complex undercurrents that make such patterns possible.

Literary Divas Heather Covington, 2006 These divas represent the voices of past and future generations, such as Tyra Banks, Terry McMillan, Harriette Cole, Maya Angelou, Iyanla Vanzant, Nikki Giovanni, Dawn Davis, Adrienne Ingrum, Carol

Mackey, Oprah Winfrey, Rosa Parks, Shirley Chisholm, Coretta Scott King, Zora Neal Hurston, and Octavia Butler.

Shame on It All Zane,2005-08-30 Now in a mass market edition comes this unforgettable showcase of Zane's talent packed with insight, comedy and sexy hijinks. Harmony, Bryce and Lucinda Whitfield are sisters in every sense of the word. They argue and get on each other's nerves, but when it comes down to the wire they are extremely protective of one another. Shame on it All follows their adventures, friendships and love lives. With a few surprising twists thrown in for good measure, Shame on it All is as wild as they come.

Everybody Got Issues V. Anthony Rivers,2012-06-12 This edgy, compelling novel offers an honest portrayal of the ups and downs of everyday life as experienced by three memorable characters. Everybody Got Issues features Avonté Douglas, Ina Sinclair, and Nakia Davidson, three employees of the successful advertising agency Montaquaa Publications. As young, single, and ambitious professionals, their friendship occasionally deteriorates into a vicious cycle of jealousy, gossip, selfishness, and backstabbing. Outside the walls of Montaquaa Publications, Avonté, Ina, and Nakia also endure the disappointments and failed expectations of personal relationships that, even when seemingly on the brink of success, prove to be struggles. In this fast-paced story about friends and coworkers, V. Anthony Rivers deftly conveys the ugly realities of personal and professional relationships. Demonstrating a deep understanding of people—their ulterior motives, the emotional baggage they inevitably carry, and of course their issues—Rivers crafts a novel that is as easy to identify with as it is entertaining.

Six Days in January William Fredrick Cooper,2007-02-05 Attacking society's damaging rhetoric and stereotypes around male emotions, Six Days in January offers an answer to the question: what can happen to a man when he is damaged by love? William McCall finds himself making his way down icy streets, battling not only the wee hours and bitter cold of a Thursday morning in mid-January, but the brutal truth of a mistake he just made that has cost him the love he tried to capture with his hopeful lady, Della Montgomery. Confused and dazed as he makes his way to an empty, unsafe Fordham Road subway station, he wonders how he got to this point and if he'll ever find his way back to love. McCall had been fitted for a dog collar, like so many African American men. But was the label warranted? Growing up, he was taught by a single mother how to be a sensitive, strong, and caring black man, however no woman wants to deal with him, for they see him as too sweet, soft, and, in the eyes of some, effeminate. By the time he is cast from Della's house and life, bitterness and insecurity has swallowed him. He has turned off his innate, chivalrous tendencies and has become a man even he failed to recognize. In order to restore faith in himself and the man he knows he's capable of being, he begins an introspective soul search, a courageous process that lasts for six days in January.

Kinship in Ancient Athens S. C. Humphreys,2018-11-08 The concept of kinship is at the heart of understanding not only the structure and development of a society, but also the day-to-day interactions of its citizens. Kinship in Ancient Athens

aims to illuminate both of these issues by providing a comprehensive account of the structures and perceptions of kinship in Athenian society, covering the archaic and classical periods from Drakon and Solon up to Menander. Drawing on decades of research into a wide range of epigraphic, literary, and archaeological sources, and on S. C. Humphreys' expertise in the intersections between ancient history and anthropology, it not only puts a wealth of data at readers' fingertips, but subjects it to rigorous analysis. By utilizing an anthropological approach to reconstruct patterns of behaviour it is able to offer us an ethnographic 'thick description' of ancient Athenians' interaction with their kin that offers insights into a range of social contexts, from family life, rituals, and economic interactions, to legal matters, politics, warfare, and more. The work is arranged into two volumes, both utilizing the same anthropological approach to ancient sources. Volume I explores interactions and conflicts shaped by legal and economic constraints (adoption, guardianship, marriage, inheritance, property), as well as more optional relationships in the field of ritual (naming, rites de passage, funerals and commemoration, dedications, cultic associations) and political relationships, both formal (Assembly, Council) and informal (hetaireiai). Among several important and novel topics discussed are the sociological analysis of names and nicknames, the features of kin structure that advantaged or disadvantaged women in legal disputes, and the economic relations of dependence and independence between fathers and sons. Volume II deals with corporate groups recruited by patrification and explores the role of kinship in these subdivisions of the citizen body: tribes and trittyes (both pre-Kleisthenic and Kleisthenic), phratries, genê, and demes. The section on the demes stresses variety rather than common features, and provides comprehensive information on location and prosopography in a tribally organized catalogue.

The Institute of the Sisters of Mercy of the Americas Catherine C. Darcy, 1993 On July 20, 1991, the Institute of the Sisters of Mercy of the Americas came into existence. This study examines the extent to which the development of the proposed governance model of the new Institute remained faithful to the heritage of the Sisters of Mercy as established by the founder, Catherine McAuley. The author devotes considerable attention to the on-going dialogue between the Mercy leadership and the Holy See, the Church authority to effect such restructuring while also discussing the broader challenges ahead for the Sisters of Mercy of the Americas. Contents: Introduction; I. Historical and Canonical Context. The Heritage of the Sisters of Mercy; The Expansion of the Sisters of Mercy in the U.S.; II. Formation of the Institute of the Sisters of Mercy of the Americas. Movement Toward Restructuring the Sisters of Mercy in the U.S.; The Formal Juridic Preparation for the Formation of a Single Institute; Summary and Conclusions; Appendices.

Sugar & Spice Keith Lee Johnson, 2009-11-24 This fast-paced thriller twists and turns its way through the perplexing investigation of several mysterious murders that will have readers on the edge of their seats. When the set of twins are released from prison, they have one thing on their minds; to settle the score against the people who put them there in the first place. The revenge killings begin in the District of Columbia with the murder of the prison warden and his wife—both

found viciously beaten and brutally dismembered—and to continue on the opposite coast where a socialite is found dead in Malibu. Baffled by the gruesome murders, Detective Phoenix Perry ends her vacation early to conduct an unauthorized investigation and embarks upon a thrilling adventure to unravel the mystery and put end to violence. Sugar & Spice is a gripping race to discover who is behind all of the murder, corruption, and revenge. It is sure to keep readers guessing up to the stunning climax. From a promising new voice in fiction, this novel will keep spines tingling and pages turning.

The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.

A Dictionary of Christian Biography, Literature, Sects and Doctrines William Smith, 1877

The Franciscan custody of the holy land in Cyprus Paolo Pieraccini, 2014-04-08T00:00:00+02:00 In his latest book Dr. Pieraccini makes a major contribution not only to the annals of the Franciscan Order but also to the history of Cyprus, a Greek-speaking island off the coast of Turkey that had long provided port facilities for trade with the East and that was an important staging post on the sea route for pilgrims to the Holy Land. After the waning of the Crusades at the end of the 13th century it became “the most important Christian outpost in the Mediterranean”. Even so, Catholics – whether Latins or Maronites – never made up more than 1% of the overall population of the island. In essence this is a tale of survival against the odds over the centuries, thanks to the stubborn resilience of the Franciscan friars and the Catholic faithful, especially the Maronites, in the face of great human and natural adversity. Among the perennial challenges the Order faced were those of a shortage of water, barren soil, “bad air” – malaria – a poor climate, and the hostility of the majority population of Greeks and Muslims.

Venerable John Neumann, C.S.S.R. Michael Joseph Curley, 1952

This Enthralling Realm of Kindle Books: A Thorough Guide Unveiling the Pros of Kindle Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and ease of access, have freed readers from the constraints of physical books. Done are the days of carrying bulky novels or meticulously searching for specific titles in shops.
