

A Man Of Honor

Honoré de Balzac

A Man of Honor Joseph Bonanno,2013-06-04 Friendships, connections, family ties, trust, loyalty, obedience-this was the 'glue' that held us together. These were the principles that the greatest Mafia Boss of Bosses, Joseph Bonnano, lived by. Born in Castellammare del Golfo, Sicily, Bonnano found his future amid the whiskey-running, riotous streets of Prohibition America in 1924, when he illegally entered the United States to pursue his dreams. By the age of only twenty-six, Bonnano became a Don. He would eventually take over the New York underworld, igniting the Castellammarese War, one of the bloodiest Family battles ever to hit New York City... Now, in this candid and stunning memoir, Joe Bonanno-likely a model for Don Corleone in the blockbuster movie *The Godfather*-takes readers inside the world of the real Mafia. He reveals the inner workings of New York's Five Families-Bonanno, Gambino, Profaci, Lucchese, and Genovese-and uncovers how the Mafia not only dominated local businesses, but also influenced national politics. A fascinating glimpse into the world of crime, *A Man of Honor* is an unforgettable account of one of the most powerful crime figures in America's history.

A Man of Honor Loree Lough,2012-08-01 On a steamy spring morning, Dusty Parker—part-time pastor, part-time search-and-rescue team member, and full-time administrator of a school for troubled boys—joins the search for a missing teenage girl. He partners with volunteer and inner-city school teacher Grace Sinclair, and what they find bonds them in ways neither could have expected. As they begin to build their lives together, a visitor from the past causes Dusty and Grace to further open their hearts and home. But a threat is looming on their seemingly perfect lives and in one terrifying night, everything changes.

A Man of Honor Tina Leonard,2014-10-15 A man of honor always protects the woman he loves Cord Greer was one such man. Tessa Draper had been his brother's woman, but no matter how it broke his heart, Cord would do whatever it took to keep her safe. Even marry her in name only. Tessa was pregnant and alone, and her life—as well as Cord's—was threatened. Marriage provided them temporary security—and the ultimate temptation. As danger closed in, was it fear that drove Tessa into Cord's arms—or something more than Cord had dared to hope for? *A Crookseye Canyon Story: A small town full of strong men and women—and love as everlasting as the wide Texas sky.*
