Rising from the Dead Patricia Nanoff, 2013-10-23 Bridging the gap between spirituality and the recovering community, *Rising from the Dead: Stories of Women's Spiritual Journeys to Sobriety* tells the stories of alcoholic women in long-term sobriety whose faith-based rehabilitation healed and transformed their lives. Using the format adopted by Alcoholics Anonymous in telling their stories, each woman tells "how it was, what happened, and how it is now." Their stories are first examined within the more secular models of treatment, and then in relation to theological categories and models. Illustrating the catastrophic nature of alcoholism as well as the hopeful path to recovery, this book offers a practical and valuable guide for professionals working in the Christian community to assist women suffering from addiction. *Rising from the Dead* describes the 12-step spiritual approach to treating addiction, and offers strategies for strengthening and developing the spiritual lives of those afflicted with this burden. This book examines the use of stories from a therapeutic and Christian perspective, and suggests models for therapeutic listening and counseling. It also covers narrative construction, issues with shame and guilt, threshold experiences, God language, and much more. An indispensable book on healing through communities of faith, *Rising from the Dead: Stories of Women's Spiritual Journeys to Sobriety* is ideal for pastors, pastoral counselors, chaplains, parish nurses, and seminary faculty teaching in the area of addiction ministry.

Never Too Young to Lead Maureen P. Provencher, 2006 *Never Too Young to Lead* offers faith communities resources and strategies to develop leadership qualities and skills in young adolescents. This manual includes six themes on Christian leadership: leadership styles, listening skills, conflict resolution, trust and responsibility, leadership and discipleship, and planning and strategy. The sessions found in *Never Too Young to Lead* provide a broad overview of leadership with the aid of scriptural images, and include activities for training youth in essential leadership skills and qualities. The manual also offers strategies for using the sessions to create daylong, weekend, or weeklong training programs for young adolescents.

22 Ready-Made Prayer Services Maryann Hakowski, 2006 Invites both the novice and the veteran youth minister to create and foster prayer experiences that challenge teens to find God in the world around them ... Each easy-to-use prayer service comes with a list of materials needed, instructions on what to prepare ahead of time, the order of prayer for leading the prayer service, and resources and handouts to photocopy for the readers and the participants--Back cover.

Sacred Treasure Joseph Peter Swain, 2012 In the discussions and debates surrounding liturgical music of the past fifty years, music theorists, critics, and historians have contributed little, and their counsel has rarely been sought. Whenever the matter of liturgical music arises, most often in parishes, but sometimes in episcopal conferences or in the academy or in Vatican documents, the nature of the music, as music, almost never affects the discussion. With *Sacred Treasure*, Joseph Swain, a distinguished musicologist and accomplished performer, attempts to change that. He offers a theory for building authentic traditions of liturgical music for Roman Catholic parishes. This book is an exercise in pragmatic music criticism. By providing a rational basis for evaluating the essential issues, Swain seeks to show how a spiritually wholesome stability might supplant the confusion. *Sacred Treasure* shows how the hard facts of music must be taken into account in any holistic conception and any lasting form of liturgical music.

Grief Melissa M. Kelley, 2010-03-12 The experience of grief has been a source of intrigue and curiosity throughout history, and it continues to stimulate thought and theory in various fields of study. Unfortunately, these fields tend to function in isolation from each other. The result is a substantial disconnect between grief research, theory, and care?which has evolved greatly over the last two decades?and ministerial practice. Using a metaphor of grief as a mosaic, Melissa Kelley presents contemporary grief theory and research, integrated with important theological, religious, and ministerial perspectives. Written in an accessible way for ministers, ministers-in-training, and all pastoral and spiritual caregivers, this book provides the most up-to-date theory and research in grief to help inform their care of others. Through exploration of critical topics including attachment to God, meaning making, and religious coping in grief, readers are brought right to the heart of a contemporary understanding of grief.

Welfare to Millionaire Sarian Bouma, 2005-09-01 In 1974, a 19-year-old from Sierra Leone came alone to this country determined to make her way. Born into poverty, she learned a strong work ethic and many other lessons from her parents. A popular budding radio/tv personality at a young age, she dreamed of a college degree and to pursue broadcasting. Quickly running out of money, she successfully worked a variety of jobs, but was never able to accumulate enough cash to return to school. She married a young man whose dreams and ambitions, she soon realized, did not match her own, and eventually

ended up on the street, penniless, homeless, and with a baby. Desperate, she found help and encouragement at a women's shelter, and renewed her determination to succeed. Banking classes through the welfare system gave her entrée to a new world, where she rose through the ranks. She also met her future second husband there. Eventually hitting a glass ceiling, she and her husband decided she should try running her own company, a commercial cleaning business. She eventually grew her company into a multimillion-dollar business, serving even the White House. The recipient of numerous national and local awards, she has always given back to her employees, her homeland, and those who helped her along the way. The mother of six, two adopted from her homeland following the devastating wars there, Sarian today is expanding into other business areas and continues as a shining example of how one can achieve the American Dream. This book details the many struggles and triumphs of this remarkable woman, and provides many resources for women.

Planning and Implementing Retreats Nicki Verploegen, 2010-09-01 An Indispensable Resource for Pastoral Agents Responding to the need for resources to set up, sponsor, and lead retreats, *Planning and Implementing Retreats: A Parish Handbook* provides an array of simple yet creative tools to achieve a successful outcome. This book is a practical, time-saving guide for those who are involved in designing experiences to enhance people's spiritual lives--in parishes especially, but also in hospitals, campus ministries or other locales where Christian adults gather for spiritual formation. At the heart of this resource are five planning and design strategies for professionals and volunteers who want to create a well-organized and spiritually sensitive retreat experience. Other chapters deal with the theological and scriptural bases for retreat design, as well as special areas of concern, worship and liturgy, and participation evaluation. The strategies and tips outlined in this book can help planners--novice or experienced--nourish their own spiritual life as they prepare for the task of journeying with those in search of the living God. This is truly a fundamental and much-needed resource.
