So many of us feel as though accepting our bodies means abandoning any effort to improve. We look in the mirror and tell ourselves that we are going to love the skin we are in, but most days our inner self-critic is all we can hear. We constantly ask ourselves How can I have a healthy lifestyle that will keep me motivated and inspired? Why does it even matter how I think about my body? Can't I just lose weight and be happy? What is it going to take for me to be content with the way I look, even if I'm not thin? But there is hope! Pursuing the healthiest version of you means learning to love the reflection in the mirror, and Jennifer Wagner understands this all too well. From looking at her today, you wouldn't know that she used to weigh 336 pounds. During her 16-year health and wellness journey, she has felt the deep anguish of torment from peers and strangers, let the scale dictate her moods, and cried herself to sleep all because of her imperfect body. But ultimately, Jennifer realized that to overcome the overwhelming negative feelings about her body, she needed to start with her mind and let go of all the expectations of perfection that were keeping her from being the best version of herself. Embark on this journey with Jennifer as your guide and learn to live a life of healthy habits and positive motivation to take care of your good body.

The House of Wonders Kirby Record, Manouchehr Hosseinzadeh, 2016-08-04 *The House of Wonders* By Kirby Record and Manouchehr Hosseinzadeh *The House of Wonders* is a mythic tale from the imaginary Kingdom of Ajayeeb, set in the Middle East. This book is a satirical depiction of the hypocrisies of government leaders —both Eurocentric and Middle Eastern—as they ruthlessly pursue their own interests at the expense of their countries and people. The book's protagonists consist of the uneducated and foolish Emir Hallaku, his immature teenage son, Allameh, and the Emir's illegitimate son, Tallal Marouf, a precocious and charismatic young man, who alone might raise the consciousness of his father and preserve the Kingdom. Meanwhile, the Emir's Queen Mother and her equally sinister paramour, General Shefiq, work ceaselessly for greater shares of the Kingdom's power and wealth. What begins as a hilarious, even leisurely tale builds steadily into a tense thriller, as the irresistible forces of change clash with the unmovable wall of blind tradition. Will the Emir ever acknowledge Tallal as his son and do what he can to lessen the suffering of the Ajayeebian people? Can the Emir and his sons find a way to counter the dire threats, both domestic and foreign, that surround them?

Revelation Truth Volume Three Rev. Daniel W. Blair, 2015-04-14 As the world races toward the Great Tribulation, immorality among the world's leaders, increased lawlessness, natural disasters, and anarchy many voices have flooded the blogosphere, YouTube and the social networks to interpret the times. Rev. Blair has risen above the unholy chorus to write a series of timeless articles from a biblical perspective to help Christians stand firm in their faith. This collection of short articles taken from his two popular websites give practical application, prophetic insight, and a clear voice to those in power. As prophet, social activist, and pastor, Daniel Blair writes each article with compassion and uncompromising biblical truth to prod every Christian to pick up the banner of truth and walk in holiness before the Lord. Use as a daily devotional or as a timeless resource during the coming distress. In this volume I have selected articles for the Christian Activists in his or her fight against corrupt politics, social injustice, and moral decline. I strongly believe that Christians should be both salt and light in a very dark and depraved world; therefore, it is essential to hold those in leadership accountable. Moreover, it is our Christian duty to be the constant voice for social justice, morality, and freedom to proclaim the gospel message in every corner of society.

Adelphós Mou: My Brother Adelphós Mou: My Brother, 2022-08-15 Adelphos Mou (My Brother) is the story of an attempt to fix a football game by a downtrodden Greek-American gambler. To cover his marker with a violent Mafia family, he approaches his late father's old bookmaking partner, now with a son who has become a star college football quarterback. The quarterback prepares for the last game of his career, a meaningless game in which his team is heavily favored. Shaving points would be very easy if father and son were to go along. They refuse. They know such an act would put the young quarterback's promising professional career in serious jeopardy. Things quickly unravel for all involved leading to acts of betrayal and murder. The father (Big George), his son (Niko) the quarterback and the brother (Stavros) face tests of love, honor, loyalty and revenge. Adelphos Mou is a story of love, tradition, karma and injustice. The main characters are first and second generation Greek-Americans who face the conflict of their ancient traditions against the culture of the modern world. The story is thickly plotted with characters like a chorus in a classic Greek tragedy. The story begins in the underworld of Pittsburgh, winds through New York, London, Las Vegas, Iceland and Greece. The characters, each tainted and impure in their own ways, act upon their motivations, both honorable and selfish.

Hope Roy Anthony MBA, 2023-09-21 Hope: Where Can We Find It? This book has laid down a number of hopeful stories with references from the Bible to some contemporaries of our times. Notwithstanding the trials, temptations, or pain we may go through, we can always hold onto the hope God has extended to us. Believers in Christ and nonbelievers, don't allow your yesterday to steal your today. Your past cannot dictate your today and future. That is what we call hope. Hope backed by faith makes us certain of what we hope for and gives us proof of what we cannot envision. So where can we find hope? The answer is clear and simple. We can only find hope in Jesus Christ. Jesus did not come only to bring us salvation, but he's our only hope too. We have hope because Jesus has forgiven us our sins and has further converted all of us into his icon as children of the father. Jesus is hope. He finds us rest when there's no hope. Yes, my soul, find rest in God; my Hope comes from him. Truly he is my rock and my salvation; he is my fortress, I will not be shaken. My salvation and my honor depend on God; he is my mighty rock, my refuge (Psalms 62:5-7). Have you ever bothered to read into the promises of God to mankind?

Hope is found in all the promises God has given his children. You cannot find Hope anywhere, except in Jesus Christ alone. His promises are yes and amen, and he does not take his words back nor change his mind. God is not human, that he should lie, not a human being, that he should change his mind. Does he speak and then not act? Does he promise and not fulfill? (Numbers 23:19) Hope is found in the promises God has given us, so why do you doubt the promises of God? We doubt it because his timing is not ours. The Scripture says in James 1:6, If we doubt while we ask, we will not receive anything from Him, because we are unsteady. He who doubts is like a wave of the sea blown and tossed by the wind. As salvation is found in no one else but in Christ, so is hope. It's found in no other but in Christ Jesus. Keep your hope alive in Jesus, not in man.
