SJ Ball

Pronunciation of "o", "ó" and "ô" | WordReference Forums Mar 28, 2010 · I know, for example, that avó and avô mean different things and are pronounced differently, but the spelling clearly marks this distinction in these words, while in the words from your examples, there's nothing obvious at first glance and I think there're no other words to confuse p*rt@ (s) and *vo (s) with due to a different pronunciation of o. **FR: différent - place de l'adjectif | WordReference Forums** Aug 31, 2007 · Hi, I understand that the adjective 'différent' can be used before and after the noun in French. Can somebody explain to me what the difference in meaning is? Thanks Moderator note: Multiple threads have been merged to create this one. *Cafe vs. Café - WordReference Forums* Oct 23, 2007 · At least in NA they are quite different. A cafeteria is marked by self-service. You take your tray along the line and take or are given food and drink. It would not be entirely illogical to say "a cafeteria style cafe/coffee shop" (though how that would differ from just a cafeteria isn't clear). A café derives from French, café, coffee shop. **at different times/hours - WordReference Forums** Jun 25, 2008 · It is about pollinating a flower and if you do it at different times of the day you might be more successful as it depends on the temperature and other environmental factors. **"Cure date" vs "expiration date" | WordReference Forums** Mar 25, 2008 · Dear all, I work in the aeronautic field, and lately I start dealing with official "certificates" that are attached to aeronautic parts in order to attest their conformity. These documents sometimes contain a "cure date", here in France I heard it translated as an "expiration date", but I have... **differing vs different - WordReference Forums** May 22, 2008 · "There have been widely differing versions in the newspapers about the prison siege." Why not use "different" here? Both are right? If right, same meaning? If same which is common and better in native English? *How it is different or How is it different? - WordReference Forums* Apr 28, 2012 · Which one of the following is correct in the following context? Why Islamabad and How it is different? Why Islamabad and How is it different? P.S. Islamabad is the capital city of Pakistan. Thanks! *in different times-at different times - WordReference Forums* Jan 26, 2011 · In several different scenes in the film, we see the eponymous characters at different stages of their marriage. If I wish to use the word "time" to talk about how the film is set, does the following sentence make sense? These scenes are set at different times of their marriage: some good, and others bad. Thank you as always, everyone! **FR/EN: guillemets (« ») / quotation marks (" ") - usage & punctuation** Oct 16, 2015 · The main usage of quotation marks is the same in both languages: quoting or emphasizing words or phrases. The typography rules are however a bit

different. When using French guillemets, you should add an (ideally thin) non-breaking space on either side of the quoted text (e.g., « Bonjour ! »), whereas no spaces are used with English quotation marks (e.g., "Hello!"). In French, a ... *different with / different from* - WordReference Forums Jun 30, 2011 · It may be different (with/from) each family, but there are similarities. How would you describe the difference between "different with" and "different from" in the given sentence?
